Ringma, Mary Dickau, 2015-12-10 The Art of Healing Prayer aims to help both clergy and laity to develop a greater understanding of those who come seeking healing and to become skilled in praying for such people biblically imaginatively and sensitively The authors recognize that this is a costly ministry requiring counsellors to find time in their own often busy lives to guide others and necessitating that they continue to be open to the gifts of God s grace However it is a ministry that often results in joy and transformation as those healed from long standing inner woundedness become sources of goodness and healing for others Praying with God's Heart James W. Goll, 2018-10-02 What if there was a key that made every prayer more effective something that would bring all prayers into agreement with the heart of God every single time This type of praying does exist says bestselling author and prophetic leader James W Goll and it s called prophetic intercession It is the humble act of holding the needs of people before God while leaning into God s heart for them There is nothing mystical or elite about this kind of praying and it s for the new Christian and the most seasoned prayer warrior All you need is to learn to lean into your heavenly Father and pray what you see and hear in alignment with his heart empowered by the Holy Spirit God wants you to align your heart with his He wants you to pray more effectively in these turbulent times and he wants you to help usher in the fullness of his purposes on the earth Are you ready The New International Dictionary of Pentecostal and Charismatic Movements Stanley M.
