

A man with curly hair, wearing a green tank top and dark pants, stands with his back to the camera, looking up at a massive waterfall. The waterfall is the central focus, with water cascading down a dark, textured rock face. The foreground is a light-colored, curved concrete walkway. The overall scene is dramatic and awe-inspiring.

unseen world In this very personal account of one woman s journey to acknowledging and accepting her special gifts such as reading auras seeing loved ones who have died hearing voices from the other side and sharing messages from the afterlife to the living Marnie Hill gives us an open and honest portrayal of her life s work and healing Her gifts have helped her to personally improve her own life and her self esteem Her journey became her life calling covering love loss and spiritual self discovery Marnie is truly tapped in This is an inspirational book for anyone wishing to explore the intertwined topics of spirituality with Spirit It is an eye and soul opening book not to be missed *The Sermon on the Mount, the Twelve Steps, and the Royal Road* Daniel Hazelwood, 2018-04-13 In The Sermon on the Mount the Twelve Steps and the Royal Road Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how

the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seekers walk

The Journey Thomas Herrington,2010-11 Life is more than a destination Every life has a beginning and an end but it is what transpires between these two points that defines the person and changes those he comes in contact with Jesus life serves as an example of a life lived truly lived where in every moment He embraced the divine appointments along the pathway before Him One day Jesus headed to the Gerasenes to share God s love but on the way a possessed man was set free a woman with a chronic illness was healed a girl was raised from the dead and a family was forever changed This day had no agenda no three ring binder of to do lists and yet every step of the way was an appointment to bring Heaven to the broken and bring glory to God The same is true with us Every moment is a divine opportunity to see God at work God seeks to capture us to have us fully aware that each step each breath is intertwined with His will He wants us to listen to learn and to serve Him every moment The pages of this book will speak to you and encourage you to acknowledge the lessons from God that are all around and to remind you that God s purpose is fulfilled in each step of your life on The Journey
