Repent In Haste:

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

The Doctrine of Repentance Thomas Watson, 2025-06-01 The two great graces essentials to a saint in this life are faith and repentance These are the two wings by which he flies to heaven Faith and repentance preserve the spiritual life just as heat and radical moisture preserve the natural Watson discusses in this book about repentance Watson does here a marvelous work by reminding us that repentance is both a grace of God bestowed sovereignly and a responsibility of the sinner who is called by the instrumentality of the preaching of the Gospel Watson says Repentance is never out of season it is as frequently used as the artificer s tool or the soldier s weapon If I am not mistaken practical points are more necessary in this age than controversial and polemical This book was originally published in 1668 This edition has been proofread typeset for eBook readers and lightly updated for modern readers
