Repentance A Comparative Perspective

**Amitai Etzioni, Drew Volmert, Elanit
Rothschild**

Repentance A Comparative Perspective:

Repentance Amitai Etzioni, David E. Carney, 2000-01-01 There is no consensus about what someone who has violated society's rules must do in order to be fully restored to the community Although repentance is a prominent idea in religions ranging from Judaism Christianity and Islam to Buddhism and Hinduism its use in civic culture is vague and inconsistent For example is remorse the same as repentance Drawing from a variety of religious and civic perspectives the renowned contributors to this book _from the fields of theology philosophy and the social sciences_ offer a broad understanding of repentance and its many applications The essays question the legitimacy of repentance as a religious concept for the civic culture exploring the way in which the religious origins of repentance might both illuminate and facilitate our civic usage of the idea Excellent for theologians philosophers moral ethicists and anyone asking Who deserves a second chance

Repentance Amitai Etzioni, 1997 **Repentance** Louis E. Newman, 2013-07 An inspiring way to reclaim your integrity and renew your sense of moral purpose Like water teshuvah is both destructive and creative It dissolves the person you were but simultaneously provides the moisture you need to grow anew It erodes the hard edges of your willfulness but also refreshes your spirit It can turn the tallest barriers of moral blindness into rubble while it also gently nourishes the hidden seeds of hope buried deep in your soul Teshuvah like water has the power both to wash away past sin and to shower you with the blessing of a new future if only you trust it and allow yourself to be carried along in its current from Part VII In this candid and comprehensive probe into the nature of moral transgression and spiritual healing Dr Louis E Newman examines both the practical and philosophical dimensions of teshuvah Judaism's core religious moral teaching on repentance and its value for us Jews and non Jews alike today He exposes the inner logic of teshuvah as well as the beliefs about God and humankind that make it possible He also charts the path of teshuvah revealing to us how we can free ourselves from the burden of our own transgressions by Acknowledging our transgressions Confessing Feeling remorse Apologizing Making restitution Soul reckoning Avoiding sin when the next opportunity arises **Repentance and the Return to God** Atif Khalil, 2018-09-21 The first major study of the idea of repentance or tawba in Islam This book offers the first extensive treatment in a European language of tawba in Islam Conventionally translated as repentance tawba includes the broader sense of returning to God Khalil examines this wider notion in the early period of Sufism with a particular focus on the formative years of the tradition between Mu'izz and Abul Hasan Ali Nadwi Beginning with an extensive survey of the semantic field of the term as outlined in Arabic lexicography Khalil offers a detailed analysis of the concept in Muslim scripture He then examines tawba as a complex psychological process involving interior conversion and a complete unwavering commitment to the spiritual life The ideas of a number of prominent figures from the first few centuries of Islam are used to illuminate the historical development of tawba and its role in early praxis oriented Sufism In this exemplary study Khalil lays bare the contours of the key concept of repentance in the spiritual psychology of early Islam with admirable sensitivity and ease a

remarkable achievement Ahmet T Karamustafa author of *Sufism The Formative Period* Atif Khalil's *Repentance and the Return to God* is an illuminating account of the idea of tawba as attested to in the early Sufi literature from the ninth through the tenth centuries Starting with a painstaking semantic examination of the Qur'anic passages related to repentance from sin and turning to God in remorse and search of pardon the author traces the development of these motifs from early Sufi didactic adages to their subsequent rearticulation in the sophisticated psychological discourses of such major lights of classical Sufism such as al Mu'shib Sahl al Tustar al Kharriz al Junayd and Ab lib al Makk A must read for both lay readers interested in comparative mysticism religions and specialists on Islam Sufism and Islamic spiritual and intellectual history Alexander Knysh author of *Islamic Mysticism A Short History* and *Sufism A New History of Islamic Mysticism* **The Role and Function of Repentance in Luke-Acts** Guy D. Nave, 2002-01-01 This book explores the central function of the concept repentance in the narrative structure and implied social world of the Gospel of Luke and the Acts of the Apostles and provides an excellent synthesis and analysis of the usage of repent and repentance in Classical Hellenistic Hellenistic Jewish and early Christian literature Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

Answering Jewish Objections to Jesus : Volume 2 Michael L. Brown, 2000-11-01 Respectful thoroughly documented answers to twenty eight of the weightiest theological objections progressively reveal how belief in Jesus is deeply rooted in Jewish concepts and teaching Public Intellectuals Amitai Etzioni, Alyssa Bowditch, 2006-02-14 Investigates the definition role and decline of public intellectuals in American society Drawing from a range of commentaries and studies this volume demonstrates the importance of public intellectuals and probes the question of how their voices can be effective in the social academic and political climates Public Intellectuals An Endangered Species investigates the definition role and decline of public intellectuals in American society Drawing from a wide range of commentaries and studies this edited volume demonstrates the unique importance of public intellectuals and probes the timely question of how their voices can continue to be effective in our ever changing social academic and political climates **Voluntary Simplicity** Daniel Doherty, Amitai Etzioni, 2003 A simpler life In a shadow cast by the jarring beginning of the new millennium simplicity has an undeniable appeal Global conflicts domestic security concerns and a stalling economy can make keeping up with the Joneses feel like at best a misguided luxury Now is not a time for excess it is a time it would seem to focus on what really matters Thus the appeal of voluntary simplicity a notion that combines the freedom of modernity with certain comforts and virtues of the past The authors in this volume speak to the what why and how of voluntary simplicity and even to some extent the where when and who Those included range from contemporary academics to thinkers from the turn of the last century from ardent supporters to staunch critics They approach the subject from a variety of perspectives economic psychological sociological historical and theological Each either implicitly or explicitly helps us explore the desirability and feasibility of voluntary simplicity **I'm Sorry for What I've Done** M. Catherine Gruber, 2014-04-01 This book examines 52 apologetic allocutions

produced during federal sentencing hearings The practice of inviting defendants to make a statement in their own behalf is a long standing one and it is understood as offering defendants the opportunity to impress a judge or jury with their remorse which could be a factor in the sentence that is imposed Defendants raised the topics of the offense mitigation future behaviour and the sentence in different ways and this book explores the pros and cons associated with the different strategies that they used Because there is no way of ascertaining exactly how effective or ineffective an individual allocution is case law sociolinguistic and historical resources and judges final remarks are used to develop hypotheses about defendants communicative goals as well as what might constitute an ideal defendant stance from a judge s point of view The corpus is unique because unlike official transcripts the transcripts used for this study include paralinguistic features such as hesitations wavering voice and crying while talking Among its highlights the book proposes that although a ritualized apology formula e g I m sorry or I apologize would appear to be a good fit for the context of allocution and even appears to be expected the use of these formulas carries implications in this context that do not serve defendants communicative goals I argue that the application of Austin s 1962 performative constative continuum reveals that offense related utterances that fall closer to the constative end are more consistent with the discursive constraints on the speech event of allocution Further I propose that the ideologies associated with allocution in particular the belief that allocution functions as a protection for defendants obscures the ways in which the context constrains what defendants can say and how effectively they can say it

Rights vs. Public Safety after 9/11 Amitai Etzioni, Jason H. Marsh, 2004-09-01 Since the attacks of September 11 2001 the tension between civil rights and public safety has dominated public discourse On issues ranging from racial profiling to military tribunals Americans have had to ask whether it is possible for the United States to defend itself against terrorism without violating the values and principles that lie at the heart of its democratic order In *Rights vs Public Safety after 9 11* some of the nation s leading legal experts and social critics confront this question head on The contributors offer measured often communitarian approaches to topics such as the changes in United States immigration policy after September 11th the practical and moral difficulties of racial profiling the ethical dilemmas of an emergency response to a bioterrorist attack and the role of the government in promoting national service This balanced compilation of essays highlights where government will need to expand its authority in the fight against terrorism where it risks overreaching and how this new era might strengthen American society

The Justice of Mercy Linda Ross Meyer, 2010-11-22 *The Justice of Mercy* is exhilarating reading Teeming with intelligence and insight this study immediately establishes itself as the unequalled philosophical and legal exploration of mercy But Linda Meyer s book reaches beyond mercy to offer reconceptualizations of justice and punishment themselves Meyer s ambition is to rethink the failed retributivist paradigm of criminal justice and to replace it with an ideal of merciful punishment grounded in a Heideggerian insight into the gift of being with others The readings of criminal law Heideggerian and Levinasian philosophy and literature are powerful and provocative *The Justice of Mercy* is a

radical and rigorous exploration of both punishment and mercy as profoundly human activities Roger Berkowitz Director of the Hannah Arendt Center for Ethical and Political Thinking Bard College This book addresses a question both ancient and urgently timely how to reconcile the law's call to justice with the heart's call to mercy Linda Ross Meyer's answer is both philosophical and pragmatic taking us from the conceptual roots of the supposed conflict between justice and mercy to concrete examples in both fiction and contemporary criminal law Energetic eloquent and moving this book's defense of mercy will resonate with philosophers legal scholars lawyers and policymakers engaged with criminal justice and anyone concerned about our current harshly punitive legal system Carol Steiker Harvard Law School Far from being a utopian soft and ineffectual concept Meyer shows that mercy already operates within the law in ways that we usually do not recognize Meyer's piercing insights and careful analysis bring the reader to think of law justice and mercy itself in a new and far more profound light James Martel San Francisco State University How can granting mercy be just if it gives a criminal less punishment than he deserves and treats his case differently from others like it This ancient question has become central to debates over truth and reconciliation commissions alternative dispute resolution and other new forms of restorative justice The traditional response has been to marginalize mercy and to cast doubt on its ability to coexist with forms of legal justice Flipping the relationship between justice and mercy Linda Ross Meyer argues that our rule bound and harsh system of punishment is deeply flawed and that mercy should be not the crazy woman in the attic of the law but the lady of the house This book articulates a theory of punishment with mercy and illustrates the implications of that theory with legal examples drawn from criminal law doctrine pardons mercy in military justice and fictional narratives of punishment and mercy Linda Ross Meyer is Carmen Tortora Professor of Law at Quinnipiac University School of Law President of the Association for the Study of Law Culture and the Humanities and Associate Editor of Journal of Law Culture and the Humanities Jacket illustration Lotus by Anthony James

Legal and Ethical Retributivism Halil Cesur, 2025-07-31 This book explores a foundational philosophical tension in contemporary retributivism revealing ambiguities in its approach to punishment between two conflicting conceptions of restoration legal justice and ethical love Through an analysis of the three parties involved in a crime the victim the offender and the state it argues that neo retributivism has not sufficiently incorporated the ethical face of punishment into its theoretical framework The pull of legal justice is often so strong that the voice of ethical love is silenced neo retributivism is at an impasse To navigate this the book engages with contemporary critical criminal justice scholarship introducing the ideal of loving justice while highlighting an unresolved tension between penal reformism and abolitionism The book will be of interest to academicians and researchers working in the areas of philosophy of punishment criminal law theory criminal justice restorative justice philosophy of law political philosophy and Hegel scholarship

After Injury Ashraf H. A. Rushdy, 2018 After Injury explores the practices of forgiveness resentment and apology in three key moments when they were undergoing a dramatic change The three moments are early Christian history

for forgiveness the shift from British eighteenth century to Continental nineteenth century philosophers for resentment and the moment in the 1950s postwar world in which British ordinary language philosophers and American sociologists of everyday life theorized what it means to express or perform an apology The debates that arose in those key moments have largely defined our contemporary study of these practices *The Communitarian Reader* Amitai Etzioni, Drew Volmert, Elanit Rothschild, 2004 *The Communitarian Reader Beyond the Essentials* brings together essays by prominent social thinkers reflecting on issues ranging from moral obligations to civil liberties after 9 11 The result is a book both practical and theoretical and an essential guide for all interested in further exploring this important social movement

Communitarianism in Law and Society Paul van Seters, 2006 In this new collection of essays Paul van Seters brings together an international group of scholars from diverse academic backgrounds to reflect upon the remarkable rise of communitarianism in contemporary studies of law and society These essays critically assess the communitarian perspective in order to gain a more systematic insight into its distinctive constraints and the special opportunities it provides **Law and Community** Robert F. Cochran, Robert M. Ackerman, 2004-01-05 In *Law and Community The Case of Torts* Robert F Cochran Jr and Robert M Ackerman explore the connections between individualism and communitarianism in American Law The authors argue that though tort law is dominated by individualistic language it has significant communitarian influences

Faith, Identity and Homicide Shona Robinson-Edwards, 2021-10-09 This book explores the role that religion plays in the lives of imprisoned homicide offenders Drawing on interviews in an English prison the author examines how they narrate their life stories and how religion intersects with other categories to rebuild their personal identities after committing a crime and being labelled as murderers or killers This book seeks to bridge the gap between macro and micro phenomena examining religion as both a social institution and a personal experience It also explores the mediating role of institutions with regards to the nature and extent of their influence upon individual choices and actions and provides insights into the nature of the therapeutic prison It seeks to create some clarity of understanding the complex nature of religiosity narrative identity desistance and rehabilitation whilst critically examining elements of social identity that may restrict or enhance this process It provides a series of recommendations for organisations working with convicted homicide offenders offenders and speaks to academics and practitioners in the fields of criminology sociology psychology and religious theological studies

Lamentations and Song of Songs Harvey Cox, Stephanie Paulsell, 2012-04-13 This latest volume in the popular *Belief* series considers two very different types of biblical writings and two very timely subjects violence and sex within the context of Scripture Well known theologian Harvey Cox draws on a wide array of sources in his commentary on *Lamentations* including poetry novels films paintings and photography to offer a contemporary theological reading that is provocative and sure to stir numerous theological reflections and responses The biblical book of *Song of Songs* has historically been seen as a book pointing to Christ's love for the church and has been interpreted in allegorical ways Yet it is unique in the canon for its

use of erotic poetry celebrating the human body and human love in graphic terms Author Stephanie Paulsell suggests that the Song can still have profound meaning for us teaching us to love not only what we can see shining on the surface but also those depths of the other which are out of our reach *Punishment and the Moral Emotions* Jeffrie G. Murphy, 2014-03 The essays in this collection explore from philosophical and religious perspectives a variety of moral emotions and their relationship to punishment and condemnation or to decisions to lessen punishment or condemnation **Making Amends** Linda Radzik, 2011-04-07 It is often assumed that wrongdoing can only be resolved through punishment or forgiveness But this book explores the responses that wrongdoers can and should make to their own misdeeds responses such as apology repentance reparations and self punishment It examines the possibility of atonement in a broad spectrum of contexts from cases of relatively minor wrongs in personal relationships to crimes to the historical injustices of our political and religious communities It argues that wrongdoers often have the ability to earn redemption within the moral community that respect and trust among victims communities and wrongdoers can be rebuilt and that the moral responsibility of wrongdoing groups can be addressed without treating their members unfairly

Repentance A Comparative Perspective: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Repentance A Comparative Perspective : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Repentance A Comparative Perspective : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Repentance A Comparative Perspective : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
