*The Repression of Crime* Harry Elmer Barnes,1926      Bulletin of Friends' Historical Society of Philadelphia ,1927

**Rites of Execution : Capital Punishment and the Transformation of American Culture, 1776-1865** Riverside

Louis P. Masur Professor of History University of California,1989-02-16 Between the seventeenth and nineteenth centuries Western societies abandoned public executions in favor of private punishments primarily confinement in penitentiaries and private executions The transition guided by a reconceptualization of the causes of crime the nature of authority and the purposes of punishment embodied the triumph of new sensibilities and the reconstitution of cultural values throughout the Western world This study examines the conflict over capital punishment in the United States and the way it transformed American culture between the Revolution and the Civil War Relating the gradual shift in rituals of punishment and attitudes toward discipline to the emergence of a middle class culture that valued internal restraints and private punishments Masur traces the changing configuration of American criminal justice He examines the design of execution day in the Revolutionary era as a spectacle of civil and religious order the origins of organized opposition to the death penalty and the invention of the penitentiary the creation of private executions reform organizations commitment to social activism and the competing visions of humanity and society lodged at the core of the debate over capital punishment A fascinating and thoughtful look at a topic that remains of burning interest today Rites of Execution will attract a wide range of scholarly and general readers

**Freedom's Ferment - Phases of American Social History to 1860** Alice Felt Tyler,2011-03-23 In its first half century the United States was visited by scores of curious European travellers who came to investigate the strange new world that was being created in the Western Hemisphere In their accounts of the experience they praised or condemned the institutions and national characteristics spread out before them seized avidly upon all differences from the European norm and worried each peculiarity beyond recognition and beyond any just limit of its importance Americans themselves with the keen sensitiveness of the young and the boasting enthusiasm natural to vigorous creators of new ideas and institutions examined the work of their hands and believing it good reassured themselves and answered their calumniators in a flood of aggressive replies Every American interested in a reform movement a new cult or a Utopian scheme burst into print adding another to the rapidly growing list of polemic books and pamphlets From this variety of sources it is possible to recapture something of the inward spirit that gave rise to the more familiar and more tangible events of America s youth      **The Bulletin of**

**Monthly Bulletin of the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh, 1927 Public Management ... Devoted to the Conduct of Local Government, 1926 **The Heroic Gangster** Neil Hanson, 2013-07-01 Monk Eastman was born in 1873 to a respectable New York family By the age of eighteen he was running the streets of Lower Manhattan first starting as a bouncer and later as a gang leader who led an army of two thousand He had both politicians and cops in his pocket and seemed untouchable That all changed when he was sentenced to ten years at Sing Sing prison after several battles with Pinkerton detectives He ended up losing all his territory and by the time he got out realized that the streets were no longer safe enough for him to be around With that he immediately joined the New York National Guard going from a street kingpin to a lowly private Taking what he learned from the streets Monk quickly proved himself as his division was put on the front lines during the trench warfare of World War I He came back to New York a hero and was given a governor's pardon He was back on top but the real question was would he be able to leave his past behind This incredible story told by

Neil Hanson relives for the reader the history of Monk Eastman New York and a pivotal point in our country's history

**Library Notes** North Carolina College for Women. Library, 1926      **The Yale Law Journal**, 1927      **Crime and Justice, Volume 53** Michael Tonry, 2025-06-09 Presents cutting edge scholarship by preeminent criminology scholars Since 1979 Crime and Justice has presented a review of the latest international research providing expertise to enhance the work of sociologists psychologists criminal lawyers justice scholars and political scientists The series explores a full range of issues concerning crime its causes and its cures In both the review and the thematic volumes Crime and Justice offers an interdisciplinary approach to address core issues in criminology      **Reinventing Punishment** Michele Pifferi, 2016 Providing a historical analysis of the impact of criminology on the rationale of punishment and the sentencing systems in Europe and the US between the 1870s and the 1930s Reinventing Punishment A Comparative History of Criminology and Penology in the 19th and 20th Century investigates and contrasts the rise of the principles of individualisation of punishment social defence preventive justice and indeterminate sentencing The manner in which American and European jurisprudence enforced these ideas resulted in the emergence of two different penological identities the American penal reform movement led to the adoption of the indeterminate sentence system whereas the European criminological approach resulted in the formulation of the dual track system with punishment and measures of security This theoretical divide discussed at many international congresses and in studies of comparative criminal law not only reflects two different ideas on the legitimacy and purpose of punishment but also corresponds to two different constitutional views of criminal law The book considers the relation between constitutional frameworks rule of law and Rechtsstaat and penological claims explaining how some of the tenets of penal liberalism such as principle of legality and separation of powers were affected by penal modernism even with the rise of authoritarian regimes It examines the dilemmas provoked by criminology focusing on the role of the judge in the execution of sentences the distribution of sentencing powers among judicial and administrative bodies the balance between social security and individual guarantees and the inconsistencies of preventive detention Filling a notable gap in Anglo American literature by providing a sophisticated panoramic analysis of the development of criminology in late nineteenth and first half of the twentieth century Europe Reinventing Punishment will be of interest to scholars of criminology criminal law and criminal justice studies as well as legal historians and theorists      *The Law Journal*, 1926      **Freedoms Ferment** Peter Moore, Tyler, 1999-01-01 At the end of his weekly news in review program Moore on Sunday beloved WCCO TV news anchor Dave Moore often signed off by reciting a poem These poems composed by Moore's son Peter and collected here for the first time offer a fresh and funny take on the common and not so common stuff of our everyday lives Reminiscent of Ogden Nash and Tom Lehrer with a dash of Dr Seuss Peter Moore's verse captures the essence of his father's wit common sense honesty and warmth      **New Masses**, 1926
