Thick Comparison Dr. Thomas Scheffer, Jörg Niewöhner, 2010 We have come a long way from Evans Pritchard's famous dictum that there is only one method in social anthropology the comparative method and that is impossible Yet a good 40 years later qualitative social inquiry still has an uneasy relationship with comparison This volume sets out thick comparison as a means to revive comparing as a productive process in ethnographic work a process that helps to revitalise the articulation work inherent in analytical ethnographies to vary observer perspectives and point towards blind spots to name and create new things and modes of empirical work and to give way to intensified dialogues between data analysis and theorizing Contributors are Katrin Amelang Stefan Beck Kati Hannken Illjes Alexander Kozin Henriette Langstrup Jörg Niewöhner Thomas Scheffer Robert Schmidt Estrid Sørensen and Britt Ross Winthereik Publisher's website

The Model Minority Stereotype Nicholas D. Hartlep, 2021-04-01 Researchers higher education administrators and high school and university students desire a sourcebook like The Model Minority Stereotype Demystifying Asian American Success This second edition has updated contents that will assist readers in locating research and literature on the model minority stereotype This sourcebook is composed of an annotated bibliography on the stereotype that Asian Americans are successful Each chapter in The Model Minority Stereotype is thematic and challenges the model minority stereotype Consisting of a twelfth and updated chapter this book continues to be the most comprehensive book written on the model minority myth to date

Social Problems Anna Leon-Guerrero, 2010-09-16 With an engaging writing style that has made it a popular choice at both 2 and 4 year schools the Third Edition of Anna Leon Guerrero's Social Problems textbook clearly presents contemporary social problems and addresses their consequences while emphasizing community involvement by both individuals and groups to achieve real solutions With an overarching focus on social inequalities this proven text provides a platform for discussion that encourages critical thinking through compelling illustrations boxed features learning checks discussion questions and online learning tools all designed to inspire hope rather than simply present a disheartening parade of maladies

Critical Perspectives on Black Education Noelle Witherspoon-Arnold, Melanie C. Brooks, Bruce Makoto Arnold, 2014-06-01 While nation engages in debates concerning central

issues of religion and religious diversity in education the historic saliency of religion and spirituality in the Black community and in the education of its children continues to be largely ignored Historically religion and spirituality were foundational to the development and understanding of social justice issues including but not limited to issues of protest community uplift notions of care and anti oppression Taking into account the historical significance of religion and spirituality in the Black community it is essential for education scholars to cultivate these long standing connections as a means for advancing contemporary struggles for social justice religiosity in education and counter hegemonic praxis The purpose of this book is to expand our understanding of spirituality and religion as related to the p 20 schooling of Blacks students Educational scholarship continues to explore the workings of social justice to ameliorate inequities for those who have not been well served in schools Although the concept of social justice remains a somewhat inchoate term in educational literature this book seeks to explore the historicity of religion and spirituality while offering a scaffold that links ordinary everyday acts of justice religion and spirituality in education to a culture that systematically and institutionally assaults the worth of Black students It is important to note that this book is grounded in a broad concept of religion and spirituality and the editors seek to be inclusive of all types styles and traditions of religiosity and spirituality

We Don't Need Another Hero Gregory Michie, 2015-04-25 In his latest book bestselling author Gregory Michie critiques high stakes schooling and provides a powerful alternative vision of teaching as a humanistic enterprise students as multidimensional beings and schools as spaces where young people can imagine and become not just achieve Drawing on his experiences over the past two decades as a classroom teacher community volunteer researcher and teacher educator in Chicago's public schools Michie offers compelling accounts of teaching and learning in urban America Mindful of the complex realities educators face he portrays urban schools as they really are sites of struggle hope and possibility At a time when others relentlessly trumpet a competitive data driven corporatized notion of education the essays in *We Don't Need Another Hero* challenge the dominant images of failing urban schools and bad teachers Like Michie's now classic *Holler If You Hear Me* this book gives much needed hope to new and seasoned teachers alike It is also an important resource for school administrators policymakers parents and anyone who wants to better understand what is really happening in American schools Gregory Michie teaches in the Department of Foundations and Social Policy at Concordia University Chicago He is the bestselling author of *Holler If You Hear Me* *The Education of a Teacher and His Students* Second Edition and *See You When We Get There* *Teaching for Change in Urban Schools* Greg Michie is right we don't need another hero The heroes are already there they are our students as well as the teachers and administrators who have a passion for justice Those are the voices we must heed From the Foreword by Sonia Nieto professor emerita University of Massachusetts Amherst There is no writer working today who captures the excruciating complexity of a life in teaching with as much grace and clarity as Gregory Michie These everyday heroes are the heart of teaching and the soul of democracy William Ayers educator and bestselling author of *To Teach* Third

Edition and Teaching the Taboo Gregory Michie's experiences in the classroom and his purview post teaching make this a good peek into the thoughts of a man willing to challenge the current notions of education reform Rather than sit in frustration over the current tenor surrounding these so called reforms Michie seeks meaningful progress and solutions Jose Luis Vilson NYC Public School lead teacher and writer at TheJoseVilson.com Reading Between the Lines Joanne Dowdy, Kenneth Cushner, 2014-03-18 This book presents the work from a selection of contributors who aim to provide educators with hands on activities to encourage reflection awareness and dialogue related to social justice issues Highlighting the need for teachers to intentionally create spaces where students from all backgrounds can work together and appreciate their differences teachers and teacher educators showcase hands on literacy strategies that all educators can adapt and use in their own classrooms to enhance social justice awareness **Disposable Domestics** Grace Chang, 2000 Analyzes recent immigration debates targeting women of color and challenges the racism behind the rhetoric **Michigan Sociological Review**, 2002 *Criminal Defence and Procedure* T. Scheffer, K. Hannken-Illjes, A. Kozin, 2010-10-29 Procedure is not just a programme or a nexus of formalities It is something done by legal experts and lay participants in a highly concerted ensemble Procedure frames and advances all law relevant activities This book written by three authors from different disciplinary backgrounds provides an in depth comparison of criminal defence work in different legal cultures Via an ethnographic comparison this book also shows how defence work responds to the challenges of different procedural regimes and how it contributes to their individual outcomes Criminal Defence and Procedure opens up new horizons for legal comparison inviting novel understandings of procedural law as well as possibilities of legal reform Included in Sociology Jeffrey Chuan-che Chin, Catherine White Berheide, Dennis Rome, 2002 A practice oriented volume written by sociology faculty for their colleagues and others who care about the retention and success of students of color in the discipline's gateway courses **El-Hi Textbooks and Serials in Print**, 1985 **Sociological Abstracts**, 2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers *Annual Editions* Kurt Finsterbusch, 2004-03 The articles presented in this book were selected for their attention to important issues the value of the information and ideas they present and or their ability to move the reader to concern and possibly even action toward correcting social problems This book begins by defining social problems and presenting a general critique of American society Next the book examines some big issues in the political and economic systems that have society wide impacts Next it examines issues of inequality and injustice that challenge basic American values The book then considers how well the various institutions of society work and studies the traditional problem of crime and law enforcement Finally the book confronts the issues of sustainability in a world experiencing serious environmental decline To the reader *Visual*
