Everest, H. (2003). Paper and Rock: Living the American Dream. New York: HH and Company.

In this book, the author presents a so-defined experiential research, attempting to determine whether it is highly possible for an individual to live as a minimum wage earner in the USA.

Peters, R. (2005). The Cost of Living in America- Expensive or Not? California: AA Publishing.

As an experienced journalist, Peters is completely aware of all the limitations in her experiment, including ethical implications involved. As such, she presents a clear debate in identifying whether the cost of living in America is considered as expensive or not.

Diethers, O. (2004). Why More People Want to Enter America. Ohio: Stem Press.

The author is forthcoming when it comes to explaining her methods, supplementing all of her experiences with scholarly and experimental research on her workplace, the economy, as well as the documented increasing cost of living in the USA.

## **Refugees Gender And Human Security A Theoretical Introduction And Annotated Bibliography:**

Refugees, Gender and Human Security Ellen Lammers, 1999 The concept of gender      **Human Security and International Law** Barbara von Tigerstrom, 2007-12-12 The concept of human security has influenced discourse and practice and has been the subject of vigorous debate Despite its relevance to central questions of international law human security has until recently received little attention from international lawyers This book has two related goals to evaluate human security as a concept that could be used in the analysis of international law and to determine what insights about a human security approach might be gained by considering it from the perspective of international law The first part of the book examines the evolution and meanings of the concept and its links with existing theories and principles of international law The second part explores the ways in which human security has been and could be used in relation to the diverse topics of humanitarian intervention internally displaced persons small arms control and global public health The analysis sheds new light on debates about the concept s potential and limitations      Global Environmental Change and Human Security Richard A. Matthew, Jon Barnett, Bryan McDonald, Karen L. O'Brien, 2009-10-09 Experts discuss the risks global environmental change poses for the human security including disaster and disease violence and increasing inequity In recent years scholars in international relations and other fields have begun to conceive of security more broadly moving away from a state centered concept of national security toward the idea of human security which emphasizes the individual and human well being Viewing global environmental change through the lens of human security connects such problems as melting ice caps and carbon emissions to poverty vulnerability equity and conflict This book examines the complex social health and economic consequences of environmental change across the globe In chapters that are both academically rigorous and policy relevant the book discusses the connections of global environmental change to urban poverty natural disasters with a case study of Hurricane Katrina violent conflict with a study of the decade long Nepalese civil war population gender and development The book makes clear the inadequacy of traditional understandings of security and shows how global environmental change is raising new unavoidable questions of human insecurity conflict cooperation and sustainable development Contributors W Neil Adger Jennifer Bailey Jon Barnett Victoria Basolo Hans Georg Bohle Mike Brklacich May Chazan Chris Cocklin Geoffrey D Dabelko Indra de Soysa Heather Goldsworthy Betsy Hartmann Robin M Leichenko Laura Little Alexander L pez Richard A Matthew Bryan McDonald Eric Neumayer Kwasi Nsiah Gyabaah Karen L O'Brien Marvin S Soroos Bishnu Raj Upreti

Gender, Movement and Safety Jasmin Lilian Diab, 2019-02-18 This book looks into the sexual assault of irregular illegal immigrant women and girls throughout their arrival to the European Union borders and borderlands between the period of 2011 and 2018 through an Intersectional lens It intends to analyze this sensitive human rights issue through grasping the cultural obstacles and procedures at European borders which have fueled the violation of this fragile migrant group s human rights while also supporting this argument with academic research statistical data and reports on irregular migration from

international and regional organizations security mechanisms at borders and statistics on sexual abuse and exploitation during the aforementioned period It intends to explore the manner in which several factors and developments at European borders and in the borderlands have resulted in a more dangerous migration journey for these women and girls as well as the manner in which these developments further perpetuate the likelihood of sexual violence of migrants and female migrants in particular This book aims to comprehend the linkages between academic research and the supporting statistical information through the lens of Intersectionality Theory a theory which will allow for the issue to be tackled across its different layers and across all the intersections and overlaps these layers create This book highlights multiple instances of sexual violence throughout the journey and upon arrival of these migrant women and girls to the European borders and borderlands and subsequently emphasizes that these events further perpetuate the vulnerability to sexual assault for irregular migrant women due to the very illegal nature of their journeys Through this lens this process is examined across power dynamics security legal status and gender Through examining these realities and power systems it becomes evident that this particularly vulnerable group of women and girls from developing countries escaping war economic burdens and conflict are ostracized and subordinated in a number of interconnected patterns This book highlights a need for more gender sensitive policies because the group of women in question has close to no viable resource for justice within a system that currently acts against them and views them as criminal or illegal Transnational America Inderpal Grewal,2005-06-28 A study of South Asian Americans which views both their identity and that of America as constructed transnationally between the U S and India

*Refugees and the Transformation of Societies* Philomena Essed,Georg Frerks,Joke Schrijvers,2004-06-01 The refusal or reception of refugees has had serious implications for the social policies and social realities of numerous countries in east and west Exploring experiences interpretations and practices of refugees the internally displaced and returnees in or emerging from societies in violent conflict this volume challenges prevailing orthodoxies and encourages new developments in refugee studies It also addresses the ethics and politics of interventions by professionals and policy makers using case studies of refugees from or in South Asia the Middle East North Africa Europe and the Americas These illustrate the dynamic nature of situations where refugees policy makers and practitioners interact in trying to construct new livelihoods in transforming societies Without a proper understanding of this dynamic nature so the volume argues overall it is not possible to develop successful strategies for the accommodation and integration of refugees **The Search for Lasting Peace** Rosalind Boyd,2016-02-17 Presenting the human security agenda as a policy response to the changing nature of violent conflicts and war this collection traces its evolution in relation to conflicts in different contexts Burma India Palestine Canada East Timor Guatemala Peru and African countries and from the perspective of gender addresses initiatives for peace with justice Cases are analysed when the human security agenda including UNSC resolution 1325 was in its initial phase and point to both the weakness of the concept and the unexpected direction it has taken These discussions always relevant are

more urgent than ever as gender based violence against women has increased resulting in new UNSC resolutions Some chapters suggest that militarism and economic globalization must be directly confronted Many of the contributors to the volume bridge the gap between academic research and activism as scholar activists with an engaged connection to the situations they are describing Human security remains an active component of policy and academic debates in security studies women s and gender studies development studies history and political economy as well as within NGO communities This rich collection fills a needed gap in the literature and it does so in a language and style that is clear accessible and reader friendly

A Reflexive Inquiry into Gender Research Samantha Van Schalkwyk,2016-01-14 Questions that concern gender and violence against women have been placed firmly on the agenda of interdisciplinary research within the humanities in recent years Gender based violence against women has increased exponentially in South Africa and in other countries on the African continent particularly those with a history of political conflict Researchers who explore such gender issues have paid limited attention to the intersection between the social contexts of the researched the positionality of the researcher and the research product This book brings together an interdisciplinary group of scholars and scholar activists to explore new terrains of knowledge production interrogating the connection between the intellectual project of this kind of research and the process of its production Some chapters draw on theoretical insights and provide new ways of thinking about the kinds of questions that should be asked when conducting research in the field of gender Other authors grapple with an acknowledgement of their multiple social positions in the world the ways in which they experience these ever shifting boundaries and how this influences their theoretical and practical work Some contributions go further discussing the ways in which the researcher and the researched influence each other and the link between feminist research and social change These chapters contribute to an understanding of how social movement activism can be developed Overall this book represents an important combination of scholarly insights and provides multiple reflections about practical aspects of conducting gender research in the African context The work of the contributors to the volume is situated within a post structural feminist agenda and collectively the chapters link scholarship and activism in a way that pursues a social change agenda in research on gender and gender based violence

**Handbook of New Security Studies** J. Peter Burgess,2010-01-22 This new Handbook gathers together state of the art theoretical reflection and empirical research by a group of leading international scholars relating to recent transformations in the field of security studies

induced humanitarian emergencies including Afghanistan Bosnia Iraq Kosovo and Zaire Congo Engendering Migrant Health Denise L. Spitzer, 2011-11-05 Voluntary migrants to Canada are generally healthier than the average Canadian but after ten years in the country they report poorer health and higher rates of chronic disease than those born here Troublingly women particularly those from non European countries experience the most precipitous decline in health What contributes to this deterioration and how can its effects be mitigated Engendering Migrant Health brings together researchers from across Canada to address the intersections of gender immigration and health in the lives of new Canadians Focusing on the context of Canadian policy and society the contributors illuminate migrants testimonies of struggle resistance and solidarity as they negotiate a place for themselves in a new country Topics range from the difficulties of Francophone refugees and the changing roles of fathers to the experiences of queer newcomers and the importance of social unity to communal and individual health *The Polish Wild West* Beata Halicka, 2020-05-12 The incorporation of German territories east of the Oder and Western Neisse rivers into Poland in 1945 was linked with the difficult process of an almost total exchange of population and involved the taking over of a region in which the Second World War had effected an enormous level of destruction The contemporary term Polish Wild West not only alluded to the reigning atmosphere of chaos and survival of the fittest in the Polish German borderland but was also associated with a new kind of freedom and the opportunity to start everything anew The arrival in this region of Polish settlers from different parts of Poland led to Poles Germans and Soviet soldiers temporarily coming into contact with one another Living together in this war damaged space was far from easy On the basis of ego documents the author recreates the beginnings of the shaping of this new society one affected by a repressive political system internal conflicts and human tragedy In distancing oneself from the until recently dominant narratives concerning expellees in Germany or pioneers of the Recovered Territories in Poland Beata Halicka tells the story of the disintegration of a previous cultural landscape and the establishment of one which was new in a colourful and vivid manner and encompassing different points of view **Ways to Survive, Battles to Win** Halleh Ghorashi, 2003 A former Iranian leftist political activist now an assistant professor of anthropology at Vrije Universiteit Amsterdam the Netherlands explores issues of exile and identity among a group of Iranian women forced to leave Iran during or after the Iranian revolution of 1979 weaving in her own experiences as a political exile Annotation c 2003 Book News Inc Portland OR booknews com *Security Sector Transformation in Africa* Alan Bryden, Funmi Olonisakin, 2010 The need for security sector transformation SST is prominent in the work of scholars policy makers and practitioners that focus on the security sector and its governance in Africa At the heart of this approach is the requirement for comprehensive change in the orientation values principles and practices that shape the provision management and oversight of security on the African continent The evident obstacles to achieving such far reaching goals mean that it is particularly important to identify the practical utility of the SST concept in supporting positive behaviour change within different African settings It is also necessary to clarify the

relationship between the concept of security sector transformation and the evolving security sector reform SSR discourse This volume seeks to provide such additional clarity to SST and its relationship to SSR It includes contributions from a range of acknowledged experts analysing dynamics of security sector transformation at the domestic level as well as beyond the state The resulting insights are intended to help elaborate an understanding of the challenges to and opportunities for the realisation of an operational security sector transformation agenda in Africa      **Refugee Survey Quarterly** ,2002
