Reproduction Medicine And The Socialist State:

Reproduction, Medicine and the Socialist State Alena Heitlinger, 1987-06-18 **Routledge Library Editions:**
Women and Politics Various, 2021-06-23 Routledge Library Editions Women and Politics 9 Volume set presents titles originally published between 1981 and 1993 The set draws attention to the importance of women and how their presence and active involvement in politics and related fields during the twentieth century has been crucial throughout the world The Social Geography of Medicine and Health (RLE Social & Cultural Geography) John Eyles, Kevin Woods, 2014-01-10 This book originally published in 1983 drawing material from Europe the USA the Soviet Union and the Developing World provides a comprehensive review of the key issues in medical geography It sets the central problems of medical geography in a broad social context as well as in a spatial one and analyses changing conceptions of health and illness in detail It also explores the pathological relationship between people and their environment and illustrates that social phenomena form spatial patterns which provide a good starting point for the examination of the relationship between medicine health and society *Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **The Czech And Slovak Republics** Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe **Encyclopedia of Bohemian and Czech-American Biography** Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to

this book that Mla Rechcgl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

The Oxford Handbook of the History of Communism S. A. Smith, 2014-01-09 The impact of Communism on the twentieth century was massive equal to that of the two world wars Until the fall of the Soviet Union in 1991 historians knew relatively little about the secretive world of communist states and parties Since then the opening of state party and diplomatic archives of the former Eastern Bloc has released a flood of new documentation The thirty five essays in this Handbook written by an international team of scholars draw on this new material to offer a global history of communism in the twentieth century In contrast to many histories that concentrate on the Soviet Union The Oxford Handbook of the History of Communism is genuinely global in its coverage paying particular attention to the Chinese Revolution It is global too in the sense that the essays seek to integrate history from above and from below to trace the complex mediations between state and society and to explore the social and cultural as well as the political and economic realities that shaped the lives of citizens fated to live under communist rule The essays reflect on the similarities and differences between communist states in order to situate them in their socio political and cultural contexts and to capture their changing nature over time Where appropriate they also reflect on how the fortunes of international communism were shaped by the wider economic political and cultural forces of the capitalist world The Handbook provides an informative introduction for those new to the field and a comprehensive overview of the current state of scholarship for those seeking to deepen their understanding

Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr., 2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the

monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role

National Library of Medicine Current Catalog National Library of Medicine (U.S.),1988 **Women's Equality, Demography and Public Policies A.**

Heitlinger,1993-09-07 This book assesses the comparability between policies promoting women s equality and the reversal of fertility decline Based on comparative data from Canada Australia Britain and to a more limited extent the USA Alena

Heitlinger examines the impact of major international instruments promoting women s equality and national similarities and differences in women s policy machinery provision for maternity and childcare fiscal assistance for families with children and the costs and benefits of fertility related measures vis vis immigration related measures *Cultural Politics of Ethnicity* Vera

Sokolova,2012-02-27 This book maps out the history of Czechoslovak linguistic and social practices directed at Roma during the communist period It explains how contemporary Czech society has come to understand the Romani population in terms of inherited social medical and juridical ideas Rather than focusing on the Roma people as an object of analysis the book problematizes assumed notions of Gypsiness and Czechness in mainstream society by highlighting the role of different socialist discourses in constructing images of Roma as socially deviant and abnormal By uncovering the lines of continuity in the intersections of ethnic discrimination social deviance and citizenship from the 1950s to the collapse of communism this book comes to terms with a variety of questions that have not yet been adequately addressed in the literature What underlying assumptions informed the socialist regime s understanding of Gypsiness and how did these conceptions relate to notions of citizenship equality and normality How and why did the meaning of the terms Gypsies and Roma become imbued in popular discourse with ideas of unhealthiness and social deviance What implications does translating perceived cultural traits and lifestyles of Roma into non ethnic frames of reference have for understanding racism and ethnic sensibilities in the country today The work emphasizes historical continuities between contemporary xenophobia and the strategies which the communist regime used to deal with the Gypsy question Focusing on the discrepancies between written laws and policies as well as their implementation this study exposes the intricate relationships between official beliefs institutional policies and popular consciousness under the communist regime For it was these relationships which together created the mechanisms of social control that facilitated discrimination of Czechoslovak Roma under the guise of social welfare **Anthropology of**

Breast-Feeding Vanessa Maher,2024-11-01 On the whole the debates surrounding the issues of breast feeding often reflecting ethnographic and ill informed medical and demographic approaches have failed to treat the deeper issues The significance of breast feeding reaches far beyond its biological function in fact the authors of this volume argue there is nothing natural about breast feeding itself On the contrary attitudes and practices are socially determined and breast feeding has to be seen as an essential element in the cultural construction of sexuality This volume offers an ethnography of breast

feeding by examining cultural norms and practices in a number of European and non European societies thus presenting valuable and often astonishing empirical material that is not otherwise readily available The highly original focus of this volume therefore throws new light on gender and on social relationships in general *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 *The Routledge Handbook of Sexuality in East Central Europe* Agnieszka Kościańska, Anita Kurimay, Kateřina Lišková, Hadley Z. Renkin, 2025-04-10 This handbook provides an overview of scholarly research on sexuality in East Central Europe for both students and academics focusing on the Czech Republic Hungary Poland and Slovakia from the late nineteenth century to the present The collection is organized into eight sections covering major areas of research including non normative sexualities family marriage and kinship race ethnicity and nationalism birth health and reproduction religion sex work and mobility violence and sex education The chapters highlight the breadth and depth of current scholarship on the region past and present The contributions present cutting edge research treating each of the East Central European countries on its own terms and contextualizing sexual meanings practices and dynamics in relation to the specific ways they have been shaped experienced represented and contested in the lives of people across these territories In doing so the book underscores the differences in the region s trajectories of sexuality and sexual politics from those of not only the West but also Russia USSR and former Yugoslavia across the long twentieth century Written by a multidisciplinary team of international experts The Routledge Handbook of Sexuality in East Central Europe is an ideal resource for scholars of European history gender studies anthropology and sociology Chapter 21 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution NonCommercial ShareAlike CC BY NC SA 4 0 license **Fertility Policy in Israel** Jacqueline Portuguese, 1998-08-30 An examination with feminist perspective of Israel s fertility practices and policies surrounding abortion family planning in vitro fertilization and the welfare state This book exposes the complex web of issues actors and power relations that shape the Israeli political agenda At the same time it contributes to ongoing feminist debates concerning the politics of reproduction and the role of the state in contributing to the oppression of women Israel s commitment to Zionist ideals and policies its ambiguous relationship with Jewish Orthodoxy and the intersection of the two at the level of gender relations have played a great role in determining the shape scope and direction of many government policies This book explores the relationship between these three ideological and institutional forces in the context of development of fertility policy In the process it touches upon various points of interest including the state s treatment of the Palestinian Arab minority and its relationship with the wider Palestinian national movement the power relations and political agenda underlying policy making in Israel the development of Israeli social and political identity and the use of gender to explain both the status of Israeli women and the overall unfolding of politics and policy making **Revenge of the Domestic** Donna Harsch, 2018-06-26 *Revenge of the Domestic* examines gender relations in East Germany from 1945 to the 1970s focusing especially on the relationship between

ordinary women the Communist Party and the state created by the Communists the German Democratic Republic GDR The book weaves together personal stories from interviews statistical material and evidence from archival research in Berlin Potsdam Leipzig Merseburg and Chemnitz to reconstruct the complex interplay between state policy toward women and the family on the one hand and women s reactions to policy on the other Donna Harsch demonstrates that women resisted state decisions as citizens wageworkers mothers wives and consumers and that in every guise they maneuvered to overcome official neglect of the family As state dependence on female employment increased the book shows the Communists began to respond to the insistence of women that the state pay attention to the family In fits and starts the party state begrudgingly retooled policy in a more consumerist and family oriented direction This domestication was partial ambivalent and barely acknowledged from above It also had ambiguous arguably regressive effects on the private gender arrangements and attitudes of East Germans Nonetheless the economic and social consequences of this domestication were cumulatively powerful and the book argues gradually undermined the foundations of the GDR

Young Women of Prague Alena Heitlinger, Susanna Trnka, 2016-07-27 This book is about the lives of young ordinary Czech women who came of age in the aftermath of the 1989 Velvet Revolution It is a collection of interviews with fourteen women of similar age and education but varying work marital and childbearing experiences Three additional chapters outline the design of the study the social and historical forces that have shaped these women s lives and the common themes emerging out of the interviews linking them to both legacies of communism and the current postcommunist transition

The New Yugoslav Woman Branka Bogdan, 2025-09-30 From 1945 to 1989 the Yugoslav state connected its claims of progressive politics and gender equality to its support of free healthcare sex education and contraception and laws that supported reproductive choice Yugoslav men and women internalized these messages proclaiming their homeland s superior care for its citizens in comparison to postwar Europe and the United States Even as Yugoslav women faced stigma and abuse for their usage of contraceptives and medical practitioners grappled with new regulations and technology alongside personal ideologies Yugoslavs celebrated their own reformation into new politically minded citizens who carefully navigated tradition and modernity as they reconstructed the nation The New Yugoslav Woman provides a social and cultural history of how Yugoslav communists used reproductive regulation to build a platform of socialism through self management and to position the country as a conduit between the global North and South Author Branka Bogdan traces reproduction as a central facet of socialist Yugoslavia s state formation through the nation s laws medical infrastructure technological growth and state run sex education programs Bringing this history to the present day with a discussion of more than two dozen interviews with Yugoslav patients and medical professionals Bogdan reveals how these recollections show key continuities with the past rather than an abrupt break between the socialist and post socialist worlds Drawing Yugoslavian women s experiences into the geopolitical history of reproduction and the Cold War era state The New Yugoslav Woman reveals the centrality of reproduction contraception and

abortion to socialist Yugoslavia's self-conception as the developed leader of the developing world Czechoslovakia and Eastern Europe in the Era of Normalisation, 1969-1989 Kevin McDermott, Matthew Stibbe, 2022-10-31 This edited collection represents the first comprehensive volume in English on the crucial but under-explored late period in the history of East European communism. Focusing on developments in Czechoslovakia from the crushing of the Prague Spring in August 1968 to the Velvet Revolution of November 1989, the book examines a broad range of political, social and cultural issues while also analysing external perceptions and relations. It explores the concept of normalisation in historical context and brings together British, American, Czech and Slovak experts, each with their own archival research and particular interpretations. Overall, the anthology aims to assess the means by which the Prague Spring reforms were repealed and how Czechoslovakia was returned to a normal communist state in line with Soviet orthodoxy. Key themes include the Communist Party and ideology, State Security, Slovak developments, auto-normalisation, women and gender, cultural and intellectual currents, everyday life and popular opinion, and Czechoslovakia's political and cultural relationship with the USSR, the GDR, Poland and Yugoslavia. The volume sheds light on the process of decay of the Czechoslovak communist regime and the reasons for its ultimate collapse in 1989.

Emigré Feminism Alena Heitlinger, 1999-01-01 The thirteen articles presented here originated with a conference on emigre feminism held at Trent University in October 1996. The authors, most of them now living in Canada, are scholars from South Africa, Uganda, Chile, Trinidad and Tobago, Greece, Hungary, the Czech Republic, Poland, Turkey, Iran, Finland and New Zealand.

Whispering the Strategies of Language: An Emotional Quest through **Reproduction Medicine And The Socialist State**

In a digitally-driven world where monitors reign great and instant conversation drowns out the subtleties of language, the profound strategies and mental subtleties concealed within words frequently get unheard. However, located within the pages of **Reproduction Medicine And The Socialist State** a fascinating fictional value pulsing with natural thoughts, lies an exceptional journey waiting to be undertaken. Written by an experienced wordsmith, this wonderful opus invites visitors on an introspective journey, delicately unraveling the veiled truths and profound influence resonating within ab muscles fabric of each word. Within the mental depths of the emotional evaluation, we can embark upon a honest exploration of the book is key styles, dissect its charming writing design, and fail to the powerful resonance it evokes heavy within the recesses of readers hearts.

Reproduction Medicine And The Socialist State Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reproduction Medicine And The Socialist State has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reproduction Medicine And The Socialist State has opened up a world of possibilities. Downloading Reproduction Medicine And The Socialist State provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reproduction Medicine And The Socialist State has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reproduction Medicine And The Socialist State. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reproduction Medicine And The Socialist State. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reproduction Medicine And The Socialist State, users should also consider the potential security risks associated with online platforms.

Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reproduction Medicine And The Socialist State has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reproduction Medicine And The Socialist State Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reproduction Medicine And The Socialist State is one of the best book in our library for free trial. We provide copy of Reproduction Medicine And The Socialist State in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reproduction Medicine And The Socialist State. Where to download Reproduction Medicine And The Socialist State online for free? Are you looking for Reproduction Medicine And The Socialist State PDF? This is definitely going to save you time and cash in something you should think about.
