Ramage,2014-04-23 The first full biography of the famous Confederate cavalry leader from Kentucky It provides fresh unpublished information on all aspects of Morgan s life and furnishes a new perspective on the Civil War In a highly original interpretation Ramage portrays Morgan as a revolutionary guerrilla chief Using the tactics of guerrilla war and making his own rules Morgan terrorized federal provost marshals in an independent campaign to protect Confederate sympathizers in Kentucky He killed pickets and used the enemy uniform as a disguise frequently masquerading as a Union officer Employing civilians in the fighting he set off a cycle of escalating violence which culminated in an unauthorized policy of retaliation by his command on the property of Union civilians To many southerners Morgan became the prime model of a popular movement for guerrilla warfare that led to the Partisan Ranger Act For Confederates he was the ideal romantic cavalier the Francis Marion of the War and they make him a folk hero who was especially adored by women Discerning fact from folklore Ramage describes Morgan s strengths and weaknesses and suggests that excessive dependence on his war bride contributed to his declining success The author throws new light on the Indiana Ohio Raid and the suspenseful escape from the Ohio Penitentiary and unravels the mysteries around Morgan s death in Greeneville Tennessee *Rebel Raider* also shows how in the popular mind John Hunt Morgan was deified as a symbol of the Lost Cause *Confederate Artillery Organizations* F. for the batteries and the names of the men who led them Also included are the dates of acceptance into Confederate service for each unit Most companies have an annotation that includes an alternate name if there was one and the date if a unit disbanded or was merged into another organization The annotations for officers include date of appointment date of promotion to a higher grade if any date of transfers if any date dropped from rolls if any and date relieved of command if any Confederate Artillery Organizations also contains four rare and hard to find lists of Confederate artillery officers Memorandum of Artillery Officers C S A List of Officers Corps of Artillery C S Army on U S Register of 1861 Superintendents of Armories and Military Store Keeper of Ordnance These lists illustrate the ranking of each officer in his respective grade The extensive bibliography prepared by Mr Sibley is an invaluable guide to Civil War historiography Scholars researchers and students of the Civil War will be thankful Ray Sibley turned his considerable talents to this project His tireless efforts made sure this rare book got back into print including all digital formats and turned what was once a valuable rare work into a reference book that is now both widely available and absolutely indispensable **Willing's Press Guide** ,1928 A guide to the press of the United Kingdom and to the principal publications of Europe Australia the Far East Gulf States and the U S A
