only way to fully grasp the intensity of the experience of motherhood is to actually live through it In this sense the significance of documenting the motherhood experience is to capture the emotions and the reality of being a mother I hope to put images to the continual conversation conflict and emotional battle that wages inside of me I feel driven to document this experience not only to preserve these feelings for my own sake but also to shed light on what I see as a misperception of motherhood My experience with motherhood as subject matter for my artwork has led me to feel a sense of judgment that to talk about motherhood in a fine art context is almost by nature taboo I find this strange as certainly we all have or have had mothers I hope to question this perceived negativity in the discussion of this relationship I also desire to give those who share my feelings regarding motherhood a voice to be confident in their experience their love for their children and to celebrate the common yet extraordinary role of being a mother This Is Motherhood Jill Koziol, Liz Tenety, 2019-03-12 By Moms for Moms Redefining Motherhood for a New Generation With This Is Motherhood the cofounders and contributors of the Motherly online community present a collection of essays and practices to celebrate motherhood in all its complexity Here you ll find reflections on each phase of the wild ride of motherhood including the soaring highs of meeting your new baby the ground shaking lows that make you doubt everything you ve ever known and all the beauty and pain in between Each chapter closes with practices from Motherly's team of wellness experts to help you define clarify process and celebrate your journey This book was created to inspire and guide you through some of the most miraculous and stressful milestones of your life such as New Mama get ready for the mysterious unpredictable and beautiful start to your new life as a mother Firsts each step is brand new to you and your baby and a chance to discover your way to learn and love Mental Load even with the worries the to do lists the midnight emergencies you deserve time and attention too Village how to find the support that s all around you because you aren t meant to do this alone Transformation discover and embrace the powerful loving capable woman who s been molded by motherhood There are many ways to get motherhood right It s not your mother s path or your sister's path or that seemingly perfect mom from your kid's preschool's path It's yours You get to define and redefine along the way your experience of motherhood And you are not alone Each essay in This Is Motherhood is a letter to you from one mama to another to remind you that your feelings are normal That you re doing an amazing job That you re stronger than you even realize Most of all You ve got this mama **Reflections on Motherhood** Katrina Fried, 1997 The stoplight is always green on Main Street And you ll see green in your bottom line with unstoppable gift book sales of our Main Street Editions Main Street Editions make a perfect personal gift at an unbeatable price Strength of character Inner peace Knowing what really matters in life These are the virtues that have made Believing in Ourselves the best selling title in our Little Books line Capitalizing on that universal desire for serenity and self assurance these beautiful books provide additional ways to pave a pathway to spiritual growth **In Celebration of Mothers** Trisha Faye, 2016-10-22 A mother listening to her child s heartbeat A mother soothed as she holds her son s hand A daughter grateful for the pearls of wisdom from her mother
