Redundancy And Recession In South Wales

Andy Danford

Redundancy And Recession In South Wales:

Redundancy and Recession in South Wales Christopher Charles Harris, 1987 **Wales since 1939** Martin Johnes, 2013-01-18 The period since 1939 saw more rapid and significant change than any other time in Welsh history Wales developed a more assertive identity of its own and some of the apparatus of a nation state Yet its economy floundered between boom and bust its traditional communities were transformed and the Welsh language and other aspects of its distinctiveness were undermined by a globalizing world Wales was also deeply divided by class language ethnicity gender religion and region Its people grew wealthier healthier and more educated but they were not always happier This ground breaking book examines the story of Wales since 1939 giving voice to ordinary people and the variety of experiences within the nation This is a history of not just a nation but of its residents hopes and fears their struggles and pleasures and their views of where they lived and the wider world **Getting a Job** Mark Granovetter, 2018-06-29 This classic study of how 282 men in the United States found their jobs not only proves it's not what you know but who you know but also demonstrates how social activity influences labor markets Examining the link between job contacts and social structure Granovetter recognizes networking as the crucial link between economists studies of labor mobility and more focused studies of an individual's motivation to find work This second edition is updated with a new Afterword and includes Granovetter's influential article Economic Action and Social Structure The Problems of Embeddedness Who would imagine that a book with such a prosaic title as getting a job could pose such provocative questions about social structure and even social policy In a remarkably ingenious and deceptively simple analysis of data gathered from a carefully designed sample of professional technical and managerial employees Granovetter manages to raise a number of critical issues for the economic theory of labor markets as well as for theories of social structure by exploiting the emerging social network perspective Edward O Laumann American Journal of Sociology This short volume has much to offer readers of many disciplines Granovetter demonstrates ingenuity in his design and collection of data Jacob Siegel Monthly Labor Review A fascinating exploration for Granovetter's principal interest lies in utilizing sociological theory and method to ascertain the nature of the linkages through which labor market information is transmitted by friends and relatives Herbert Parnes Industrial and Labor Relations Review Education in the United Kingdom Colin Brock, 2015-01-29 Education in the United Kingdom is a comprehensive critical reference guide to education in England Scotland Wales Northern Ireland The Isle of Man The Channel Islands Gibraltar The Cayman Islands Bermuda Anguilla and The British Overseas Territories Although generically similar in education structures the various components of the United Kingdom have separate systems with some very distinctive differences The chapters written by regional experts offer a review of contemporary national and regional educational structures and policies research innovation and trends Some of the themes covered include issues relating to the partition of Ireland differences between maintained and independent schooling language issues and radical alternatives in

teacher education Including a comparative introduction to the issues facing education in the region as a whole and guides to available online datasets this book is an essential reference for researchers scholars international agencies and policy makers

Routledge Revivals: Schooling Ordinary Kids (1987) Phillip Brown, 2018-02-01 Originally published 1987 Schooling Ordinary Kids looks at the invisible majority of ordinary working class pupils The book explains why these pupils are now at the centre of a major educational crisis surrounding the soaring rates of youth unemployment The book is a timely examination of educational inequalities unemployment and the new vocationalism Drawing extensively the study of schools in the urban centre of South Wales the book highlights the need for an alternative politics of education if we were to meet the educational challenge of the late twentieth century The new vocationalism is revealed here as a policy for inequality both politically and in the classroom

Working Hard and Making Do Margaret K. Nelson, Joan Smith, 1999-05-24 A well crafted carefully researched study that will add a new dimension to the ongoing discussion about the impact of economic restructuring on families and communities This well written carefully researched book challenges the conventional notion of the formal and informal economy as polarized alternatives The working class households Nelson and Smith studied rely simultaneously on both sectors and inequality among these households is shaped not by dependence on one rather than the other but by access to desirable positions in both Their gender analysis exposes the distinctive economic contributions of men and women to the working class household and the ways in which gender inequality shapes survival strategies Ruth Milkman author of Farewell to the Factory

Japanese Management Techniques and British Workers Andy Danford, 2013-12-02 Analyzing the impact of Japanese style management techniques such as lean production teamworking kaizen continuous improvement and business unionism of factory workers this text investigates different facets of the organization of the labour process and employment relations within 15 Japanese transplants in South Wales There is an emphasis on the impact of the restructuring of workplace relations on both individual groups of workers and collective labour organization The text provides an insight into the reality of factory life in the 1990s by incorporating descriptions of shop floor observations quantitative data and revealing comments from different grades of shop floor workers office workers and management

Work, Consumption and Culture Paul Ransome, 2005-01-19 The central question in Work Consumption and Culture is whether consumption has now displaced production as the defining factor in the lives of those in the industrialized West This book offers a comprehensive review of the key issues in the production consumption debate and where it might lead in the future Key to Paul Ransome's argument is the hypothesis that affluence is the crucial factor in the shift away from work and towards consumption Uniquely emphasizing the links between work consumption and culture rather than keeping each element separate the author looks at the changing significance of work in society the meaning growth and significance of affluence the growing importance of consumption as a source of identity and its implications the impact of the shift to consumption on work life balance Work Consumption and Culture engages the reader with its lively debating style It is an

essential introduction for sociology and cultural studies students on courses relating to consumption and the role of work in contemporary society This book offers a balanced account of the changing importance of work and consumption in contemporary industrial society Clearly written the author identifies the central role that affluence plays in the relationship between work and consumption and in the development of social life and individual identity Professor Paul Blyton Cardiff Business School

Understanding The Local Media Aldridge, Meryl, 2007-04-01 How will local media deal with the challenge of the Internet How important is regional news to the nations of the UK What does the future hold for newspapers regional television and local radio news Most adults in the UK read a local newspaper regional news bulletins are among the most watched on television and local radio has a loyal following This is hardly surprising as for most people the everyday activities of life take place within familiar local territory Even though the majority of political and economic decisions affecting daily life are taken far away and are shaped by global processes their impact is experienced locally Local media are vital if there is to be an effective arena for informed debate about these issues But despite being both popular and politically important local media are often overlooked on media related courses and in discussions of the role of the media in contemporary society Understanding the Local Media addresses this gap by explaining how regional newspapers and broadcast news are owned regulated and organized how these factors produce the outputs we see and hear what we know of audiences attitude to them and discusses local media as places of work Meryl Aldridge brings issues alive by the extensive use of real examples and offers a fascinating insight into this media sector for students and teachers on academic and professional media courses It also provides stimulating reading for anyone interested in UK media today

Unmasking age Bill Bytheway, 2011-06-29 What is age A simple question but not that easy to answer Unmasking Age addresses it using data from a series of research projects relating to later life This is supplemented by material from a range of other sources including diaries and fiction Drawing on a long career in social research Bill Bytheway critically examines various methods and discusses ways of uncovering the realities of age

Placing Friendship in Context Rebecca G. Adams, Graham Allan, 1998 A unique collection bridging social psychological and social structural research to advance understanding of friendship

A Feminist Glossary of Human Geography Linda McDowell, Joanne Sharp, 2014-05-01 A Feminist Glossary of Human Geography is the first guide to the main theories concepts and terms commonly used in geographical debates about gender relations Written by key contributors to feminist theory it contains over 400 lively and accessible definitions of the terms found in feminist debates which students of geography need to know Four levels of entry are used from 50 to 1500 words taking account of the varying degrees of complexity of the terms covered From AIDS to witch from abortion to whiteness this Glossary is cross referenced throughout and includes a comprehensive bibliography It is an invaluable reference for anyone studying geography and gender enabling them to approach the terminology of feminist theory and ideas with confidence

Discovering Men David H. J. Morgan, 2024-11-01 Feminism has put the critical study of men and

masculinities firmly on to the academic agenda First published in 1992 *Discovering Men* explores key issues in this field of study looking at the theoretical practical and political difficulties that arise when men begin to study themselves and considering the deep assumptions that underlie this area of enquiry The author investigates the various strategies that may be adopted in exploring men and masculinities drawing constantly on feminist critique of men s theoretical and everyday practice He recommends a critical re reading of classic sociological texts to bring out the hidden stories about masculinities that they tell and re examines well documented areas within sociology focusing on studies of men at work He analyses situations where masculinity may be problematic such as male unemployment shifts in the gender balance in the workplace and historically the suffrage movement *Discovering Men* is one of the first books to focus on issues of methodology and epistemology and to explore the difficulties of men studying men in a patriarchal society It will be beneficial for students and researchers of sociology gender studies women studies social history and research methodology Social Networks and Social Exclusion Graham Allan,2017-03-02 How important are social networks to daily life There is now substantial evidence that attachment to a network may be vital in securing employment in promoting good health in maintaining positive relationships and in supporting people in transitions through the life course Equally lack of access to networks may lead to problems of various kinds such as poverty lack of support in old age and social isolation Providing an overview of the social network literature with a particular focus on the USA and Britain this illuminating volume reviews the range of social issues and concerns associated with the social network perspective Examples of quantitative and qualitative studies are given using a broad network approach and the volume concludes with a discussion of the implications for social and public policy of a network perspective *Gender, Work and Community After De-Industrialisation* V. Walkerdine,L. Jimenez,2012-01-17 How does an industrial community cope when they are told that closure is inevitable What if this is only the last in a 200 year long line of threats insecurities and closure How did people weather the storms and how do they face the future now While attempts to regenerate communities are everywhere we do not often hear from the people themselves just how they managed to create safe collective spaces or how the fall of the whole house of cards brought with it effects which can be felt by young people who never knew the town when it was an industrial heartland We hear the story of how men and women tried to cope and still want to retain their community in the face of its destruction What can they and will they have to pass to the next generation and where will that leave the young people themselves who have nothing to stay for but are unable to leave This book examines these crucial questions facing post industrial societies **Community Care, Ideology and Social Policy** Harry Cowen,2018-10-08 This book offers a comprehensive evaluation of community care strategies within the context of government social policy and assesses the recent shifts of political power from Conservative to Labour towards the end of the century Unlike the majority of texts in the field of community care it makes explicit the historical philosophical social and political inter connections and therefore provides an in depth understanding of changing policy issues for students

practitioners and managers in health and social care

Routledge Library Editions: Welfare and the State

Various, 2021-07-14 The volumes in this set originally published between 1940 and 1994 draw together research by leading academics in the area of welfare and the state and provide a rigorous examination of related key issues The volume examines the concepts of welfare in relation to the state through the areas of policy making social administration class division and social inequality social policy and privatization whilst also exploring the general principles and practices of the welfare state in various countries This set will be of particular interest to students of sociology politics economics social work respectively

The Changing Shape of Work Richard K. Brown, 2016-07-27 The contributors provide critical accounts of the transformation of work and employment during the final quarter of the twentieth century They draw on their own and others current research to identify the origins and consequences of these developments and illustrate their impact on society organizations individuals and communities Wide ranging reviews of changes in labour markets and employment practices provide the context for detailed studies including the feminization of work informal working responses to unemployment organizational culture and Total Quality Management

Class Practices Fiona Devine, 2004-04-29 This important new book is a comparative study of social mobility based on qualitative interviews with middle class parents in America and Britain It addresses the key issue in stratification research namely the stability of class relations and middle class reproduction Drawing on interviewee accounts of how parents mobilised economic cultural and social resources to help them into professional careers it then considers how the interviewees as parents seek to increase their children's chances of educational success and occupational advancement Middle class parents may try to secure their children's social position but it is not an easy or straightforward affair With the decline of the quality of state education and increased job insecurity in the labour market since the 1970s and 1980s the reproduction of advantage is more difficult than in the affluent decades of the 1950s and 1960s The implications for public policy especially public investment in higher education are considered

The Politics of the Welfare State Ann Oakley, Susan Williams, 2018-07-20 Originally published in 1994 The Politics of the Welfare State looks at how the privatization and marketization of education health and welfare services in the past decade have produced a concept of welfare that is markedly different from that envisaged when the welfare state was initially created Issues of class gender and ethnicity are explored in chapters that are wide ranging but closely linked The contributors are renowned academics and policy makers including feminist and welfare historians highly regarded figures in social policy influential critics of recent educational reforms and key analysts of current reform in the health sector

Getting the books **Redundancy And Recession In South Wales** now is not type of inspiring means. Redundancy And Recession In South Wales Introduction

In the digital age, access to information has become easier than ever before. The ability to download Redundancy And Recession In South Wales has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Redundancy And Recession In South Wales has opened up a world of possibilities. Downloading Redundancy And Recession In South Wales provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Redundancy And Recession In South Wales has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Redundancy And Recession In South Wales. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Redundancy And Recession In South Wales. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Redundancy And Recession In South Wales, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites.

they are downloading from. In conclusion, the ability to download Redundancy And Recession In South Wales has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
