[BUCKET LIST FROM A REDNECK GIRL](#) Jessica Danel, 2025-06-05 Marsha Marsha Marsha If you understand what that means then you'll appreciate this book Was I a little hyperactive and mischievous Perhaps Regardless taking the brunt of the belt the hand or the hanger when my siblings never had to endure such punishment led me to believe I must be adopted I did not feel loved by anyone in my family growing up and I suffered from a disfigurement that made me feel ugly With the help of my Park Circle friends I developed the ability to do what I put my mind to leading me to domination by determination Thinking I knew better I left home to make it on my own as a teenager and found adulting hard work Yes I made stupid decisions and occasionally found myself in deep trouble The path I traveled led me to write this book to illustrate how God's roadmap can be navigated while achieving all your bucket list dreams I penned this book to captivate and enthrall readers My small town girl journey shaped by a childhood of free play and independence was anything but ordinary As you journey with me through my memories you will undoubtedly recognize a piece of yourself in my words Be prepared for shocking revelations as everything in this book is unquestionably the unvarnished truth as I see it

church attendance Bible memorization school choices and sex talks It's about forging new paths in racial justice and creation care while the intractable voices in your head call you a pagan Marxist for doing so After the spectacular implosion of her ministry career Bekah McNeel was left disillusioned and without the foundation of certainty she had built her life on But rather than leaving the Christian faith altogether she hung out around the edges began questioning oversimplified categories of black and white that she had been taught were sacred and became comfortable living in gray areas while starting a new career in journalism Then she had kids From the moment someone asked if she was going to have her first child baptized Bekah began to wonder if the conservative evangelical Christianity she grew up with was really something she wanted to give her children That question only became more complicated when she had her second child months before White evangelicals carried Donald Trump to victory in the 2016 presidential election Soon Bekah found that other parents were asking similar questions as they broke with their fundamentalist religious upbringing and took on new values Could they raise their kids to live with both the security of faith and the freedom of open mindedness To value both Scripture and social justice To learn morality without shame In *Bringing Up Kids When Church Lets You Down* Bekah gathers voices from history scholarship and her own community to guide others who like her are on a quest to shed the false certainty and toxic perfectionism of their past to become better healthier parents while still providing strong spiritual foundations for their children She writes with humor and empathy providing wise reflections but not glib answers on difficult parenting topics while reminding us that we are not alone even when we break away from the crowd
