

A scenic landscape featuring a calm lake in the foreground, a dense forest of evergreen trees in the middle ground, and majestic mountains in the background. The mountains are partially shrouded in mist or low clouds, creating a serene and atmospheric scene. The sky is overcast with soft, grey clouds.

Dreams are life, real life, not simply  
reflections. Dreams are honest.

*and Dreaming in the Roman Empire* Juliette Harrisson, 2013-07-04 The history and literature of the Roman Empire is full of reports of dream prophecies dream ghosts and dream gods This volume offers a fresh approach to the study of ancient dreams by asking not what the ancients dreamed or how they experienced dreaming but why the Romans considered dreams to be important and worthy of recording Dream reports from historical and imaginative literature from the high point of the

Roman Empire the first two centuries AD are analysed as objects of cultural memory records of events of cultural significance that contribute to the formation of a group's cultural identity The book also introduces the term cultural imagination as a tool for thinking about ancient myth and religion and avoiding the question of belief which arises mainly from creed based religions The book's conclusion compares dream reports in the Classical world with modern attitudes towards dreams and dreaming identifying distinctive features of both the world of the Romans and our own culture
