*The Renewal of Preaching in the Twenty-first Century, Second Edition* David J. Randolph, 2008-07-01 Deep faith meets high tech here in *The Renewal of Preaching in the Twenty first Century* A communications revolution is sweeping through the churches leaving some on fire and others burned out This work shows what makes the difference for church leaders and communities who are using new media to advance Christian preaching Join them by recovering the great tradition and expanding it through creative use encouraged by artists and filmmakers as well as preachers and professors This work explores ways to maximize the promise of preaching and confront the perils leading to the renewal of church and society Beginning with review of the situation today we proceed step by step through the preparation and presentation of the sermon leading to transformation The sermon in the local parish is seen as the microcosm of the macrocosm that is the communication of God s good news

*Deep Preaching* J. Kent Edwards, 2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming

**The Renewed Homiletic** O. Wesley Allen, 2010-04-21 The major shift in the study and practice of preaching in the 1970s and 1980s labeled the New Homiletic turned toward the hearer The purpose of preaching focused less on persuasion and more on transformation less on asserting religious truths and more on offering an experience of the gospel Instead of viewing language as referential its creative evocative nature began to be emphasized Thus homiletical strategies utilizing induction celebration story narrative structures and moves replaced a deductive propositional approach to preaching Now three and a half decades after this shift began preachers recognize that the homiletical landscape has continued to evolve in ways that influence how preaching ought to be done for example the rise of postmodernity the decline of the mainline church cultural pluralism and biblical and theological illiteracy

Those considered to be the pillars of the New Homiletic David Buttrick Fred Craddock Eugene Lowry Henry Mitchell and Charles Rice discuss how to change their homiletical approach for a new day Each of these distinguished scholars offers a lecture describing how his mind has changed preaches a sermon reflecting these changes and participates in a panel discussion with younger respondents Publisher description *The Renewal of Preaching* Karl Rahner,1968 *The Web of Preaching* Richard L. Eslinger,2002 The book is a follow up to Eslinger s earlier A New Hearing the standard text on the varieties of homiletical method since its publication in 1987 BOOK JACKET Quest for Better Preaching Edward F. Markquart,1985 **The renewal of preaching : theory and practice** Karl Rahner,1968 Andrew Fuller and the Evangelical Renewal of Pastoral Theology Keith Grant,2014-07-08 An exploration of the pastoral theology of Andrew Fuller 1754 1815 suggests that evangelical renewal did not only take place alongside the local church missions itinerancy voluntary societies but also within the congregation as the central tasks of dissenting pastoral ministry became in the words of one diarist very affecting and evangelical How did evangelicalism transform dissenting and Baptist churches in the eighteenth century Is there a distinctively congregational expression of evangelicalism And what contribution has evangelicalism made to pastoral theology renewal did not only take place alongside the local church missions itinerancy voluntary societies but also within the congregation as dissenting pastoral ministry became in the words of one diarist very affecting and evangelical

Bradbury,2013-07-18 One of the slogans of the reformation was ecclesia reformata semper reformanda the reformed church always reforming Churches throughout the western world are currently engaged in reform and renewal programmes through internal structural reforms as well as movements such as emerging church This book presents a challenging theology of church reform and renewal that offers a contemporary understanding of this historic slogan Taking an interdisciplinary approach Bradbury discerns processes and practices which are perpetually reforming and renewing the identity of the church It examines doctrinal and confessional conceptions of the church re examines texts concerned with

covenantal renewal and explores Jewish Christian dialogue as an example of renewal A constructive theology is offered utilizing the categories of collective memory and mimetic practice This upholds fundamental Christian identity whilst driving the process of reform and renewal under God in the context of a three way relationship between God the church and the world *The Bible in the Pulpit* Leander E. Keck,1978 Preaching Through Time Casey C. Barton,2017-07-28 As preachers who come to the pulpit before God and before God s people each and every week how do we make sense of the text as we live a new moment of its ongoing story Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths experiences or realities But the gospel is the drama of God appearing to and working with and loving God s people in time Preaching Through Time gives the preacher a timely homiletic for preaching together the times of God s gospel then and now while calling God s people to perform their own roles in today s moment of that gospel drama Anachronism preaching together the moments of God s drama is the language event that will get us from text to timely sermon week by week *Taking Up Preaching* Blayne A. Banting,2023-07-21 As the complexity of our world increases exponentially there is need for preachers to understand their identities and roles in this new reality and to navigate the landscape of the new challenges facing the contemporary church Blayne Banting offers seasoned reflections on how contemporary preachers can build upon what cannot change in ways that frees them to practice their ministries creatively in ways which must change
