Redesigning Teaching Professionalism Or Bureaucracy Suny Series On Teacher Preparation And Development:

Redesigning Teaching William A. Firestone, Beth D. Bader, 1992-01-01 Redesigning Teaching provides concrete case studies of school districts implementing teacher reforms The cases describe the changes give the history and dynamics of each project examine how teachers respond to new policies and procedures and tell how state policy affects local efforts to change teaching The book also suggests that while short term improvements can be accomplished through bureaucracy serious reform requires professionalization The authors identify challenges that state governments school administrators and teachers associations must face if they really want to professionalize teaching **A Knowledge Base for Teacher**
