essential to reach your ultimate goals This book is not pertaining to becoming a professional athlete the tools that you are given throughout 18 FOCUSING ON YOUR DREAMS the contents of this book will apply in anything you do in life This book is about self improvement and it will give you simple clear guidelines on how to obtain your goals This book includes three different personalities and three directions in life the final outcome will be the same With determination dedication desire and passion we got to where we are now We lived through traumas and devastations I have integrated into this book the importance of knowing where you have been in your life Life appeals to everyone and it matters how you handle it how you start and how you finish It doesn't matter what your goals in life are You have a starting point and a finish line In order to complete each task it is imperative to stay focused on your goal Please don't misinterpret this book as just being about professional athletes we only are sharing our own personal experiences I hated my past however I couldn't allow my past to affect my future It enhances what I am doing today because I am now able to reflect on the many setbacks that I had to go through in my life My past only gave me the opportunity to move on to the next level Progress is not based on how people view you Rather it is based on how you see yourself as an example When you are in the last place and your expectations are not very high you can't lose focus But when you finish the season and you go to the finals and you do your best and have high expectations but lose anyway then at least you know in your heart you did your best This is what you call fulfilling success So again it doesn't matter where you end up what counts is that you gave it your all Sometimes you have to give up things in order to pursue where you want to be You have to be creative when setting goals for yourself and see beyond your finger next to your nose however your finger is your vision your creativity goes beyond what is in front of you By being creative y
