

The *READ 180* Blended Learning Model

READ 180 Universal features a flexible rotation model designed to help you address students at all levels of intervention. This model organizes class time to provide a balance of teacher-led instruction, scaffolded practice, and small-group interaction. It is designed to maximize instructional time and accelerate achievement. Backed by more than 15 years of research and results, studies confirm that *READ 180* effectively raises reading achievement when students experience all aspects of the rotation model of blended learning.

WHOLE-GROUP LEARNING

Teachers begin class by facilitating instruction in close-reading strategies, academic vocabulary, writing, and academic discussion with the entire class.

INDEPENDENT READING

Students have their choice of engaging, content-rich texts to which they can apply their newly acquired vocabulary and comprehension skills.
