

Read Into The Millennium

David Ewert

Read Into The Millennium:

Four Decades in the Study of Nigerian Languages and Linguistics Ndimele, Ozo-mekuri, 2019-03-31 This volume is produced in commemoration of the official retirement of Professor Kay Williamson from the Department of Linguistics and Communication Studies University of Port Harcourt Nigeria The contributing essayists cover five main generations of Nigerian linguists The collection is divided into six sections Language history and Society Applied Linguistics and Orthography Design Gender and Communication Studies Stylistics and Literature Pragmatics Discourse Analysis and Translation and Formal Linguistics Some of the contributors include Ayo Bamgbose Okon Essie Ben Elugbe P A Nwachukwu E N Emenanjo P Anagbogu Chinyere Ohiri Aniche O M Ndimele O G Harry Levi Igwe C U Omega O Ojukwu A U Weje O N Anyanwu and A Idafuro *Reading Hebrews and 1 Peter from Majority World Perspectives* Sofanit T. Abebe, Elizabeth W. Mburu, Abeneazer G. Urga, 2024-09-19 The contributors to this volume offer a bold re reading of Hebrews and 1 Peter from the perspective of the Global South The chapters provide enriching new hermeneutical and theological insights revealing facets of the text that may not at first be apparent to readers within a Eurocentric context The volume is thus able to explore topics ranging from the authorship of Hebrews in the Ethiopian Orthodox tradition and the Batak reading of Christus Victor to a Xhosa perception of the solidarity and sacrifice of Jesus and intercultural readings of Christian identity in the context of persecution With an introduction and final response by scholars from the Global North this volume encourages awareness of how the Global South contributes to world Christianity *Messianic Beliefs and Imperial Politics in Medieval Islam* Hayrettin Yücesoy, 2009 An analysis of the dynamic relationship between apocalyptic prophecies and medieval Muslim politics *Messianic Beliefs and Imperial Politics in Medieval Islam* analyzes the role of Muslim messianic and apocalyptic beliefs in the development of the Abbasid Caliphate to highlight connections between charismatic authority and institutional developments in the early ninth century Hayrettin Yücesoy studies the relationship between rulers and religion to advance understanding of the era's political actions and more specifically to illustrate how messianic beliefs influenced Abbasid imperial politics and contributed to the reshaping of the caliphate under al Ma'mun 809-33 after a decade long civil war Yücesoy challenges traditional sociological views that marginalize messianic beliefs as oppositional ideologies of disfranchised social classes to be used against the political establishment Instead he finds a mode of symbiosis between messianic beliefs political reform and imperial ambitions put in motion by al Ma'mun's acute understanding of the sociopolitical and ideological context of his time Yücesoy demonstrates how the caliphate absorbed influences from the late antique world and Near Eastern cultures to fashion a prophetic vision that served to undergird al Ma'mun's imperial aspirations A comprehensive portrait of the caliph and his reign emerges from this study as a result By drawing on records of Muslim and non Muslim apocalyptic prophecies circulating among the general public and educated elites alike this study demonstrates the pertinence of messianic beliefs to medieval Muslim politics and illustrates the manner in which the caliph responded and

shaped societal concerns on three distinct fronts domestic fiscal and administrative reforms an increase in missionary and military activities and religious reform Y cesoy shows that political usefulness contributed to the longevity of charismatic ideologies by addressing how the Abbasid ruling class adopted such beliefs as a medium to initiate governmental reforms and expand their authority This work adds new layers to ongoing interdisciplinary discourse about the importance of religion in Islamic sociopolitical life both historically and in the contemporary Muslim world **The Institute Tie** ,1917 **History of the Second Advent Message and Mission, Doctrine and People** Isaac Cummings Wellcome,1874 A.W. Pink's Studies In The Scriptures - 1922-23, Volume 1 of 17 Arthur W Pink,2001-09 **Vortex** Harold Reynolds,2019-05-14 Through the main character of Itso the author of Vortex Death Is Swallowed Up in Victory Harold G Reynolds does indeed ask a most compelling question Will it indeed take a nuclear World War III and its aftermath to allow for the construction of a third Jewish temple and the thousand year millennium to begin **Reading Religions in the Ancient World** David Edward Aune,Robin Darling Young,2007-12-31 Astutely reading the writings of early Christianity as part of the lively conversation of the Graeco Roman world Robert M Grant helped reshape the study of the New Testament and early Christianity for scholars in the United States and Europe Reading Religions in the Ancient World honors his work with sixteen essays by his colleagues and students arranged under the headings of Classical Studies New Testament Studies and Patristic Studies These essays reflect and extend the research interests of the honoree signal the breadth and depth of Professor Grant s own scholarly interests and productivity and contribute to each of these important aspects of religion in the ancient world

The Ritual David L Ross,2022-04-11 Several moons hang low over the islands of Aguaterre within the Great Volcanic Ring where earthquakes volcanoes and roiling sea make for a rough existence But the world is changing the political landscape is shifting many dangers approach but people have secret hopes for something better Garrison beaten and berated knows there s more to life than the chores of the farm and forge and abuse from his blacksmithing father Ellinvale trapped in a walled estate within a walled city chafes at the time honoured tradition of matchmaking that limits her future as a woman The Dragon King protected in his high tower studies the impassable Churn a long swath of frothy ocean that likes to smash his ships to pieces against the jagged rocks of the Maw He needs to send battalions of Amphibians across the Churn if he is to achieve his ambition to reign over the world When Garrison sets out alone on a special trip beyond Crossroads to deliver his father s wares it puts them all on a path of convergence that could change the course of their futures The Ritual is the first book in the Chronicles of Garrison series At its core it s a story of good versus evil the strength of friendship and the discovery that there is power within Spatial Politics in Contemporary London Literature Laura Colombino,2013-06-19 This book analyses the spatial politics of a range of British novelists writing on London since the 1950s emphasizing spatial representation as an embodied practice at the point where the architectural landscape and the body enter into relation with each other Colombino visits the city in connection with its boundaries abstract spaces and natural microcosms as they stand

in for all the conflicting realms of identity its interstices and ruins are seen as inhabited by bodies that reproduce internally the external conditions of political and social struggle The study brings into focus the fiction in which London provides not a residual interest but a strong psychic phenomenological grounding and where the awareness of the physical reality of buildings and landscape conditions shape the concept of the subject traversing this space Authors such as J G Ballard Geoff Dyer Michael Moorcock Peter Ackroyd Iain Sinclair Geoff Ryman Tom McCarthy Michael Bracewell and Zadie Smith are considered in order to map the relationship of body architecture and spatial politics in contemporary creative prose on the city Through readings that are consistently informed by recent developments in urban studies and reflections formulated by architects sociologists anthropologists and art critics this book offers a substantial contribution to the burgeoning field of literary urban studies

Models of Premillennialism Sung Wook Chung, David L. Mathewson, 2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in Revelation 20 has been controversial for much of the church's history and even the main perspectives on the matter turn out to be more variegated than is often realized This book takes the oldest of those options premillennialism and offers an excellent introduction to a variety of models of premillennialism currently available including classical dispensationalism progressive dispensationalism historic premillennialism thematic premillennialism and historic premillennialism in Asian context The product of collaboration between a systematic theologian and a New Testament scholar this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history the Parousia and the millennial kingdom

Regulatory Frameworks for Water Resources Management Salman M. A. Salman, Daniel D. Bradlow, 2006-01-01 This title examines how regulatory frameworks have addressed the various basic issues related to water resources management and provides a comparative analysis of those issues It elicits and discusses what it considers are the essential elements for a regulatory framework for water resources management and identifies some emerging trends

The Stargate Conspiracy Lynn Picknett, 2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it

J.G. Ballard's Politics Florian Cord, 2017-01-23 This book is the first sustained investigation of the political dimension in the work of J G Ballard A product of and reaction to the cultural socio

economic moment commonly designated as the postmodern condition Ballard's oeuvre is read as a continuous and developing meditation on the postmodern examining it specifically as an expression of late capitalism The book shows that at the heart of this meditation lies the question of resistance Drawing on a wide range of concepts and ideas taken from the field of critical theory it argues that in the face of a world marked by an unprecedented expansion of capital in which modernity's grand narratives have been invalidated and in which received forms of political struggle have lost their effectiveness Ballard's fiction commits itself to a deliberately irrational and extreme pataphysical thought in order to develop a new discourse of resistance Against past readings that have construed Ballard's writing as non political decadent or quietist the study thus reveals Ballard as a thoroughly political author committed to a subversive politics In this way the book also constitutes a timely intervention in the ongoing discussion concerning the nature and state of the political
