The Papers of Clarence Mitchell Jr., Volume VI Clarence Mitchell Jr.,2022-08-16 The Civil Rights Act of 1960 aimed to close loopholes in its 1957 predecessor that had allowed continued voter disenfranchisement for African Americans and for Mexicans in Texas In early 1959 the newly seated Eighty Sixth Congress had four major civil rights bills under consideration Eventually consolidated into the 1960 Civil Rights Act their purpose was to correct the weaknesses in the 1957 law Mitchell s papers from 1959 to 1960 show the extent to which congressional resistance to the passage of meaningful civil rights laws contributed to the lunch counter sit ins in Greensboro North Carolina and to subsequent demonstrations The

papers reveal how the repercussions of these events affected the NAACP's work in Washington and how despite their dislike of demonstrations NAACP officials used them to intensify the civil rights struggle Among the act's seven titles were provisions authorizing federal inspection of local voter registration rolls and penalties for anyone attempting to interfere with voters on the basis of race or color The law extended the powers of the US Commission on Civil Rights and broadened the legal definition of the verb to vote to encompass all elements of the process registering casting a ballot and properly counting that ballot Ultimately Mitchell considered the 1960 act unsuccessful because Congress had failed to include key amendments that would have further strengthened the 1957 act In the House representatives used parliamentary tactics to stall employment protections school desegregation poll tax elimination and other meaningful civil rights reforms The fight would continue The Papers of Clarence Mitchell Jr series is a detailed record of the NAACP leader's success in bringing the legislative branch together with the judicial and executive branches to provide civil rights protections during the twentieth century

The Marcus Garvey and Universal Negro Improvement Association Papers, Volume XIII Marcus Garvey, 2016-04-07 Volume XIII of The Marcus Garvey and Universal Negro Improvement Association Papers covers the twelve months between the UNIA's second international convention in New York in August 1921 and the third convention in August 1922 It was a particularly tumultuous time for Garvey and the UNIA Garvey's relationship with the UNIA's top leadership began to fracture the U S federal government charged Garvey with mail fraud and his Black Star Line operation suffered massive financial losses This period also witnessed a marked shift in Garvey's rhetoric and stance as he retreated from his previously radical anticolonial positions sought to court European governments as well as the leadership of the Ku Klux Klan and moved against his political rivals Despite these difficult and uncertain times Garveyism expanded its reach throughout the Caribbean archipelago which as Volume XIII confirms became the UNIA's de facto home in the early 1920s The volume's numerous reports from the UNIA's Caribbean divisions and chapters describe what it was like for UNIA activists living and working under extremely repressive circumstances The volume's major highlight covers the U S military's crackdown on the UNIA in the Dominican Republic as documented in the correspondence between John Sydney de Bourg whom Garvey had dispatched to monitor the situation and U S and British government officials In addition to UNIA divisional reports and de Bourg's extensive correspondence Volume XIII contains a wealth of newspaper articles political tracts official documents and other sources that outline the complex responses to Garveyism throughout the United States the Caribbean and Europe all the while documenting this watershed moment for Garvey and the UNIA
