**Resources in Education**, 2000-04 T&T Clark Handbook of Asian American Biblical Hermeneutics Uriah Y. Kim, Seung Ai Yang, 2019-05-30 The first reference resource on how Asian Americans are currently reading and interpreting the Bible this volume also serves a valuable role in both developing and disseminating what can be termed as Asian American biblical hermeneutics The volume works from the important background that Asian Americans are the fastest growing ethnic racial minority population in the USA and that 42% of this group identifies as Christian This provides a useful starting point from which to examine what may be distinctive about Asian American approaches to the Bible Part 1 of the Handbook describes six major ethnic groups that make up 85% of Asian population by country of origin China Philippines Indian Subcontinent Vietnam Korea Japan and outlines the specific concerns each group has when its members read the Bible Part 2 of the Handbook examines major critical methods in biblical interpretation and suggests adjustments that may be helpful for Asian Americans to make when they are interpreting the Bible Finally Part 3 provides 25 interpretations by Asian American biblical scholars on specific texts in the Bible using what they consider to be Asian American hermeneutics Taken together the Handbook interprets the Bible both with and for the Asian American communities

Race, Nation, War Ayanna Yonemura, 2019-06-10 This book examines international post 9 11 policies by connecting them to the US violations of Japanese Americans human rights during World War II Analysing the policies of the United States Race Nation War illustrates how ideas of race and masculinity shaped the indefinite leave policy which the government used to move Japanese Americans out of camps during the war With attention to recent American and European policies the author demonstrates that race gender and nation also converge in President Trump s policies on refugees and human rights the German and European migrant crises and related German policies and politics Assayed from a unique city and regional planning perspective Race Nation War will appeal not only to scholars of planning but also to those with interests in American Studies gender studies race and ethnicity sociology history and public policy

**The SAGE Encyclopedia of Filipina/x/o American Studies** Kevin Leo Yabut Nadal, Allyson Tintiangco-Cubales, E.J.R. David, 2022-09-13 Filipino Americans are one of the three largest Asian American groups in the United States and the second

largest immigrant population in the country Yet within the field of Asian American Studies Filipino American history and culture have received comparatively less attention than have other ethnic groups Over the past twenty years however Filipino American scholars across various disciplines have published numerous books and research articles as a way of addressing their unique concerns and experiences as an ethnic group The SAGE Encyclopedia of Filipina x o American Studies the first on the topic of Filipino American Studies offers a comprehensive survey of an emerging field focusing on the Filipino diaspora in the United States as well as highlighting issues facing immigrant groups in general It covers a broad range of topics and disciplines including activism and education arts and humanities health history and historical figures immigration psychology regional trends and sociology and social issues **Children's Books in Print** ,1993

**Advertising Diversity** Shalini Shankar,2015-04-03 In Advertising Diversity Shalini Shankar explores how racial and ethnic differences are created and commodified through advertisements marketing and public relations Drawing from periods of fieldwork she conducted over four years at Asian American ad agencies in New York San Francisco and Los Angeles Shankar illustrates the day to day process of creating and producing broadcast and internet advertisements She examines the adaptation of general market brand identities for Asian American audiences the ways ad executives make Asian cultural and linguistic concepts accessible to their clients and the differences between casting Asian Americans in ads for general and multicultural markets Shankar argues that as a form of racialized communication advertising shapes the political and social status of Asian Americans transforming them from model minorities to model consumers Asian Americans became visible in the twenty first century United States through a process Shankar calls racial naturalization Once seen as foreign their framing as model consumers has legitimized their presence in the American popular culture landscape By making the category of Asian American suitable for consumption ad agencies shape and refine the population they aim to represent
