Reading And Writing About Language:

Advances in Applied Psycholinguistics: Volume 2, Reading, Writing, and Language Learning Sheldon Rosenberg, 1987-09-25 *Hints on Language in Connection with Sight-reading and Writing in Primary and Intermediate Schools* Samuel Arthur Bent, 1885 Connecting Reading & Writing in Second Language Writing Instruction Alan Hirvela, 2004-08-20 Academic writing often requires students to incorporate material from outside sources like statistics ideas quotations paraphrases into their own written texts a particular obstacle for students who lack strong reading skills In Connecting Reading and Writing in Second Language Instruction Alan Hirvela contends that second language writing students should be considered as readers first and advocates the integration of reading and writing instruction with a survey of theory research and pedagogy in the subject area Although the integrated reading writing model has gained popularity in recent years many teachers have little more than an intuitive sense of the connections between these skills As part of the popular Michigan Series on Teaching Multilingual Writers Connecting Reading and Writing in Second Language Instruction will provide invaluable background knowledge on this issue to ESL teachers in training as well as teachers who are already practicing *Language and Image in the Reading-Writing Classroom* Kristie S. Fleckenstein, Linda T. Calendrillo, Demetrice A. Worley, 2002-02-01 This volume offers concrete answers to the question of how we can use imagery to enrich the teaching of reading and writing The chapters are organized according to two guiding principles First each addresses specific aspects of the inextricable integration of imagery and language in the teaching of reading and writing Imagery is not privileged over language the fusion of the two is emphasized Second each focuses on a particular kind of imagery mental graphic or verbal describing teaching learning strategies based on the deployment of that kind of imagery in the classroom There is currently a renewed acknowledgment of the importance of imagery in meaning The rapid spread of the World Wide Web computer interfacing and virtual reality further highlights the need to attend to the influence of imagery in a networked world In response to these shifts in scholarly and cultural perspectives NCTE has established a committee on visual literacy and an emphasis on visual literacy has been incorporated into the IRA NCTE Standards for the English Language Arts This book contributes significantly toward filling the need for explicit and specific theory based methods teachers can use to integrate imagery into their pedagogy Accessible and lively chapters include classroom activities and student generated examples *Language and Image in the Reading Writing Classroom* is an excellent text for preservice and in service pedagogy courses and an important resource for practicing teachers researchers and professionals in the field **Reading and Writing about Language** Stephen K.
