Rediscovering Catholicism Matthew Kelly, 2002 Over the past ten years Matthew Kelly has seen more of the world than most presidents and more of the Church than most bishops Now in this unique and timely book he proposes that Catholicism is not a lifeless set of rules and regulations but a way of life designed by God to help each person reach his or her full potential With remarkable insight Kelly dispels dozens of the myths that surround the practice and rejection of Catholicism today and provides a profound and practical vision of what will lead the Catholic Church to thrive again in the future Holiness is to become the best version of yourself Francis of Assisi spent his whole life trying to become the best version of himself Mother Teresa spent her whole life trying to become the best version of herself God calls us all to holiness because God wants each of us to be all we can be The goal of the Christian life is holiness Kelly explains but somewhere along the way this term disappeared from most Catholic s vocabulary Either because we thought it was an unattainable ideal or because we felt it lacked relevance in the modern context Maybe we thought the idea of holiness made people feel quilty Perhaps we just wanted to make it easier for people Whatever the reason the disappearance of this goal hasn t made it easier for modern Catholics it s made it harder for them Rediscovering Catholism Matthew Kelly, 2003 Rediscovering Catholicism takes us on an adventure of life changing proportions Beginning with our common yearning for happiness Kelly reveals the essence of authentic Catholic spirituality while addressing some of the most important guestions we face today both as individuals and as a Church The Catholic Historical Review ,2003 The Catholic Library World ,2003 **Displays!** Susan P. Thomas Richard, 2018-11-19 New 3rd Edition There is an ordinary path to holiness Not common Not usual But simple and true It is not easy to hear whispers in a chaos of noise and Truth comes in whispers It is not easy to see Truth right before one s eyes while looking for figments of imagination It is not easy to grasp the firm anchor racing with the crowd in stampede for escape Bright clear unmoving and eternal Truth exists And He calls us into the holy into the beauty into the True but we have to learn to listen so as to hear We have to learn to walk all over again as a learner a disciple following the true Teacher no matter the cost Jesus brought Truth and it is here and it is free and it alone is freeing Why then is there so much confusion Why so many opinions and so little certainty or lasting happiness or deep peace Why Many are too busy to really listen and be surprised by Truth And learn and follow His way to holiness How do we work out our salvation What ought we anticipate and likely meet on this journey through and to life If we know the purpose of our life do we have the wisdom we need to attain that purpose even through the trials and temptations we are sure to encounter We are called to holiness and Jesus is the Way Many holy saints have found in Him the ways of His way There is an ordinary path many have walked it and their wisdom has been treasured in His Church for centuries Many seekers however have yet to find this path and many contemporary teachers and spiritual guides have failed to teach this path even to today This ought not be There are today many new attempts to renew awaken invigorate and vivify the Church and her members There are many program packages including guides books videos training manuals leaders and so on Many of these new programs promise much but deliver little that is lasting because they lack the depth the wisdom and the unction that is needed for this task They look for new insights but fail to see what is there already in the traditional wisdom of the Church Persons sincerely seeking holy Truth eternal Truth no matter the cost need God Himself to guide them The wisdom depth and unction that is needed was found by the holy saints and embraced by the holy saints and lived by them Their examples their writings and experiences are the foundations of the renewal program that the Church needs and that you and I need personally to grow in the life of Christ He the Lord will guide us in His Holy Spirit if we will avoid the latest innovations that come and go and receive instead and cling tenaciously to all that is proven trustworthy and true This book presents the traditional Catholic spirituality that has been tested and proven in the lives of the saints Our spiritual life develops and grows in a way not unlike our physical emotional and intellectual lives There are stages of human growth stages common to our growth both in natural human life and in supernatural spiritual life We have an interior life ordered to our calling to true personal communion with God the Holy Trinity That interior life is intended to grow develop and mature And if we will follow Truth we will find all that we seek This book is offered to help the sincere seeker find and grow toward the all He created us for beatitude in Him Author R Thomas Richard Ph D has earned degrees in ministry and theology as well as in physics He has taught at the college and high school levels has served as a Protestant pastor and in missionary work among migrant farmworkers After returning to the Catholic Church and earning a graduate degree in Catholic theology and ministry he began work in religious education and especially the formation of adults He is author of the book The Interior Liturgy of the Our Father and serves the Church today with his wife Deborah in adult faith formation
