Read Easy Large Print Libraries For Older Adults:

Library Users and Reference Services Linda S Katz,2013-05-13 This useful book helps reference librarians understand the information seeking needs and behaviors of the diverse groups of people in the communities they serve With the increasing diversity of the American population librarians striving to plan and deliver excellent reference services must enhance their understanding of how best to assist many types of individuals and groups from children to the elderly Library Users and Reference Services provides much needed help in this area delivering strategies and methods to aid readers in their quest for increasingly effective service for all members of the communities in which they work Library Users and Reference Services is divided into four sections of chapters which cover a broad range of topics to assist readers in planning and delivering appropriate services Section One explores customer service economics of information and marketing as key concepts useful in studying information needs of specific groups in the population Section Two focuses on scholars and students in three broad academic disciplines science humanities and social sciences Section Three covers groups with special characteristics such as age economic standing gender or profession Section Four discusses evaluation and provides guidance in the use of the most widely accepted measures for assessing reference effectiveness The book s final chapter explores redesigning reference services for the future providing a glimpse of how such services may change Library Users and Reference Services is a practical guide to help readers understand the many issues related to serving diverse populations in a community Reference librarians and graduate library school students and faculty will learn more effective ways to help a heterogeneous public with the help of this new book **5-Star Programming and Services for Your 55 Library Customers** Barbara T. Mates,2003-02-07 As the population approaches 55 and above libraries are faced with an opportunity to serve an underserved population In this handbook Barbara Mates explains the ins and outs of planning developing marketing and finding successful programmes and services for the greying population *Digital Libraries* Lucy A. Tedd,J. Andrew Large,2005-04-04 This book introduces readers to the principles underlying digital libraries illustrating these principles by reference to a wide range of digital library practices throughout the world Individual chapters deal with issues such as digital library users and the services that are offered to them the standards and protocols with which digital libraries must operate in order to cooperate with other institutions and issues such as the administration of digital libraries including discussion of intellectual property rights and preservation issues A final chapter comprises eight case studies drawn from all over the world used to illustrate points made in earlier chapters Throughout the book the challenges of developing and implementing digital library systems in multilingual and multicultural environments are explored *International Resource Book for Libraries Serving Disadvantaged Persons* Joanne Locke,Nancy M. Panella,2013-02-06 No detailed description available for International Resource Book for Libraries Serving Disadvantaged Persons **The Psychology of Ageing** Ian Stuart-Hamilton,2012-05-15 This well established text has been completely revised in this expanded fifth edition Each

chapter has been updated to reflect current thinking and a new chapter on death dying and bereavement has been added This new edition is essential reading for all those working with older people and a key text for students **Interface** ,1992

Read Easy Anne M. Ring,1991 *Encyclopedia of Library and Information Science* Allen Kent,2000-09-21 This is the 68th volume supplement 31 in a series which examines library and information science **White House Conference on Library and Information Services, 1979** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Education, Arts, and Humanities,1980 **Oversight Hearings on Library Services and Construction Act** United States. Congress. House. Committee on Education and Labor. Subcommittee on Postsecondary Education,1984

Hearings, Reports and Prints of the Senate Committee on Labor and Human Resources United States. Congress. Senate. Committee on Labor and Human Resources,1980 *Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 2005* United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,2004 **Action with the Elderly** Kenneth M. G. Keddie,2013-10-22 Action with the Elderly A Handbook for Relatives and Friends contains practical advice that will help the elderly citizens adjust in this mobile technological and rapidly changing society This handbook describes the services it offers as complementing the qualities of a good doctor the good priest the good neighbor and even the qualities of the good parent The text addresses the value of independence in old age with some case studies to drive the point The book explains rendering help in a personal way through visits conversation or reading the text likewise offers tips on helping in practical ways such as cooking memory compensation and offers of appropriate and nourishing food The book lists and explains other ways of caring such as maintenance of the home appropriate health concerns and communications The text lists organizations and persons responsible for the elderly The family doctor voluntary organizations and churches all contribute to the well being of the elderly The book then discusses the problems of the elderly such as psychological changes or bereavement This handbook also offers advice on how to deal with serious mental disturbances for example depression delirium paranoia or senility This book will prove its worth to relatives friends caregivers voluntary workers social workers religious ministers and administrators of home for the aged institutions **Recognition of Excellence in Aging Research, Committee Report, Report of the Special Committee on Aging, United States Senate** United States. Congress. Senate. Special Committee on Aging,2008 **Developing Librarian Competencies for the Digital Age** Jeffrey G. Coghill,Roger G. Russell,2016-11-29 Librarianship is both an art and a science Librarians study the science of information and how to work with clients to help them find solutions to their information needs They also learn quickly that there is an art to working with people to finding the answers to tough questions using the resources available and knowing which information resources to use to find the information being sought in short order But what technical skills do librarians need to be successful in the future How can library managers best develop their staffs for success Developing Librarian

Competencies for the Digital Age explores questions such as What is the composition of a modern library collection Will that collection look different in the future What are the information sources and how do we manage those What are the technical skills needed for a 21st century librarian How will reference services change and adapt to embrace new ways to interact with library patrons or clients What kinds of library skills are needed for the librarian of today to grow and thrive now and into the future How will service models change to existing clients and how will the model change going into the future of librarianship What kinds of budgeting challenges are there for libraries and the administrators who oversee these libraries What do the library professional organizations see as the core skills needed for new graduates and those practicing in the profession going into the future In answering those questions the book identifies specific digital skills needed for success ways of developing those skills and ways of assessing them **NLM Newsline** ,2000 *Public Libraries* ,1995 **Crash Course in Library Services for Seniors** Ann Roberts,Stephanie G. Bauman,2012-05-31 A comprehensive guide to creating dynamic successful and innovative library programs that cater to the specialized needs of older adults an important and growing user group Crash Course in Library Services for Seniors provides a refreshingly positive approach to working with older adults one that focuses on the positive effects of aging on patrons and the many opportunities that libraries can create for themselves by offering top notch services delivered with a concierge mindset The book offers page after page of great programming ideas specifically for reaching out to Baby Boomers and older customers a population that is predicted to double over the next 20 years Organized in only six chapters this easy to read book provides practical suggestions for making any library a welcoming place for older adults covering topics such as assessment planning programming services marketing and evaluation This title will be invaluable to public librarians interested in expanding and improving their current programming for older adults within their community and for those looking to create entirely new programming for seniors

Crash Course in Library Services to People with Disabilities Ann Roberts,Richard J. Smith,2010-03-23 This book helps libraries identify and implement new ways to serve their physically or mentally disabled patients Authors Ann Roberts and Dr Richard Smith work at the state level with persons with disabilities They find that very few librarians feel comfortable with providing services addressed to the needs of the disabled yet those who do offer services and programs other libraries can adopt and adapt Crash Course in Library Services to People with Disabilities will help librarians get up to speed in understanding disabled persons and what they can do to make library premises and holdings more accessible to them It provides basic information on the different types of mental and physical disabilities a librarian might encounter then offers a range of exemplary policies services and programs for people with disabilities efforts that are in place and working across the country **Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 2006** United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,2005
