

A vibrant, cartoon-style illustration of a forest scene. In the foreground, a red fox with a white belly and a surprised expression is running along a yellow path. To the left, a brown deer with large antlers stands near a blue stream. Several squirrels are scattered throughout the scene: one on a branch, two on a tree trunk, and one near the stream. A small blue bird is perched on a branch above the fox. The background features rolling green hills and a large tree with a hollow. The title 'Wonders' is written in a large, yellow, stylized font with a red outline, set against a red oval background.

What's Wrong with Our Schools

Michael C. Zwaagstra,Rodney A. Clifton,John C. Long,2010-07-16 What s Wrong with Our Schools and How We Can Fix Them examines the status of public education in North America and exposes many of the absurd instructional practices found in all too many schools Written by three experienced educators this book provides readers with a direct window into public education The language is straightforward the case studies based on real events and the research evidence clearly presented With chapter titles like Subject Matter Matters A Pass Should be Earned and There is Too Much Edu Babble the authors systematically demolish the ridiculous fads that have taken hold of public education As unashamed apologists for the importance of knowledge and content in school curricula the authors clearly show why the views of romantic progressives like those of popular author Alfie Kohn fail to stand up to rigorous scrutiny A consistent focus on common sense permeates this book and provides parents teachers and administrators with practical ways in which they can help improve public education Anyone interested in the future of public education will benefit from reading this book For more information visit [www fixingourschools com](http://www.fixingourschools.com) **El-Hi Textbooks & Serials in Print, 2003** ,2003 CD-ROMs in Print ,2003 **Jeff**
