Designed as a companion resource for Bryant's book, this workbook offers a basic understanding of the gifts of the Holy Spirit. The workbook will explore the following topics: the nature and scope of the gifts, what the gifts are and what they are not, the diversity of the gifts, the methods for discovering your own grace gifts. This resource, appropriate for both individual and group use, offers support to persons who desire to examine the spiritual gifts.

Penn, Sr., 1992-04-12 Discover Your Spiritual Gifts C. Peter Wagner, 2012-05-14 Which of God's

gifts has your name on it? When you become a follower of Christ you receive gifts from the Holy Spirit. How can you know for certain which gifts you have? And once you do know how should you use your gifts to best serve God? *Discover Your Spiritual Gifts* gives you life-changing answers to these questions and more. In this trusted study you will be introduced to the 28 biblical gifts, learn the definition and history of each one, and examine biblical and modern day examples of people who share those gifts. By using the included questionnaire you will be able to identify your specific gifts and find ways to use them in a community of faith. This edition contains a new Bible study for personal reflection or for use in a small group setting that will help you explore in greater detail each of the gifts that Dr. Wagner discusses.

I² John Matthew Kilpatrick,2016-07-29 First let me start out by saying i2 is built upon Biblical principals i2 was built with the intention of growing you into the person that God intended for you to be Biblical characters and stories are where the strategies that inspired i2 are rooted Even if you do not believe as we do these strategies work Each of our 5 week programs are built on the following facts there is a God He built you for a purpose and within that purpose lies fulfillment Our information has come from the teachings of His word the example of His son Jesus Christ and the testimony of our lives Even if accepting that is a challenge my hope is that you are willing at least to peak under the hood and see for yourself Freedom begins by calling out exactly what is weighing you down physically mentally and spiritually Each chapter will guide you closer towards Intentional Independence or as we like to call it i2 Now lets find out what freedom really looks like Lift anchor [www i live org](http://www.ilive.org)

To The Single Me From The Married You Sheree Hope,2024-08-31 There comes a time when something or someone in our life gives us the opportunity to look back at our younger self with a different pair of eyes A more mature version of ourselves stands in the mirror with the ability to articulate the things we could not explain but believed way back then I invite you to join me on a profound journey of self reflection and growth as I explore the intricate relationship between my past and present selves Me the married woman who looks back at me my single self examining how my actions and beliefs of my younger years shaped the person I am today In my case my someone is my daughter I was a teen mom who grew up with her and I made plenty of mistakes and miscommunicated so many of my intentions Now happily married during her adult life I m able to recognize that there was so much that I did get right Our relationship marked by disagreements and periods of silence ultimately became a testament to the enduring bond between a mother and child Even still the change in my relationship status caused some confusion when she began to express that the married version of me had forgotten what it s like to be single Oh on the contrary I wrote this book to speak about the things that I so deeply believed but could not say when I was single and in survival mode I didn t have the words yet and certainly couldn t express them to her as a child This is a tribute to my younger self and in honor of my daughter Through all the complexities of being a teen mom and raising her while navigating the chaotic waters of youth and motherhood my daughter became a pivotal character in this journey Her presence and influence provide a mirror through which I can see my younger self with new eyes It is through her that the I learned to speak my truth and impart the wisdom I held close to my heart as a young single woman Without delving into the specifics of our most intimate moments I use my narrative to offer a powerful message about self acceptance and the continuity of identity My message is simply that our past and present selves are not disparate entities but parts of a whole intricately woven together to form the person we are meant to be Therefore our relationship status can t define us or compartmentalize our person Through my own reflection I pray that readers are encouraged to view themselves

as complete and unbroken regardless of your past circumstances I invite you to appreciate every facet of your existence recognizing that each experience no matter how challenging contributes to the wholeness of your being May this be an inspiring reminder that we are and always have been complete in the eyes of God urging us to embrace our journey and see ourselves as one unified person

Becoming Barnabas Paul Moots, 2004-10-30 Western culture has made a cult of success and the church has accepted the larger culture's definition focusing on success as growth in membership and budget rather than growth in faithfulness as disciples of Jesus When we do not measure up we become discouraged disillusioned and perhaps even envious Moots details numerous examples to show how the ministry of encouragement offers a workable effective pattern for church leadership I am convinced he writes that accepting Barnabas as my model has changed my ministry for the better and that Barnabas's example can benefit any pastor and congregation who take his lessons seriously Barnabas and his ministry of encouragement offer us a focus for the vital messy and exhilarating work required of us as faith communities

Ebert,Teri Ebert,2025-07-29 If God

gave us the intelligence to evaluate the situations in our life why does it often seem so difficult to make the right decisions How can we be confident in making the choices for our daily life that will please God and make our life better Did God provide a way for me to fight the evil thoughts that come to me or to separate the good from the bad when I m trying to just make it through the day Am I trying to live a good Christian life on my own terms or am I being obedient to God s guidance through the Holy Spirit The Bible tells us a simple story of how God created this world Then God created a man and a woman to rule and care for this world As God began to share the things they needed to know the evil one tricked them into doubting and disobeying God s instruction The relationship they had with God changed forever But God did not want that situation to remain a broken relationship God sent His Son to make a way to repair the relationship we have with God Putting on the whole armor of God is to use the gifts God gives us for the spiritual strength we need to fight against any influence the evil one may use to make our daily lives difficult God also wants us to completely understand the ways of the evil one Understanding the meaning of each piece of armor also helps us to understand God s plan for a renewed relationship and being true disciples of Jesus Christ This book can give you a much better understanding of how to counter the evil in your life and how to grow spiritually stronger to be the Christian disciple that God wants you to be
