**Rediscovering the Realities of Jesus** Akbarally Meherally, 2003 Canadian Books in Print. Author and Title Index The Resurrection Geza Vermes, 2008-02-12 Resurrection is the rock of faith on which Christianity is founded But .1975 on what evidence is the most miraculous phenomenon in religious history based World famous biblical scholar Geza Vermes has studied all the evidence that still remains over two thousand years after Jesus Christ was reported to have risen from the dead Examining the Jewish Bible the New Testament and other accounts left to us as well as contemporary attitudes toward the afterlife he takes us through each episode with a historian s focus the Crucifixion the treatment of the body the statements of the women who found the empty tomb and the visions of Christ by his disciples Unraveling the true meaning conveyed in the Gospels the Acts and Saint Paul Vermes shines new light on the developing faith in the risen Christ among the first followers of Jesus Resurrection John Shelby Spong, 2009-10-13 Using approaches from the Hebrew interpretive tradition to discern the actual events surrounging Jesus death Bishop Spong questions the hitorical validity of literal narrative concerned the Ressurection He asserts that the resurrection story was born in an experience that opened the disciples eyes to the reality of God and the meaning of Jesus of Nazareth Spong traces the Christian origins of anti Semitism to the Church's fabrication of the ultimate Jewish scapegoat Judas Iscariot He affirms the inclusiveness of the Christian message and emphasizes the necessity of mutual integrity and respect among Christians and Jews Did Iesus Rise from the Dead? Matthew Levering, 2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father's right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened Theories of the Resurrection of Jesus Christ Sir James Marchant, 1899 The Resurrection of the Lord Jesus Christ Algernon James Pollock, 2015-07-31 The Bible gives instances of two men being translated to heaven without dying at all of some dead people who were raised to life only to die again but we never read of a resurrected man

ascending to heaven save in the one exception of our Lord He died and was raised the third day and having abundantly proved His resurrection to His doubting disciples He ascended to glory and set Himself down at the right hand of God Such a claim is stupendous Prove it and you prove Christianity Disprove it and you disprove Christianity The truth of Christianity hinges on the fact of the resurrection of our Lord Apart from the resurrection of Christ there can be no salvation no forgiveness of sins no justification and no gift of eternal life in short no Christianity Remove the central stone of an arch and the whole structure falls to the ground So it is with the Deity and Manhood of our Lord Jesus Christ His spotless life His atoning death His resurrection and His ascension These are all linked up together making one complete whole If one part fails the whole of Christianity fails So wrote Algernon Pollock that indefatigable apologist from the pulpit and in print wherever he saw the Christian faith under attack Beginning with an overview of the Bible's detailing of the facts and consequences of Christ's resurrection the author briefly considers Old Testament prophecies of the resurrection before reviewing Christ's own prophecies of His death He continues with an examination of the person life and death of the Lord Jesus Christ and their connection with His resurrection He then considers the circumstances of the Lord's resurrection before an extensive discussion of all the recorded appearances of the risen Christ An examination of objections to the inspiration of the Gospel accounts is followed by a look at some theories presented in denial of the resurrection Significant reference is made to an interesting mid 18th century study entitled Observations on the Conversion and Apostleship of St Paul In a Letter to Gilbert West Esq by Sir George Lyttleton later Lord Lyttleton Baron of Frankley Lyttleton and West set out to disprove Christianity by proving two key points of Christianity false Lyttelton that St Paul did not convert to Christianity and West that Jesus never rose from the dead However as their researches progressed they both became convinced of the truth of the events they sought to disprove The author himself convinced of the fact of the resurrection of the Lord Jesus The Reality of the Resurrection Merrill Chapin Tenney, 1963 Jesus Christ plainly sets out his reasons in this book return from the dead to resume contact with his disciples is the great unshakable reality of the ages says Merrill C Tenney Dean Tenney makes a forceful case for the traditional Christian view of the Resurrection and demonstrates that Christ's conquest of death has prime significance for the spiritual and intellectual concerns of our age His clear well organized presentation covers almost every aspect of this central doctrine Pagan Myths Hebrew Scriptures and Apocrypha Old Testament Predictions Evidence of the Gospels and Acts Developing Theology of the New Testament Emerging Creed of the Early Church Historical Evidence for the Resurrection Resurrection and the Nature of God Salvation and Eschatology What Christ's Conquering of Death Means for Humanity How the Resurrection Can Give Meaning and Purpose to Life Today

Anyabwile,2014-01-29 The Bible implores us to take a long look at Jesus forcefully beckoning us to come and see through profound questions connected with Jesus death and resurrection These questions drive us to consider not just the events themselves but also their meaning as we take a long look beneath the surface and find more of the never ending treasures of Christ In Captivated Thabiti Anyabwile invites you to set aside your early lessons on politeness and stare yes do stare into the mystery of the cross and empty tomb Table of Contents 1 Is There No Other Way Matthew 26 42 2 Why Have You Forsaken Me Matthew 27 45 46 3 Where O Death Is Your Victory 1 Corinthians 15 55 4 Why Do You Look for the Living among the Dead Luke 24 5 5 Do You Know These Things Luke 24 17

Miller, 2022-04-22 How can a respected scientist believe in the resurrection Can I trust the Bible's account that Jesus actually rose from the dead If the resurrection really occurred of what importance is it to you and me Our ready embrace of the authority of science has left many doubting that Jesus s resurrection was a verifiable historical event Yet Thomas Miller an experienced scientist and well respected surgeon challenges the notion that modern medicine has disproved the possibility of the resurrection Through careful investigation of the evidence and evaluation of its reliability Dr Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection The Case for the Resurrection of Jesus Gary R. Hoskyns, Francis N. Davey, 2004-10-05 Crucifixion Resurrection issues and concepts is the posthumous work of one of the great theological partnerships Sir Edwyn Hoskyns the pioneer of biblical theology in England and Noel Davey his student in whom he found the ideal literary collaborator It was conceived as the theological sequel to their first joint work The Riddle of the New Testament whose influence on generations of students has been incalculable Crucifixion Resurrection is concerned with the theology and ethics of the New Testament It offers a detailed exposition of the various New Testament interpretations of Christ's death penetrating to the heart of the message Christianity has to offer the world and plumbing spiritual depths which the Church rarely sounds today Present New Testament scholarship may have a more extensive technical equipment but does not necessarily come to better theological conclusions indeed the authentic Christian humanism of Hoskyns and Davey may speak to our time even more forcibly than
