Reid,2010-01-18 Grodner and Reid present the first professional book that attempts to permanently change health behaviors using Ericksonian Hypnotherapy This book provides mental health professionals with a practical resource that will help them initiate permanent habit change in their clients lives Hypnotherapy has been proven to help people break poor eating habits quit smoking reduce alcohol and drug consumption and manage stress The book provides eclectic and innovative behavioral and naturalistic interventions that can be individually tailored to help clients regain control of their lives The authors offer specific strategies processes metaphors images reframing techniques task assignments and other innovative techniques for managing unwanted habits beginning with the initial client contact and continuing through relapse

prevention and follow up reinforcement sessions Assists practitioners in helping clients understand and access their internal resources to help them initiate permanent habit control Demonstrates how to employ the Enneagram a profound psychological and spiritual tool for understanding the self and offering pragmatic insight to initiate behavioral changes Presents case histories from the authors own clinical work to illustrate the interventions in practical and strategic ways Includes end of chapter activities to improve skills such as generating individualized treatment plans and conducting personality assessments Hypnotherapy serves as a less expensive alternative approach for improving the quality of life and helping people adopt healthier lifestyles through behavioral change **The Hidden Musicians** Ruth Finnegan,Ruth H. Finnegan,2007-08-30 A classic ethnography reveals the worlds of amateur musicians Back in print with a new preface A landmark in the study of music and culture this acclaimed volume documents the remarkable scope of amateur music making in the English town of Milton Keynes It presents in vivid detail the contrasting yet overlapping worlds of classical orchestras church choirs brass bands amateur operatic societies and amateur bands playing jazz rock folk and country Notable for its contribution to wider theoretical debates and its influential challenge to long held assumptions about music and how to study it the book focuses on the practices rather than the texts or theory of music rejecting the idea that only selected musical traditions great names or professional musicians are worth studying This opens the door to the invisible work put in by thousands of local people of diverse backgrounds and how the pathways creatively trodden by amateur musicians have something to tell us about both urban living and what it is to be human Now with a new preface by the author this long awaited reissue of *The Hidden Musicians* will bring its insights and innovations to a new generation of students and scholars

Baroque Woodwind Instruments Paul Carroll,2017-07-05 The late 17th century through to the end of the 18th century saw rapid progress in the development of woodwind instruments and the composition of a vast body of music for those instruments During this period a large amount of music for domestic consumption was written for a growing amateur market a market which has regrown in the latter part of the 20th century The last 30 years has also seen the standard of performance by professionals on these instruments rise enormously This book provides a guide to the history of the four main woodwind instruments of the Baroque the flute oboe recorder and bassoon and this is complemented by a repertoire list for each instrument It also guides those interested towards a basic technique for playing these instruments a certain level of musical literacy is assumed and it can be used by students professionals and amateurs Advice is also given on buying a suitable reproduction instrument from a market where now virtually any Baroque instrument can be obtained as a faithful copy This is the first book of its kind and has its origins in the wind tutors of the 18th century *The Clarinet in the Classical Period* Albert R.
