Resources It is a Daily Bible Reading Study of The Book of Ruth The characters in The Book of Ruth deal with loss lack and romance Through their many trials they learn to lean on God and His sovereign will for their lives In The Book of Ruth Ruth was unknown She was born in a pagan land but through her relationship with her mother in law Naomi she accepted God When Naomi decided to go back to the Promised Land Ruth insisted on going with her Because of Ruth s decision to follow Naomi to the Promised Land and to accept Naomi s God Ruth ends up being a part of Jesus Christ s lineage She has a book in the Bible named after her and her story has been told throughout the ages Ruth found her identity in God She surrendered her life to Him On the other hand her sister in law Orpah decided to remain in her pagan land with her people and was never spoken of again You never know what God has in store for you if you surrender your life to Him as Ruth did *I am Ruth* Kenneth Berg,Brenda Carol Duff,2013-06-01 Let the scriptural account the breathtaking photos and the deeper insights help you look afresh at this enduring true story of love from tragic loss View the vivid full color images from within Israel and near the historic locale of Ruth s life Survey the social and cultural details that come alive to enhance your understanding of this profound story of loss faith loyalty and love Better understand the important biblical and genealogical connections One of the most beloved and enduring accounts of the Bible Ruth s story is one of tragedy Here is the true account of a young widow who chooses to leave the land of her birth for the unknown lands of her mother in law Naomi who is returning home bitter and angry at God for the loss of her husband and two sons More than just a simple love story I Am Ruth is about courageously facing life after loss rediscovering faith and fearlessly placing yourself and your future in God s loving hands This text brings to light the full humanity found in the biblical account and makes it personal for every reader who has suffered in life s shadows longing to see God s plan **Compromising Redemption** Danna Nolan Fewell,David Miller Gunn,2009-11-01 We are interested in subverting the notion of type when it comes to biblical characters We prefer instead to see the characters in Ruth as complex people not merely built around a single primary trait like loyalty altruism or generosity People may exhibit conflicting traits and are often different people There is no reason why the same should not be true of literary characters Accordingly we have tried not to define the selves of this narrative too tightly and if we have over determined them we recognize that as a fault In short the characters of this story have far more diverse possibilities of life in the minds of readers than we can ever give them from the Introduction **Eyewitness to Redemption: Ruth** Mindy Ferguson,2023-03 The book of Ruth gives us a glimpse into the personal journey of Ruth and her mother in law Naomi The two widows struggled to survive in Bethlehem but eventually found refuge in God s redeeming love Ruth s story gives us insight into our own stories Her struggles remind us to persevere through our challenges Her courage inspires us to trust God amid hardship Ruth experienced God s redeeming love As an eyewitness to redemption Ruth reminds us that we can all find refuge through faith in Jesus Christ the greatest expression of God s providential care for His people Ruth was an eyewitness to redemption Through faith in Christ we too can be eyewitnesses to redemption as we find refuge in God s
