Representing The French Revolution Liter:

Mistress to an Age J. Christopher Herold, 2002 J Christopher Herold vigorously tells the story of the fierce Madame de Stael revealing her courageous opposition to Napoleon her whirlwind affairs with the great intellectuals of her day and her idealistic rebellion against all that was cynical tyrannical and passionless Germaine de Stael's father was Jacques Necker the finance minister to Louis XVI and her mother ran an influential literary political salon in Paris Always precocious at nineteen Germaine married the Swedish ambassador to France Eric Magnus Baron de Stael Holstein and in 1785 took over her mother's salon with great success Germaine and de Stael lived most of their married life apart She had many brilliant lovers Talleyrand was the first Narbonne the minister of war another Benjamin Constant was her most significant and long lasting one She published several political and literary essays including *A Treatise on the Influence of the Passions upon the Happiness of Individuals and of Nations* which became one of the most important documents of European Romanticism Her bold philosophical ideas particularly those in *On Literature* caused feverish commotion in France and were quickly noticed by Napoleon who saw her salon as a rallying point for the opposition He eventually exiled her from France This winner of the 1959 National Book Award is excellent detailed full of color movement great names and lively incident The New York Times Mr Herold's full bodied biography is clear eyed intelligent and written with abundant wit and zest The Atlantic Monthly [A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942](#), 1942

History in the Text
'Quatrevingt-Treize' and the French Revolution Sandy Petrey, 1980-01-01 The title of this study History in the text is an oxymoronic phrase and by this the main focus of the book is clear immediately On the other hand there still remains the question to what extent text and history are comparable The author of this volume tries to answer this by discussing the famous novel of Victor Hugo *Quatrevingt Treize* against the background of the French Revolution

The Carlyle Encyclopedia Mark Cumming, 2004 The Carlyle Encyclopedia focuses primarily on Thomas Carlyle It reflects the range of his interests and resists stereotyped impression of who he was and what he believed It covers Carlyle's entire life without privileging any particular work or period and locates Carlyle in his time and place in the context of a rich and challenging age The Carlyle Encyclopedia also gives a balanced assessment of Jane Welsh Carlyle which avoids either belittling her or overestimating her achievement It avoids the reductive and contradictory stereotypes of her which were offered by early biographers of Thomas Carlyle and offers instead a study of her varied friendships and her trenchant observations on contemporary life The Carlyle Encyclopedia will interest a variety of readers who concern themselves with literature social history the history of ideas Victorian culture and Scottish studies

BOOK JACKET
The French Revolution Seen from the Right Paul Harold Beik, 1956 [Representation and Its Discontents](#) Azade Seyhan, 2023-04-28 Azade Seyhan provides a concise elegantly argued introduction to the critical theory of German Romanticism and demonstrates how its approach to the metaphorical and linguistic nature of knowledge is very much alive in contemporary philosophy and literary theory Her

analysis of key thinkers such as Friedrich Schlegel and Novalis explores their views on rhetoric systematicity hermeneutics and cultural interpretation Seyhan examines German Romanticism as a critical intervention in the debates on representation which developed in response to the philosophical revolution of German Idealism Facing a chaotic political and intellectual landscape the eighteenth century theorists sought new models of understanding and new objectives for criticism and philosophy Representation and Its Discontents identifies the legacy of this formative moment in modern criticism and suggests its relevance to contemporary discussions of post structuralism orientalism theories of textuality and the nature of philosophical discourse This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992 Azade Seyhan provides a concise elegantly argued introduction to the critical theory of German Romanticism and demonstrates how its approach to the metaphorical and linguistic nature of knowledge is very much alive in contemporary philosophy and literary Biography of a Revolution Lucia Sorbera,2025 It is not Egypt s 2011 revolution that opened a space for women s and feminist activism but as this book shows the long history of women s activism that created the intellectual and political background for revolution By centering the experiences and ideas of multiple generations of women activists and intellectuals Lucia Sorbera traces the feminist genealogies of Egypt s nationalist student Marxist labor human rights and democratic social movements Biography of a Revolution gathers a series of interrelated intimate and relational stories charting in vivid detail the entanglements between women s aspirations across a century of politics and friendships This historical analysis innovatively deploys decolonial and indigenous feminist epistemologies bringing women s gender and feminist history into the center of Egypt s political social and intellectual history More than a decade after the 2013 military coup women s intellectual and political activism remains crucial to keeping the embers of revolution aglow **The Oxford Handbook of Canadian Literature** Cynthia Conchita Sugars,2016 The Oxford Handbook of Canadian Literature provides a broad ranging introduction to some of the key critical fields genres and periods in Canadian literary studies The essays in this volume written by prominent theorists in the field reflect the plurality of critical perspectives regional and historical specializations and theoretical positions that constitute the field of Canadian literary criticism across a range of genres and historical periods The volume provides a dynamic introduction to current areas of critical interest including 1 attention to the links between the literary and the public sphere encompassing such topics as neoliberalism trauma and memory citizenship material culture literary prizes disability studies literature and history digital cultures globalization studies and environmentalism or ecocriticism 2 interest in Indigenous literatures and settler Indigenous relations 3 attention to multiple diasporic and postcolonial contexts within Canada 4 interest in the institutionalization of Canadian literature as a discipline 5 a turn towards book history and literary history with a renewed

interest in early Canadian literature 6 a growing interest in articulating the affective character of the literary including an interest in affect theory mourning melancholy haunting memory and autobiography The book represents a diverse array of interests from the revival of early Canadian writing to the continued interest in Indigenous regional and diasporic traditions to more recent discussions of globalization market forces and neoliberalism It includes a distinct section dedicated to Indigenous literatures and traditions as well as a section that reflects on the discipline of Canadian literature as a whole

Tracing Global Democracy Vladimir Biti, 2016-01-15 Focused on the recently hotly debated topic at the crossroads of various human and social sciences this book investigates the emergence of the cosmopolitan idea of literature and its impact on the reconfiguration of the European and non European political spaces The birthplace of this idea is its designers traumatic experience as induced by the disconcerting condition of their abode The thesis is that the eighteenth and nineteenth century s cosmopolitan projects that grow out of such deep frustrations trace the twentieth century s global democracy This hidden origin of cosmopolitan projects dismantles the usual European representation of modernization as universal progress as myopic Rather than being a generous action of prominent subjects such as Voltaire Kant and Goethe or Bakhtin Derrida and Deleuze cosmopolitanism is an enforced reaction of the instances dispossessed by injury that search for the ways of healing it Yet as soon as their remedy establishes itself as the ground for universal reconciliation it risks suppressing other s trauma i e turns from politics into a police Articulating the author s position in the recent debates on the structure of democracy the epilogue suggests an alternative strategy

The Book of Literary Terms Lewis Turco, 1999 An expert s indispensable guide to English letters and the writing arts

No Joke M. Keith Booker, 2023-05-18 No Joke is a detailed examination of Todd Phillips s Joker one of the biggest global box office hits of 2019 While his success was no doubt partly because of the association of its title character with the Batman superhero franchise Joker is anything but a flashy superhero romp It does explore the pathologies of its central character and suggest ways in which his life experiences might have driven him to become a supervillain the arch enemy of Batman At the same time the film leaves open the possibility that its Joker is not in fact the same as the one conventionally associated with Batman In fact the film leaves open many interpretive possibilities in keeping with the complex work of postmodern art that it turns out to be Joker also engages in extensive dialogues with a range of works from modern American culture especially the films of the 1970s and 1980s the period in which the action of Joker is set Moreover Joker is a highly political film that comments in important ways on American political history from roughly the beginning of the presidency of Richard Nixon through the end of the Trump presidency with a special focus on the Reagan years It also comments in more general and fundamental ways on the very nature of American society and American capitalism All this and more is covered in M Keith Booker s analysis of one of the most talked about films of recent years

Critical Paths Dan Miller, Mark Bracher, Donald D. Ault, 1987 The great expositors of Blake and those who have followed in their footsteps have clarified the most minute particulars of Blake's vision Now in the place of traditional exegesis comes a significantly new set of critical problems and interpretive methods In this volume of essays the major shift in Blake studies already under way in practice is addressed gauged analyzed and debated The contributors assembled here leading exponents of contemporary critical methods as well as close students of Blake argue the grounds purposes and validity of each approach and then apply its method in detailed readings of Blake's works We see deconstruction psychoanalytic interpretation feminist critique semiotic analysis Marxist criticism revisionism and other methods brought to bear on Blake's texts and into confrontation with one another by those best able to do so Through the essays themselves and in the reaction they will certainly provoke *Critical Paths* will bring increased theoretical awareness to the study of Blake and will further the ongoing redefinition of Blake's art At the same time the collection investigates the general problem of methodology in literary studies by means of a casebook examination of modern critical approaches Blake criticism and current literary theory here come together the encounter illuminates and enriches both

The Facts on File Companion to the French Novel Karen L. Taylor, 2006 French novels such as *Madame Bovary* and *The Stranger* are staples of high school and college literature courses This work provides coverage of the French novel since its origins in the 16th century with an emphasis on novels most commonly studied in high school and college courses in world literature and in French culture and civilization

Paul Ricoeur's Renewal of Philosophical Anthropology Marc de Leeuw, 2021-12-27 In Paul Ricoeur's *Renewal of Philosophical Anthropology* Vulnerability Capability Justice Marc de Leeuw argues that Ricoeur's philosophical project integrates the anthropological tradition while renewing its importance as a hermeneutic anthropology of human capability Ricoeur posits that our cogito is neither its own absolute master nor fully transparent to itself inflicting a wound, bruising and fracturing the center of Cartesian self-certainty But the Nietzschean disillusionment that ensues does not simply amount to a victorious anti-cogito it opens another path towards self-understanding In place of the direct route of intuition is found a more complex way forward one guided by interpretation The task of philosophical anthropology is to understand the human through its interpretative critical and imaginative ability as well as its capacity to act towards with and for others the interpretation of the world in front of us the interpretation of who we are and the interpretation of what it means to be among others as other selves coalesce in an anthropology that binds the question of the self to a moral ethical and political project one aiming to reflect our existence in common For Ricoeur the basic question of our subjective and normative standing demands a fundamental response a response toward our own otherness and to responsibilities triggered by the appeal of Others In both cases our vulnerability is inescapable we can never have an absolute self-knowledge nor an

absolute knowledge of Others Ricoeur turns this fundamental aporia into an affirmative philosophical anthropology of human action attestation and justice

The Calendar in Revolutionary France Sanja Perovic, 2012-08-27 One of the most unusual decisions of the leaders of the French Revolution and one that had immense practical as well as symbolic impact was to abandon customarily accepted ways of calculating date and time to create a Revolutionary calendar The experiment lasted from 1793 to 1805 and prompted all sorts of questions about the nature of time ways of measuring it and its relationship to individual community communication and creative life This study traces the course of the Revolutionary Calendar from its cultural origins to its decline and fall Tracing the parallel stories of the calendar and the literary genius of its creator Sylvain Mar chal from the Enlightenment to the Napoleonic era Sanja Perovic reconsiders the status of the French Revolution as the purported origin of modernity the modern experience of time and the relationship between the imagination and political action
