Practical Theology for Aging Derrell R. Watkins, 2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the assurance that aging is part of God's great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well Practical Theology for Aging reveals several barriers to the spiritual wellness of our elders These include society's stereotypical views of frailty and incompetence in older people the lack of common support by communities of faith and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging suffering and death Each barrier can be overcome by utilizing the practical theology you will find in this book Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity This book has practical suggestions that address God's purpose for aging why do we have to grow old sexual health for senior citizens the suffering and physical debilitation that sometimes accompany aging afflictions like dementia and Alzheimer's disease and how to minister to the unresponsive the inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury preaching to senior citizens as opposed to preaching to a younger congregation so much more Practical Theology for Aging presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women Whether you are a religious leader caretaker family member or esteemed elder this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community **The Living Church**, 1999 **Grateful Heart, The: Living the Christian Message**

Does God expect women who've lived faithfully most or all our lives to continue to grow in Christ as we age into our later decades? Absolutely Not only does God want us to keep on maturing but God provides the path to spiritual growth God hardwired us to blossom into a new realm of spirituality as we age. Aging in Spirit provides a blueprint for developing the type of greater love, compassion, understanding, and acceptance that Jesus taught as we move into our elder years so we can continue to be the hands and feet of God until the end of our lives.

Reflections on Old Age Cornelius F. Murphy Jr., 2015-04-07 The English writer E. M. Forster described old age as a seductive combination of increased wisdom and decaying powers to which too little intelligence is devoted. This book is a response to that criticism. It explains how old age has been considered throughout the ages by philosophers, poets, and other literary figures and explores how the extraordinary increase of life expectancy that began in the last century has been sustained by science and medicine. Unfortunately, the general public still prefers to keep the elderly out of sight and especially out of mind. To overcome this marginalization, I call for the emergence of a more inclusive humanism, one that is welcoming to persons of all ages. To overcome the pervasive isolation of the elderly, requires a new dialogue across all the living generations. Echoing the sentiments of Cicero in his classic study of old age, I also call for a reflective maturity to develop among the elderly, one that reaches deeply into themselves and increases their understanding of the world around them. Spiritual maturity demands growth in virtue and charity in the advance of years. A
