Matthews, Laurence Matthews, 2013-02-26 **The Second 100 Chinese Characters** adopts a structural approach that helps students to learn recognize and write the second 100 most common Chinese characters. Intended for beginning Chinese students, the characters listed have been carefully selected and sequenced for rapid and effective learning. Each Chinese character is shown separately on a single page along with its English definitions, pinyin, romanization, alternate form if any, a stroke order guide, and ample space for writing practice. Printed in gray lines, the stroke order guides introduce the student to the standard stroke sequence used in writing the characters by tracing them. After learning the correct stroke order, the student can then practice writing the characters on their own, thus reinforcing the recognition and memorization. Large boxes with grid lines for correct proportions are provided. Related compounds and phrases containing each character are also included to assist in vocabulary building. Three indexes, alphabetically arranged by the English meanings, by pinyin romanization, and by radicals, are provided at the back of the book for quick and easy reference. This Chinese character book features: The second 100 most frequently used characters; Foundation characters for HSK Level 1 test; Standard pinyin romanizations; Step by step stroke order guides and ample space for writing practice; Special practice boxes with grid lines; Lots of extra practice sheets; Over 500 words and phrases containing the basic characters; Concise English definitions.

Reading & Writing Chinese Simplified Character Edition William McNaughton, 2005-07-15 This is a revised second edition of Tuttle's Reading and Writing Chinese. Reading and Writing Chinese has long been the best selling reference text for foreign students and teachers of Chinese characters. This new edition focuses on the internationally recognized test of Chinese language proficiency, the Hanyu Shuiping Kaoshi (HSK). All 800 characters prescribed for Level A are covered here, and the 1400 Levels B and C characters are covered concisely. All of the prescribed vocabulary for Levels A-C of the Hanyu Shuiping Kaoshi is included among the example compounds. Knowledge of the 2200 characters and 5253 vocabulary items covered will equip students to take the test at either the Basic or the Elementary/Intermediate standard. Success in the top band of the Basic standard is sufficient to enter college in China. Completely revised with simplified characters, it draws on the lessons learned from the use of the book in classrooms to provide a convenient and up to date introduction to the Chinese writing system. Materials are organized in units of progressive difficulty and complexity with clear definitions of the individual characters presented in a logical and systematic sequence. The student's ability to read Chinese and write Chinese are reinforced throughout.
