Two Plays Donald Batchelor,2000 Old Raleigh Road is a play in three acts It is a serious look at the tobacco issue both economically and morally A tobacco farmer contracts lung cancer and summons his family home while he deals with his impending death Ultimately he makes a decision that will affect his entire family and the tobacco industry in his region Rednecks the play was an adaptation of Batchelor s novel by the same name Rednecks has also been produced Rednecks was staged in the very bar by and among the characters that inspired the broad satire This play is a satirical approach to the ironies and idiocy of two actual killings stunning in their irrationality Boson Books also offers *Becoming Americans* a historical novel by Donald Batchelor For an author bio photo reviews and a reading sample visit bosonbooks.com
