Republican Facist Germany

John Hiden

Republican Facist Germany:

Republican and Fascist Germany John Hiden, 2020-10-28 This important addition to modern German studies treats the Weimar Republic and the Third Reich as a continuum exploring its themes through the 1920s and 1930s without artificial breaks John Hiden looks at key issues in political social and economic history and in international relations He highlights Germany's potentially constructive role in Europe before Hitler analyses the country's structural problems considers the importance of personalities and personal responsibility in the period and examines the legacy of the Third Reich to postwar Germany Filled with energy and ideas the book has an intellectual substance far beyond its relatively modest length Old Nazis, the New Right, and the Republican Party Russ Bellant, 1991 A provocative sometimes chilling expose of domestic fascist networks which include Nazi collaborators within the Republican Party *A History of Fascism, 1914-1945* Stanley G. Payne, 1996-01-01 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly **The Republican Treason** Joseph Burrell, 2008 This book is a polemic directed against the Republican Party and the conservative movement drawing largely on their own published statements Alleging that the Republican Party is fascist and treasonous the author defines both fascism and treason and offers quoted testimony in support of his claim He shows that the US policy of political warfare around the world was originated under President Eisenhower and is still going on full force In the wake of World War II the US attacked democratic movements on the false claim of fighting communism Now democratic movements are targeted on the false claim of fighting terrorism suggesting that they are a threat to US security Deciphering some of the code words and unmasking the misleading motivations that have been used to make US citizens support war the book is a guide to reading between the lines of Washington news briefs and campaign rhetoric The author discusses the hypocritical nature of the Republican Party and describes an important change in this country's foreign policy from the Truman administration's containment of communism to a new policy of political warfare that has held sway ever since The narrative analyzes the Republican Party's overblown and misdirected anti communism and its fascist orientation Publisher's description **Spanish Republicans and the Second World War** Jonathan Whitehead, 2021-09-30 Spanish Republicans and the Second World War tells the stories of the 500 000 Spanish Republicans that fled across the Pyrenees in 1939 as Catalonia fell to Franco's victorious army in the final weeks of the Civil War Many of the exiles played an active part in the

Second World War Some joined the French and British armed forces and saw action in various theatres including Africa and Europe both in 1940 and after D Day In August 1944 Spanish Republicans in the La Nueva Company of General Leclerc's Deuxième Blindée were the first Allied troops into Paris during the liberation of the French capital Those that had remained in Vichy France were active in the early days of the French Resistance and Republican Maquis also played a significant part in the liberation of the south west of France in 1944 Those who fought the Axis troops in Spain during the Civil War and then again in France assumed that once the Allies had defeated the Nazis they would launch a military campaign to overthrow Franco's government in Spain In October 1944 a force of thousands of Spanish Maquis took part in Operación Reconquista the invasion of the Valley of Aran on the Spanish side of the Pyrenees Their declared aim was to trigger a popular uprising and force the Allies to intervene against Franco's dictatorship Whitehead also examines the role of the Spanish volunteers of the División Azul who swore an oath of allegiance to Hitler and fought with the Wehrmacht on the Eastern Front the role of the master double agent Garbo who played a crucial part in the success of D Day the strategic importance of Gibraltar and the activities of the British diplomatic corps and secret services in resisting Hitler's plans to invade the Iberian Peninsula

Original Nation Approaches to Inter-National Law Hiroshi Fukurai, Richard Krooth, 2021-04-08 This book introduces the Original Nation scholarship to examine the historical genealogy of the nation's struggles against the state A fundamentally different portrait of history geography politics and the role of law emerges when the perspective of the nation and peoples is placed at the center of geopolitical analysis of global affairs In contrast to traditional and canonical state-centric narratives the Original Nation scholarship offers a diametrically distinct on the ground and bottom up portrait of the struggle resistance and defiance of the nation and peoples It exposes persistent global patterns of genocide ecocide and ethnocide that have resulted from attempts by the state to occupy suppress exploit and destroy the nation The Original Nation scholarship offers a powerful and widely applicable intellectual tool to examine the history of resilience emancipatory struggles and collective efforts to build a vibrant alternative world among the nation and peoples across the globe

World Fascism Cyprian Blamires, 2006-09-18 This book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war heroes among its most fervent adherents From the followers of Hajj Amin Al Husseini the Arab leader who met with Adolf Hitler in November 1942 to the murderous death squads of the Croatian Ustasha to certain members of the British Establishment fascism's heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions races and classes Now widely reviled fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s How did civilized nations like Italy Germany Austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale *World Fascism A Historical Encyclopedia* covers all

the key personalities and movements throughout the history of fascism and brings to light some of the ideology's lesser known aspects from Hindu extremists in India to the influential role of certain women in fascist movements How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth What can explain fascism's enduring appeal

The Bloomsbury Handbook of the Spanish Civil War Antonio Cazorla-Sanchez, Alison Ribeiro de Menezes, Adrian Shubert, 2023-11-30 In 25 innovative thematic essays The Bloomsbury Handbook of the Spanish Civil War sees an interdisciplinary team of scholars examine a conflict that more than 80 years after its conclusion continues to generate both scholarly and public controversy Split into four main sections covering Military and Diplomatic Issues Society and Culture Politics and Debates the volume offers a number of unique features It is unprecedented in its comprehensiveness and includes chapters on topics that are rarely if ever explored in the literature of the field humanitarianism children and families material conditions the decimation of elites archives and sources archaeological approaches digital approaches public history and cultural studies approaches Instead of discussing each of the two warring sides Republicans and Francoists separately as is so often the case the book's thematic structure means that these opposing forces are examined together facilitating comparison and fresh understanding in numerous areas of study Contributors from the UK the USA Canada Spain and Denmark also analyse the major controversies and disputes surrounding each topic as part of a detailed exploration of one of the seminal events of the 20th century

History Adam Hart-Davis, 2012-03-20 Homo sapiens have remained the same species largely unchanged in genetic makeup and anatomy since the Cro Magnon era By contrast the cultural social and technological changes since then have been nothing less than extraordinary At the core of this development is the ability of humans to store and transmit knowledge so that each new generation stands upon the shoulders of its predecessors This ability to use what has gone before is what sets humans apart Telling our story from prehistory to the present day DK's History is a thought provoking journey revealing the common threads and forces that have shaped human history Taking a broad themed approach acknowledging varied factors at work from climate ecology disease and geology and their roles in the human story this visual celebration makes history accessible and relevant putting events in their wider context and showing how they have shaped the world we live in Features inventions discoveries and ideas that have shaped world history Looks at human achievement through artifacts painting sculpture and architecture Places humankind in context as part of the natural world Includes eyewitness accounts and biographies of key figures at turning points in history Gives factors such as climate and natural disasters their full place in the human story Uncovers the past from analyzing ice cores to deciphering extinct languages A comprehensive timeline chronicles the key events of the countries of the world

Rising Fascism in America Anthony DiMaggio, 2021-12-30 *Rising Fascism in America* It Can Happen Here explores how rising fascism has infiltrated U S politics and how the media and academia failed to spot its earlier rise Anthony R DiMaggio spotlights the development of rightwing polarization of the media

Trump's political ascendance and the prominence of extremist activists including in Congress Fascism has long bubbled under the surface until the coup attempt of January 6th 2021 This book offers tactics to combat fascism exploring social movements such as Antifa and Black Lives Matter in mobilizing the public When so little scholarship engages the question of fascism Anthony R DiMaggio combines the rigor of academic analysis with an accessible style that appeals to student and general readers *Foreign Fighters and the Extreme Right* Daniel Koehler, Miroslav Mareš, 2025-10-29 *Foreign Fighters and the Extreme Right* is the first comprehensive academic study taking an in depth look at white supremacists neo Nazis and other right wing extremists leaving their home countries to join armed groups fighting in civil wars and other armed conflicts The phenomenon known as Foreign Fighters has so far mainly been looked at in the context of Jihadist groups like ISIS recruiting fighters from all over the world for the Syrian and Iraqi conflicts Widely unnoticed the war ongoing in Ukraine has also resulted in a stream of foreign recruits but with a totally different ideology Right wing extremists from many countries have travelled to Ukraine in order to take part in the armed conflict against Russia Many have already returned to their countries of origin mostly unnoticed and unhindered by law enforcement agencies Looking more carefully one also can see a much longer history of right wing extremist foreign fighting in various conflicts for example the Yugoslavian war the Algerian conflict and in South America in the aftermath of the Vietnam war Bringing together world leading experts on right wing extremism and terrorism this collection of extreme right wing foreign fighting case studies since the end of the Second World War sheds light on a topic with significant importance which has yet remained mostly in the dark This book will be of interest to all those with an interest in small wars terrorism peace and conflict studies and right wing extremism *Fascism and the Right in Europe 1919-1945* Martin Blinkhorn, 2014-07-22 This new text places interwar European fascism squarely in its historical context and analyses its relationship with other right wing authoritarian movements and regimes Beginning with the ideological roots of fascism in pre 1914 Europe Martin Blinkhorn turns to the problem torn Europe of 1919 to 1939 in order to explain why fascism emerged and why in some settings it flourished while in others it did not In doing so he considers not just the major fascist movements and regimes of Italy and Germany but the entire range of fascist and authoritarian ideas movements and regimes present in the Europe of 1919 1945 *Italy and the Second World War*, 2018-06-05 *Italy in the Second World War Alternative Perspectives* stems from the necessity to write an important page of Second World War history by focusing on the Italian war experience which has been overshadowed in international research by the attention given to its senior Axis partner Drawing extensively on material from Italian and international archives a team of Italian and international historians led by Emanuele Sica and Richard Carrier offers a broad ranging volume on the war seen through the lens of Italian soldiers and civilians and populations occupied by the Italian army Contributors are Luca Baldissara Cindy Brown Federico Ciavattone Nicol Da Lio Paolo Fonzi Francesco Fusi Eric Gobetti Federico Goddi Andrea Martini Niall MacGalloway Amedeo Osti Guerrazzi Paolo Pezzino Matteo Pretelli Nicholas Virtue **Mussolini and the**

Eclipse of Italian Fascism R. J. B. Bosworth, 2021-03-02 An incisive account of how Mussolini pioneered populism in reaction to Hitler's rise and thereby reinforced his role as a model for later authoritarian leaders On the tenth anniversary of his rise to power in 1932 Benito Mussolini 1883 1945 seemed to many the good dictator He was the first totalitarian and the first fascist in modern Europe But a year later Hitler's entrance onto the political stage signaled a German takeover of the fascist ideology In this definitive account eminent historian R J B Bosworth charts Mussolini's leadership in reaction to Hitler Bosworth shows how Italy's decline in ideological pre-eminence as well as in military and diplomatic power led Mussolini to pursue a more populist approach angry and bellicose words at home violent aggression abroad and a more extreme emphasis on charisma In his embittered efforts to bolster an increasingly hollow and ruthless regime it was Mussolini rather than Hitler who offered the model for all subsequent authoritarians

Fascism: The Total Society H.R. Morgan, 2013-09-09 After years of research American syndicalist author H R Morgan presents a collection of the key statements made by the early Fascist leaders and their best thinkers Included are criticisms of and solutions to all of the problems troubling the world today Both the causes of global misery and the reasons for their having happened are plainly mentioned The solutions are simply stated and strait forward If you want to know why things today are the way they are read this book Contained within its pages is a sweeping panorama of pertinent statements made by those realists of the twentieth century that is actually from the 1880s on up to today Fascism is not racism says Morgan Fascism is realism It is a doctrine of realistic social and economic policies for today's world It is neither right wing or left wing it is the extreme radical center It is thinking outside of the box as they say The book begins with a very informative introduction containing a large amount of historical background It is however preceded with a preface of equally historical and semi biographical importance Afterward is the main text called the Codex The Codex is a long anthology of excerpts quotes paraphrases citations and commentary The book ends with a final word by Morgan Also included is a complete bibliography and index It is recommended for first or second year political science majors and for all those who are interested in the true meaning of Fascism for our time rather than what they've seen and heard on television and in the mass media

Fascism in Europe, 1919-1945 Philip Morgan, 2003-09-02 Fascism in Europe 1919 1945 surveys the phenomenon which is still the object of interest and debate over fifty years after its defeat in the Second World War It introduces the recent scholarship and continuing debates on the nature of fascism as well as the often contentious contributions by foreign historians and political scientists From the pre First World War intellectual origins of Fascism to its demise in 1945 this book examines the two waves of fascism in the immediate post war period and in the late 1920s and early 1930s whether the European crisis created by the Treaty of Versailles allowed fascism to take root why fascism came to power in Italy and Germany but not anywhere else in Europe fascism's own claim to be an international and internationalist movement the idea of totalitarianism as the most useful and appropriate way of analyzing the fascist regimes

The Third Reich Sourcebook Anson Rabinbach, Sander L. Gilman, 2013-07-10 This book is a collection of

documents mostly translated from the German that covers the entire Third Reich from the beginnings of National Socialism in Munich in 1919 through the rise of Nazism in the 1930s and ultimately the defeat of the Third Reich It is wide ranging covering the core doctrine of anti-Semitism education German youth women and marriage science health the Church literature visual arts music the body industry sports and the resistance

An Authoritarian Third Way in the Era of Fascism António Costa Pinto, 2021-11-25 This book takes a transnational and comparative approach that analyses the process of diffusion of a third way in selected transitions to authoritarianism in Europe and Latin America When looking at the authoritarian wave of the 1930s it is not difficult to see how some regimes appeared to offer an authoritarian third way somewhere between democracy and fascism It is in this context that some Iberian dictatorships such as those of Primo de Rivera in Spain Salazar's New State in Portugal and the short lived Dollfuss regime in Austria are mentioned frequently Especially during the 1930s and in those parts of Europe under Axis control these models were discussed and often adopted by several dictatorships This book considers how and why these dictatorships on the periphery of Europe especially Salazar's New State in Portugal inspired some of these regimes new political institutions particularly within Europe and Latin America It pays special attention to how as they proposed and pursued these authoritarian reforms these domestic political actors also looked at these institutional models as suitable for their own countries The volume is ideal for students and scholars of comparative fascism authoritarian regimes and European and Latin American modern history and politics

The Last Peasant War Jakub S. Beneš, 2025-01-28 A history of the largely forgotten peasant revolution that swept central and eastern Europe after World War I and how it changed the course of interwar politics and World War II As the First World War ended villages across central and eastern Europe rose in revolt Led in many places by a shadowy movement of army deserters peasants attacked those whom they blamed for wartime abuses and long years of exploitation large estate owners officials and merchants who were often Jewish At the same time peasants tried to realize their rural visions of a reborn society establishing local self government or attempting to influence the new states that were being built atop the wreckage of the Austro-Hungarian and Russian Empires In *The Last Peasant War* Jakub Beneš presents the first comprehensive history of this dramatic and largely forgotten revolution and traces its impact on interwar politics and the course of the Second World War Sweeping large portions of the countryside between the Alps and the Urals from 1917 to 1921 this peasant revolution had momentous aftereffects especially among Slavic peoples in the former lands of the Austro-Hungarian Empire It enabled an unprecedented expansion of agrarian politics in the interwar period and provided a script for rural resistance that was later revived to resist Nazi occupation and to challenge Communist rule in east central Europe By shifting historical focus from well studied cities to the often neglected countryside *The Last Peasant War* reveals how the movements and ambitions of peasant villagers profoundly shaped Europe's most calamitous decades

Republican Facist Germany: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Republican Facist Germany : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Republican Facist Germany : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Republican Facist Germany Introduction

In today's digital age, the availability of Republican Facist Germany books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Republican Facist Germany books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Republican Facist Germany books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of

them for educational or professional purposes. By accessing Republican Facist Germany versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Republican Facist Germany books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Republican Facist Germany books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Republican Facist Germany books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Republican Facist Germany books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Republican Facist Germany books and manuals for download and embark on your journey of knowledge?
