American Magazine of Art ,1931 **Intricate Palette** P. Bruce Uhrmacher, Jonathan Matthews, 2005 For graduate level Curriculum Art Education and Qualitative Research courses With contributions from some of the leading figures in the field this is an insightful analysis and evaluation of the intricate palette that is the work of Elliot Eisner through a reexamination of Eisner s seminal writings After an introduction to Eisner s basic ideas and their origins in his personal experience the heart of the book comprises four sections that address Eisner s impact on curriculum qualitative evaluation and research the arts in education and teaching teacher education and reform A reflective final chapter serves as an epilogue providing observations from all of the previous chapters

The American Organist ,1989 *The Coming Race War?* Richard Delgado, 1996-05 In The Washington Post Julius Lester praised Richard Delgado s The Rodrigo Chronicles Conversations about America and Race as free of cant and ideology an excellent starting place for the national discussion about race we so desperately need The New York Times has hailed Delgado as a pioneer in the study of race and law and the Los Angeles Times has compared his storytelling style to Plato s Dialogues In The Coming Race War Delgado turns his attention to the American racial landscape in the wake of the mid term elections in 1994 Our political and racial topography has been radically altered Affirmative action is being rolled back immigrants continue to be targeted as the source of economic woes and race is increasingly downplayed as a source of the nation s problems Legal obstacles to racial equality have long been removed we are told so what s the problem And yet the plight of the urban poor

grows worse The number of young black men in prison continues to exceed those in college Informal racial privilege remains entrenched and systemic Where asks Delgado in this new volume will this lead Enlisting his fictional counterpart Rodrigo Crenshaw to untangle the complexities of America's racial future Delgado explores merit and affirmative action the nature of empathy and more commonly false empathy and the limitations of legal change Warning of the dangers of depriving the underprivileged of all hope and opportunity Delgado gives us a dark future in which an indignant white America casts aside once and for all the spirit of the civil rights movement with disastrous results **Arts & Humanities Citation Index**, 1998

Landscapes Virginia A. Arnold, 1989 **Working with High-Risk Youth** Peter Smyth, 2023-12-28 This fully revised and expanded second edition focusses on high risk youth whose struggles include neglect and abuse alcohol and drug abuse the risk of being exploited mental health issues and the inability to self regulate and trust a population of youth that government child welfare services and community agencies struggle to serve adequately The focus has traditionally been on punishment consequence interventions and demanding compliance but experience and research shows that they can be better served through relationship based practice incorporating harm reduction principles resiliency and strength based approaches community collaboration and an understanding that these youth typically come from experiences of early trauma impacting their brain development and their ability to form attachments With new material on attachment trauma and brain development the perfect storm youth how to end relationships shame and societal divisions this book provides an overview of the Get Connected practice framework and philosophy which has been successfully used in Canada and New Zealand and provides strategies for engaging and working with the most disconnected challenging and troubled youth in society It will be required reading for all agency service providers community outreach workers youth workers group home workers probation officers foster parents adoptive parents service navigators counsellors addictions workers mental health workers teachers youth group leaders and youth pastors advisors in religious settings and camp counsellors Our War David Harris, 1996 David Harris was the most famous draft resister of the Vietnam War A former student body president of Stanford University he refused to accept induction and he sent to Vietnam As a consequence he spent nearly two years in a federal prison With his marriage to Joan Baez he emerged as the leading moral voice of his generation For the past two decades he has largely remained silent as the antiwar movement he led stood accused by critics and politicians of everything from cowardice to stab in the back betrayal to frivolity Now in Our War he speaks out in defense of a generation torn by one of the more divisive wars in America's history Neither a history nor an autobiography though containing aspects of both Our War is a compelling even fevered account of stalking the war's moral shadow through the decades since its ignominious end It is a powerful rumination on the war the protest movement and America's need even now so many years later for a reckoning Our War is a one of a kind look at who we were what we did why we did it and what those actions made of us seen through the eyes of a unique and significant American figure and one of our most gifted writers Part memoir part polemic all passion Our War is a
