**Promises on a Ring of Stone** J. Campbell, 2006-07 David Llewellyn a white American writer becomes infatuated with a young black woman while vacationing on a small Caribbean island But love is not all he finds in paradise Llewellyn becomes enmeshed in a struggle between groups on the island battling for control of an old plantation estate that is key to their aspirations and absorbed with the dark legend of a Victorian heiress reputed to have ritually killed young children in her search for eternal youth Llewellyn's own ambitions and desires become blinders Even as strange events and ghostly warnings abound he is unable to see a plot to recreate an ancient Celtic ceremony in which his own life will be the crucial blood sacrifice Promises on a Ring of Stone lifts the mask of polite smiles and friendly faces to expose deep seated rifts in the society of an emerging nation in the 1970s It is also the story of the struggle and mistrust between rich and poor black and white set against a backdrop of resurrected pagan rites and enduring voodoo beliefs

**Through the portal: The rise of the North King** Wesley Wang, 2024-11-30 I just wanted a quiet life But then I went through a portal to another world Thrown into a world full of magic flying dragons and dangerous creatures the protagonist finds himself in a land inhabited by powerful gods and mysterious races As an ordinary citizen who does not even know the language survival seems an impossible task But with the awakening of an unusual ability the power to summon allies from the old world everything changes With each new ally the protagonist rises in the social ranks turning the struggle to survive into a journey to the top However the kingdom is threatened by an invasion of monsters and the fate of the North depends on him Do I really have to save this world I just wanted to go home From ordinary citizen to King of the North the fate of an entire land is in his hands But when two worlds collide who knows what the future will bring

**Cowboys, Creatures, and Classics** Chris Enss, Howard Kazanjian, 2018-09-01 Take one well oiled effective killing machine add a familiar hero on the ground in the air and on horseback stir in a ghastly end that's surely impossible to escape add action add passion made on a shoestring budget at breakneck speed and you've got the recipe for Republic Pictures Who after all cannot forget The Atomic Kid starring Mickey Rooney or The Untamed Heiress with an un Oscar worthy performance by ingénue Judy Canova Exploding onto the movie scene in 1935 Republic Pictures brought the pop culture of the 30s and 40s to neighborhood movie houses Week after week kids sank into their matinee seats to soak up the Golden Age of the Republic series to ride off into the classic American West And they gave us visions of the future Visions that inspire film makers today Republic was a studio that dollar for dollar packed more movie onto the screen than the majors could believe From sunrise on into the night over grueling six day weeks no matter how much mayhem movie makers were called upon to produce at Republic Pictures it was all in a day's work Republic Pictures was the little studio in the San Fernando Valley where movies were made family style A core of technicians directors and actors worked hard at their craft as Republic released a staggering total of more than a thousand films through the late 1950s Republic Pictures was home to John Wayne for thirty three films Always inventing Republic brought a song to the West It featured the West's first singing cowboy Republic brought action adventure and escape to neighborhood movies

houses across America And they brought it with style Scene from westerns such as The Three Mesquiteers and the Lawless Range gave screaming kids at the bijou a white knuckle display of expert film making Republic Pictures became a studio where major directors could bring their personal vision to the screen Sometimes these were projects no other studio would touch such as The Quiet Man which brought director John Ford an Oscar and Macbeth Killer Bs Cowboys Creatures and Classics The Story of Republic Pictures is for anyone who likes B movies magic It is the honest account of an extraordinary production house one whose ability to turn out films quickly boded well for its transition into television production Not only were its sets used for such shows as Leave it to Beaver and Gilligan s Island stock footage from Republic s movies was used on such shows as Gunsmoke and The Life and Legend of Wyatt Earp      **A Cat With no Clue** Lydia Adamson,2001-12-01

Actress and amateur sleuth Alice Nestleton thinks up the perfect anniversary gift for her elderly actor friends Alex and Lila She has a chef whip up a replica of the meal the couple shared on their first date For better or worse they eat every bite The next day they re dead from food poisoning Of course the only witnesses are the couple s two little kittens Definitely cute but certainly not viable on the witness stand To say that Alice is the prime suspect would be an extreme understatement And while the actor in Alice may love the spotlight this is not the kind of attention she needs      *John Wayne* Randy

Roberts,1997-01-01 John Wayne remains a constant in American popular culture Middle America grew up with him in the late 1920s and 1930s went to war with him in the 1940s matured with him in the 1950s and kept the faith with him in the 1960s and 1970s In his person and in the persona he so carefully constructed middle America saw itself its past and its future John Wayne was his country s alter ego Thus begins John Wayne American a biography bursting with vitality and revealing the changing scene in Hollywood and America from the Great Depression through the Vietnam War During a long movie career John Wayne defined the role of the cowboy and soldier the gruff man of decency the hero who prevailed when the chips were down But who was he really Here is the first substantive serious view of a contradictory private and public figure
