Reflecting Men Sally Cline, Dale Spender, 1987 Reflecting Men at Twice Their Natural Size Sally Cline, Dale Spender, 1987 **Feminist Theology** Ann Loades, 1990-01-01 This timely selection of readings represents the work of some of the best and most influential writers the Christian feminist movement has produced both in Britain and America With its helpful introduction and editorial commentary it will be warmly welcomed by all who wish to be better informed about the wide range of key theological issues now being addressed by feminist thinkers *The Arvon Book of Life Writing* Sally Cline, Carole Angier, 2010-08-10 Fascinating wide ranging hugely knowledgeable an indispensable guide and a beguiling education William Boyd Packed with insights and advice just the inspiration to start writing Jenny Uglow Everyone has a story This book shows how the best writers tell them and offers advice on how to tell them yourself Biographers Sally Cline and Carole Angier teach life writing an area of creative writing that is exploding in popularity at the world famous Arvon Foundation They have distilled the essence of their popular course on memoir autobiography and biography into this wide ranging book The Arvon Book of Life Writing offers three fascinating ways into the genre First reflections on their trade by the authors exploring its special challenges truth memory ethics evidence and interpretation Second personal tips and tales from 32 top British and American life writers autobiographers and memoirists literary sports and celebrity biographers plus a critic an agent a literary editor two novelists and a ghost writer Third a practical guide complete with exercises designed for use in creative writing courses or by individual writers at home No other book contains such detailed witty and professional advice on the genre **Representing Reason** Rachel Joffe Falmagne, Marjorie Hass, 2002-10-16 Philosophy's traditional man of reason independent neutral unemotional is an illusion That's because the man of reason ignores one very important thing the woman As feminist philosophy grew in the 1980s and 90s it became clear that the attributes philosophical tradition wrote off as womanly are in fact part of human nature No longer can philosophy maintain the dichotomy between the rational man and the emotional woman but must now examine a more complex human being able to reason and feel Yet feminist philosophy also makes it clear that men and women theorize the world in different ways from different perspectives Representing Reasons Feminist Theory and Formal Logic collects new and old essays that shed light on the underexplored intersection of logic and feminism The papers in this collection cross over many of the traditional divides between continental and analytic philosophy between philosophical reflection and empirical investigation and between empirical investigations with an individual or societal grain of analysis This is possible because Representing Reasons frames the relationship between logic and feminism in terms of issues rather than historical figures or methodologies As such the articles serve as a model for crossing these divides just as they break down the traditional divide between logic and feminism *The Gender Question In Education* Ann Diller, 2018-10-08 In this innovative book four prominent philosophers of education introduce readers to the central debates about the role of gender in educational practice policymaking and theory More a record of a

continuing conversation than a statement of a fixed point of view The Gender Question in Education enables students and practicing teachers to think through to their own conclusions and to add their own voices to the conversation Throughout the authors emphasize the value of a gender sensitive perspective on educational issues and the relevance of an ethics of care for educational practice Among the topics discussed are feminist pedagogy gender freedom in public education androgyny sex education multiculturalism the inclusive curriculum and the educational significance of an ethics of care The multiauthor dialogic structure of this book provides unusual breadth and cohesiveness as well as a forum for the exchange of ideas making it both an ideal introduction to gender analysis in education and a model for more advanced students of gender issues

Religion in Today's World Melissa Wilcox, 2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective

Shrinking Violets and Caspar Milquetoasts Patricia McDaniel, 2003-11 Since World War II Americans attitudes towards shyness have changed The women s movement and the sexual revolution raised questions about communication self expression intimacy and personality leading to new concerns about shyness At the same time the growth of psychotherapy and the mental health industry brought shyness to the attention of professionals who began to regard it as an illness in need of a cure But what is shyness How is it related to gender race and class identities And what does its stigmatization say about our culture In *Shrinking Violets and Caspar Milquetoasts* Patricia McDaniel tells the story of shyness Using popular self help books and magazine articles she shows how prevailing attitudes toward shyness frequently work to disempower women She draws on evidence as diverse as 1950s views of shyness as a womanly virtue to contemporary views of shyness as a barrier to intimacy to highlight how cultural standards governing shyness reproduce and maintain power differences between and among women and men
