warmth Their hope is to scrape sky land and sea clean of mortal life and return to where they once dwelled before the first rising of the sun Against them stand only the Graith of Guardians defenders of the peaceful anarchy of the Wardlands But the agents of the Sunkillers are abroad even in the Wardlands plotting betraying murdering among the Graith Married now for a century Morlock Ambrosius and Alo Oaij will take different paths to counter the threat As Alo ferrets out the enemy within the Graith Morlock joins forces with his sister the formidable Ambrosia Viviana and crosses the monster haunted plains of the deep north to confront the Sunkillers in their own realm Morlock and Alo think their parting is temporary but it is final They may or may not save the world but they will not save each other or themselves The Henry Kuttner Science Fiction & Fantasy MEGAPACK®
