## Republican Scrap:

Annual Bulletin ... ,1913      **Bulletin ...** Grand Rapids Public Library (Grand Rapids, Mich.),1911      **Hearings** United States. Congress. Senate. Committee on Small Business,1959      Alphabetical Finding List ,1921      *Congressional Record* United States. Congress,1957 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **Remains of the Everyday** Joshua Goldstein,2020-12-22 Remains of the Everyday traces the changing material culture and industrial ecology of China through the lens of recycling Over the last century waste recovery and secondhand goods markets have been integral to Beijing s economic functioning and cultural identity and acts of recycling have figured centrally in the ideological imagination of modernity and citizenship On the one hand the Chinese state has repeatedly promoted acts of voluntary recycling as exemplary of conscientious citizenship On the other informal recycling networks from the night soil carriers of the Republican era to the collectors of plastic and cardboard in Beijing s neighborhoods today have been represented as undisciplined polluting and technologically primitive due to the municipal government s failure to control them The result Joshua Goldstein argues is the repeatedly re inscribed exclusion of waste workers from formations of modern urban citizenship as well as the intrinsic liminality of recycling itself as an economic process      **Index to the Catalogue of Books in the Bates Hall of the Public Library of the City of Boston** Boston Public Library,1866      Index to the Catalogue of Books in the Upper Hall of the Public Library of the City of Boston Boston Public Library,1866      Index to the Catalogue of Books in the Bates Hall ... First Supplement. (Index to the City Documents from 1834 to 1865.). BOSTON, Massachusetts. Public Library,1866      *The Tammany Times* ,1899      **The Republican Scrap Book** ,1856      **The Origins of the Republican Party, 1852-1856** William E. Gienapp,1987 The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation s two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America Publisher

**To Govern the Devil in Hell** Pearl Ponce, 2014-06-30 One hundred and fifty years after Kansas was admitted to the Union we still find ourselves fascinated by the specter of Bleeding Kansas and the violence that preceded the American Civil War by five years Although ample attention has been devoted to understanding why territorial violence broke out in Kansas in 1856 of equal concern but less illuminated is the question of why government both local and national allowed the violence to continue unstanched for so long This question is fundamentally about governance its existence exercise limits and continuance and its study has ramifications for understanding both Kansas events and why the American experiment in government failed in 1861 In addition the book also sheds light on the nature of democracy the challenges of implanting it in distant environs the necessity of cooperation at the various levels of government and the value of strong leadership To Govern the Devil in Hell uses the prism of governance to investigate what went wrong in territorial Kansas From the first elections in late 1854 and early 1855 local government was tarnished with cries of illegitimacy that territorial officials could not ameliorate Soon after a shadow government was created which further impeded local management of territorial challenges Ultimately this book addresses why Presidents Franklin Pierce and James Buchanan failed to act what hindered Congress from stepping into the void and why and how the lack of effective governance harmed Kansas and later the United States     The Jefferson Image in the American Mind Merrill D. Peterson, 1998 Since its publication in 1960 The Jefferson Image in the American Mind has become a classic of historical scholarship In it Merrill D Peterson charts Thomas Jefferson s influence upon American thought and imagination since his death in 1826 Peterson shows how the public attitude toward Jefferson has always paralleled the political climate of the time the complexities of the man his thoughts and his deeds being viewed only in fragments by later generations He explains how the ideas of Jefferson have been distorted defended pilloried

or used by virtually every leading politician historian and intellectual Through most of our history political parties have engaged in an ideological tug of war to see who would wear the mantle of Jefferson      **Catalogue of the American Philosophical Society Library** American Philosophical Society.
