Redwood Road Allen Scarbrough,2001-09-17 Redwood Road is the story of Rick Blaine as he leaves the hometown of his youth for a new job amongst the redwoods of California Along the way he meets the love of his life Melissa Conrad and he wins and subsequently loses her due to his own human frailties Along with his coworkers Rick and the staff seek the meaning of life in the outback of the redwood forest **Kiowa Command** Jon Sharpe,1995 Skye Fargo in a savage womanhunt on a southwest trail of slaughter New England Women Writers, Secularity, and the Federalist Politics of Church and State Gretchen Murphy,2021-02-10 Drawing on literature correspondence sermons legal writing and newspaper publishing this book offers a new account women s political participation and the process of religious disestablishment Scholars have long known that eighteenth and nineteenth century American women wrote pious sentimental stories but this book uses biographical and archival methods to understand their religious concerns as entry points into the era s debates about democratic conditions of possibility and the role of religion in a republic Beginning with the early republic s constitutional and electoral contests about the end of religious establishment and extending through the nineteenth century Murphy argues that Federalist women and Federalist daughters of the next generation adapted that party s ideas and fears by promoting privatized Christianity with public purpose Harriet Beecher Stowe Catharine Sedgwick Lydia Sigourney Judith Sargent Murray and Sally Sayward Wood authorised themselves as Federalism s literary curators and in doing so they imagined new

configurations of religion and revolution faith and rationality public and private They did so using literary form writing in gothic sentimental and regionalist genres to update the Federalist concatenation of religion morality and government in response to changing conditions of secularity and religious privatization in the new republic Murphy shows that their project both complicates received narratives of separation of church and state and illuminates the problem of democracy and belief in postsecular America *Colorado Quarry* Jon Sharpe,1992 Skye Fargo has to blaze a trail through savage Pawnee Territory but the Pawnee aren t as dangerous as two torrid temptresses who like to kiss and kill Fargo is forced to deal with the Indians and the deadly women with his only available weapons his bare hands California's Redwood Wonderland, Humboldt County Delmar L.
