## Raymond Chandler:

**Raymond Chandler Speaking** Raymond Chandler, 1997-04-30 Tough minded and typically idiosyncratic here is Chandler on Chandler the mystery novel writing Hollywood TV publishing cats and famous crimes This skillfully edited selection of letters articles and notes also includes the short story A Couple of Writers and the first chapters of Chandler's last Philip Marlowe novel The Poodle Springs Story left unfinished at his death Paul Skenazy has provided a new introduction for this edition as well as a new selected bibliography Publisher description **The Raymond Chandler Papers** Raymond Chandler, 2002-10-03 These papers bring together the correspondence and other previously uncollected writing of America's undisputed master of crime fiction and creator of the iconic private eye Phillip Marlowe revealing aspects of the artist's powerful personality and broad intellectual curiosity For the Chandler fan The Raymond Chandler Papers is a treasure trove David Lehman The New York Times Book Review [Collected Stories of Raymond Chandler](#) Raymond Chandler, 2002-10-15 The only complete edition of stories by the undisputed master of detective literature collected here for the first time in one volume including some stories that have been unavailable for decades When Raymond Chandler turned to writing at the age of forty five he began by publishing stories in pulp magazines such as Black Mask before later writing his famous novels These stories are where Chandler honed his art and developed his uniquely vivid underworld peopled with good cops and bad cops informers and extortionists lethally predatory blondes and redheads and crime sex gambling and alcohol in abundance In addition to his classic hard boiled stories in which his signature atmosphere of depravity and violence swirls around the cool intuitive loners whose type culminated in the famous detective Philip Marlowe Chandler also turned his hand to fantasy and even a gothic romance This rich treasury of twenty five stories shows Chandler developing the terse laconic understated style that would serve him so well in his later masterpieces and immerses the reader in the richly realized fictional universe that has become an enduring part of our literary landscape *Selected Letters of Raymond Chandler* Raymond Chandler, 1981 I don't know why the hell I write so many letters Raymond Chandler once mused to a correspondent I guess my mind is just too active for its own good In the seven novels from The Big Sleep 1939 to Playback 1958 and in a handful of short stories Raymond Chandler recorded a vision of Southern California life sparked by acerbic observations on every level of coast society from drug dealers and crooked cops to heiresses But Chandler's gifts of observation and analysis extended well past the streets alleyways roadhouses and stately homes that made up the world of his detective hero Phillip Marlowe Brought together in this volume are some of the hundreds of letters Chandler wrote many of them composed during long insomniac nights Chandler commented on all that he saw around him from his own personal foibles to the works of his contemporaries Ernest Hemingway and Edmund Wilson to education English society and world events Acute sometimes impassioned often witty the Selected Letters of Raymond Chandler contains lively anecdotes of Hollywood critical dissections of his fellow writers of detective fiction lengthy discussions of the art of writing and of his own fiction and above all amused

sometimes outraged glimpses of the Southern California society that was his inspiration Chandler once wrote that in letters I sometimes seem to have been more penetrating than in any other kind of writing But his letters could also be combative as when he wrote to an editor at the Atlantic that when I split an infinitive God damn it I intend that it should stay split or dismissive as when he said of James M Cain that everything he writes smells like a billy goat He could also be painfully revealing as when he wrote of his despair over the death of his wife It was my great and now useless regret Chandler confessed that I never wrote anything really worthy her attention no book that I could dedicate to her Lively entertaining and sometimes touching these letters fully present for the first time the complex sensibilities of a man who was one of America s greatest writers of detective novels and one of its most astute observers *The Midnight Raymond Chandler*. portrait of the famously hard boiled writer and creator of the popular gumshoe Philip Marlowe Publishers Weekly What we know of Raymond Chandler is shrouded in secrets and half truths as deceptive as anything in his magisterial novel *The Long Goodbye* Now drawing on new interviews previously unpublished letters and archives on both sides of the Atlantic literary gumshoe Tom Williams casts light on this most mysterious of writers The Chandler revealed is a man troubled by loneliness and desertion from an early age experiences that fueled his writing as much as they scarred his life Born in Chicago in 1888 his childhood was overshadowed by the cruel collapse of his parents marriage and his father s alcohol fueled violence After his mother fled America Chandler was schooled in London but felt constrained by the stuffy English class system eventually returning to the land of his birth where in corruption ridden Los Angeles he met his one great love Cissy Pascal a married woman eighteen years his senior It was only during middle age after his own alcoholism wrecked a lucrative career as an oilman that Chandler seriously turned to crime fiction although his success was to prove bittersweet An obsessive attitude towards his craft unrealized literary ambitions and a suicidal turn after Cissy s death combined to prevent him from recapturing the verve of his earlier writing But his legacy the lonely ambiguous world of Philip Marlowe endures compelling generation after generation of crime writers to go down mean streets In this long awaited new biography the most thorough and comprehensive yet written Tom Williams shadows one of the twentieth century s true literary giants and considers how crime was raised to the level of art Praise for *A Beautiful Something in the Light* Williams dutifully records these facts but deftly keeps the reader interested *A Beautiful Something in the Light* is well researched but because it is so well written it should be of interest to scholars and mystery fans alike Washington Independent Review of Books Outstanding Williams writes sensitively about the Cissy relationship and delves illuminatingly into the composition of Chandler s masterpieces Thanks to his biography Chandler himself is a less mysterious something than he was Sunday Times UK Precise kindly and necessary Scotland on Sunday UK A clear eyed compassionate biography Kirkus Reviews *The Long Embrace* Judith Freeman, 2008-11-11 Raymond Chandler was among the most original and enduring crime novelists of the twentieth century Yet much of his pre writing life including his unconventional marriage has remained shrouded in mystery In this compelling wholly original book Judith Freeman sets out to solve the puzzle of who Chandler was and how he became the writer who would create in Philip Marlowe an icon of American culture Visiting Chandler s many homes and apartments Freeman uncovers vestiges of the Los Angeles that was Chandler s terrain and inspiration for his imagination She also uncovers the life of Cissy Pascal the older twice divorced woman Chandler married in 1924 A revelation of a marriage that was a wellspring of need illusion and creativity *The Long Embrace* provides us with a more complete picture of Raymond Chandler s life and art than any we have had before *The Raymond Chandler Omnibus* Raymond Chandler, 1953 **Chandler Before Marlowe** Raymond Chandler, 1973 **Something More Than Night** Peter Wolfe, 1985 Raymond Chandler s eminence as a mystery writer is unchallenged Somerset Maugham and George Grella both rate him above Dashiell Hammett

Eric Partridge deems him a serious artist and a very considerable novelist while praising him as one of the finest novelists of his time Peter Wolfe examines the many sides of Chandler and his work his apparent will to self destruct his obsession with beautiful women and his apparent brush with homosexuality and casts much new and needed light on this major American author
