Reger, Rachel L. Einwohner**

Republican War Against Women An Insiders Report From Behind The Lines:

The Republican War Against Women Tanya Melich,2009-10-21 In 1980 Republicans used appeals to sexist and racist bigotry to win the Presidency The party adopted an electoral strategy that included getting votes by playing on the fear and uncertainty engendered by the civil rights and women s political movements and continued to use this strategy in the campaigns of 1984 1988 and 1992 Under the Reagan and Bush administrations this strategy became a crucial part of the party s governing policies This book is not a political science treatise nor a description of political campaigns it is a documented account of a grab for power that as the years pass continues to intensify antagonism between the sexes and to sow unnecessary division among the American people As a longtime Republican activist and a delegate to the 1992 convention Tanya Melich has observed these actions from within and documents this takeover and the Party s ongoing practices such as embracing the Christian right in a devastating factual and often hair raising report A combination of history expos reasoned polemic and call to arms this book has now been enriched by two completely new chapters that assesses the outcome of the 1996 election in terms of the book s thesis and realistically lays out the future both in terms of what it will be if the right wing elements of the Republican party continue to set the agenda and how it can be changed if centrist women and men take charge of that agenda The heart of such change lies with Independents who now constitute a startling 39 percent of Americans 31 percent identify themselves as Democrats and 30 percent as Republicans We are not a country of strong party loyalties and the enormous growth of independents is the signal that change is not only possible but achievable As a superb political pro the author offers hardheaded strategies for such change Reaganland Rick Perlstein,2021-08-17 From the bestselling author of *Nixonland* and *The Invisible Bridge* comes the dramatic conclusion of how conservatism took control of American political power

Mobilizing Resentment Jean Hardisty,2000-09-15 *Mobilizing Resentment* provides a wealth of information for anyone interested in how to refocus the energy and idealism of the progressive movement on the building of institutions that are relevant to the lives of most Americans Wilma Mankiller from the Foreword Jean Hardisty draws a map of the political battles now being fought in America and offers lessons for progressives confronting combating and constructively engaging the Right in more productive ways In this provocative book Jean Hardisty details the formation of right wing movements in opposition to the struggle for expansion of rights for women people of color and lesbians and gays Her own experiences spanning three decades as both an activist and observer undergird her analysis in riveting ways We see her in a stadium filled with Promise Keepers watching thousands of men pledge in unison to take control of their families with a mixture of awe fear and a lucid understanding of what draws people to such charismatic events *Mad as Hell* Dominic Sandbrook,2012-02-14 I m mad as hell and I m not going to take it anymore The words of Howard Beale the fictional anchorman in 1976 s hit film *Network* struck a chord with a generation of Americans In this colourful new history Dominic Sandbrook ranges seamlessly over the political economic and cultural high and low points of American life in the

1970s exploring the roots of the fears resentments cravings and disappointments we know so well today From Richard Nixon and Ronald Reagan to Anita Bryant and Jerry Falwell he shows how the 1970s saw the emergence of a new right wing populism setting the stage for the bitter partisanship and near total cynicism of our modern political landscape *The Oxford Handbook of U.S. Women's Social Movement Activism* Holly J. McCammon, Verta A. Taylor, Jo Reger, Rachel L. Einwohner, 2017 The Oxford Handbook of U S Women s Social Movement Activism provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time Doctors and Demonstrators Drew Halfmann, 2011-07-15 Since Roe v Wade abortion has continued to be a divisive political issue in the United States In contrast it has remained primarily a medical issue in Britain and Canada despite the countries shared heritage Doctors and Demonstrators looks beyond simplistic cultural or religious explanations to find out why abortion politics and policies differ so dramatically in these otherwise similar countries Drew Halfmann argues that political institutions are the key In the United States federalism judicial review and a private health care system contributed to the public definition of abortion as an individual right rather than a medical necessity Meanwhile Halfmann explains the porous structure of American political parties gave pro choice and pro life groups the opportunity to move the issue onto the political agenda A groundbreaking study of the complex legal and political factors behind the evolution of abortion policy Doctors and Demonstrators will be vital for anyone trying to understand this contentious issue The Conservative Ascendancy Donald T. Critchlow, 2011-09-07 Hailed as perhaps the best scholarly overview of the conservative movement in print American Conservative Donald Critchlow s The Conservative Ascendancy has depicted as no other book has the wild ride of the Republican Right Newly updated and available for the first time in paperback it continues to offer the best account of the conservative struggle to reverse the momentum of the New Deal In tracing the conservative revival Critchlow chronicles how conservative beliefs were translated into political power He shows how conservatives from think tank theorists to grassroots mobilizers gained control of the Republican party by defeating its liberal eastern wing only to find that the welfare state was not so easily dismantled Looking back at the 1964 Goldwater debacle and the scandal plagued Nixon years he then revisits the triumph of the Reagan presidency and describes how George W Bush injected into American politics a level of partisanship not seen since the nineteenth century Critchlow recounts the conflict between purity of principle and political practice for conservatives and the dilemma of maintaining an anti statist ideology in an era of mass democracy and Cold War hostilities Throughout he delineates the intellectual foundations of the Right s positions including the ongoing schism that separates social conservatives from libertarians while plumbing America s increasing ideological divide This updated edition not only features a new preface and conclusion but also boasts an entirely new chapter covering the 2008 presidential election the 2008 financial meltdown the first two years of Obama s presidency the emergence of the Tea Party the 2010 midterms and ongoing economic problems Here Critchlow

foresees a new epoch in which the old conservative progressive divide is unable to address the problems caused by national debt entitlement deficits and a new global economy a new reality sure to transform both parties As conservatives continue to wave the banners of limited government individual responsibility and free enterprise Critchlow s book provides a clear guide to the country s most dynamic political movement and is essential reading for students and citizens alike as the political center continues to tack to the right Discussing Borders, Escaping Traps Franck Orban,Elin Strand Larsen,2019-11-18 We live in strange times Old borders are vanishing just before our astonished eyes while new ones are rapidly emerging Nearly three decades after the publication of Francis Fukuyama s The End of History and the Last Man the zeitgeist that predicted a bright future for mankind to a large extent turned out to be rather more of a dystopia Crises in and outside Europe multiplied the number of border controls triggered the construction of walls and fences and widened ideological gaps The book Discussing Borders Escaping Traps is a transdisciplinary and transspatial approach to investigating these vanishing emerging and changing material and immaterial borders It is the result of a two year project by AreaS a research group in area studies located at stfold University College in Norway and by AreaS partners **Rhetoric Across Borders** Anne Teresa Demo,2015-07-15 Rhetoric Across Borders features a select representation of 27 essays and excerpts from the In Conversation panels at the Rhetoric Society of America s 2014 conference on Border Rhetorics Targets of Hatred Patricia Baird-Windle,Eleanor J. Bader,2015-02-10 Targets of Hatred charts the development of the anti abortion movement in North America Beginning in the years preceding the 1973 Roe vs Wade decision that legalized abortion the book examines the roles played by the Catholic Church Fundamentalist Protestants and Republican and Democratic parties and assesses points of overlap and divergence The voices of more than 190 providers in the United States and Canada clinic owners doctors nurses technicians and their families give readers an in depth look at what it means to work in a field in which arson bombings harassment and killing are routine Filled with dramatic eye witness accounts of anti abortion terrorism the book demonstrates law enforcement s failure to stem the violence and is a call to arms for concerned individuals **Oreos and Dubonnet** Joseph H. Boyd Jr.,Charles R. Holcomb,2012-07-17 A unique figure and an outsized personality Nelson Aldrich Rockefeller was a man whose character personal style and of course wealth shaped both his goals and how he pursued them Although many stories about Rockefeller have been published over the years many more remain to be told and in Oreos and Dubonnet Rockefeller s former advance man and personal assistant Joseph H Boyd Jr and former political reporter Charles R Holcomb bring together scores of behind the scenes anecdotes accounts and observations from a wide variety of people who worked with and for Rockefeller in various circumstances Some of them and even the title itself which refers to the two things that Rockefeller asked to have in his hotel room at every campaign stop add amusing or telling detail to the mosaic of this complex and creative man Others illustrate the personal approaches or techniques he relied on to persuade cajole or otherwise get his way in the rough and tumble world of gubernatorial and presidential politics And all of them add to our

understanding of one of New York's most lively and influential governors **Feminists Who Changed America, 1963-1975** Barbara J. Love, 2006-09-22 Documents the key feminists who ignited the second wave women's movement. This work tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws.

Divided We Stand Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters in Hulu's *Mrs. America* and a broader portrait of the two women's movements that spurred an enduring rift between liberals and conservatives. The many admirers of *Mrs. America* will find great satisfaction in *Divided We Stand*, a clear, compelling and deeply insightful volume. *The Washington Post*: One of *Smithsonian Magazine's* Ten Best History Books of the Year. In the early 1970s, an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition. Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston, Texas. As Bella Abzug, Gloria Steinem, and other feminists endorsed hot-button issues such as abortion rights, the ERA, and gay rights, Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro-family movement. *Divided We Stand* reveals how crucial women and women's issues have been in the shaping of today's political culture. After the National Women's Conference, Democrats continued to back women's rights in cooperation with a more diverse feminist movement, while the GOP abandoned its previous support for women's rights and defined itself as the party of family values, irrevocably affecting the course of American politics.

The Politics of Women's Rights Christina Wolbrecht, 2010-04-24 Here Christina Wolbrecht boldly demonstrates how the Republican and Democratic parties have helped transform and have been transformed by American public debate and policy on women's rights. She begins by showing the evolution of the positions of both parties on women's rights over the past five decades. In the 1950s and early 1960s, Republicans were slightly more favorable than Democrats, but by the early 1980s, the parties had polarized sharply, with Democrats supporting and Republicans opposing such policies as the Equal Rights Amendment and abortion rights. Wolbrecht not only traces the development of this shift in the parties' relative positions, focusing on party platforms, the words and actions of presidents and presidential candidates, and the behavior of the parties' delegations in Congress, but also seeks to explain the realignment. The author considers the politically charged developments that have contributed to a redefinition and expansion of the women's rights agenda since the 1960s, including legal changes, the emergence of the modern women's movement, and changes in patterns of employment, fertility, and marriage. Wolbrecht explores how party leaders reacted to these developments and adopted positions in ways that would help expand their party's coalition. Combined with changes in those coalitions, particularly the rise of social conservatism within the GOP and the affiliation of social movement groups with the Democratic party, the result was the polarization characterizing the parties' stances on women's rights today.

Unraveling The Right Amy Ansell, 2019-05-20 This book focuses on an alternative perspective on

the relevance of today's conservatism in American thought and politics. It analyzes the most central and most significant public issues confronting our society at the end of the twentieth century.

New York State and the Rise of Modern Conservatism Timothy J. Sullivan, 2008-12-01 From the early 1960s until 1980 New York's Conservative and Republican Parties battled on the editorial page at the ballot box and in the courts over the ideology of the GOP. New York State and the Rise of Modern Conservatism recounts the story of how New York, reputedly the most liberal of all states, played a critical role in conservatism's political ascendancy and in the redrawing according to ideology of the country's party lines. Examining the colorful personalities central to the transformation, including Governor Nelson Rockefeller, William F. Buckley Jr., John Lindsay, Roy Cohn, Jackie Robinson, Clare Booth Luce, G. Gordon Liddy, and William Casey, author Timothy J. Sullivan recounts the details of the party's battle, a battle that ultimately forced the state's liberal Republicans to choose between their party and their ideology, resulting in a reliably conservative national GOP prepared to nominate Ronald Reagan.

Ruth Bader Ginsburg Jane Sherron de Hart, 2020-04-28 NATIONAL BESTSELLER A vivid account of a remarkable life. The Washington Post In this comprehensive revelatory biography, fifteen years of interviews and research in the making, historian Jane Sherron De Hart explores the central experiences that crucially shaped Ginsburg's passion for justice, her advocacy for gender equality, and her meticulous jurisprudence. At the heart of her story and abiding beliefs is her Jewish background, specifically the concept of *tikkun olam*, the Hebrew injunction to repair the world, with its profound meaning for a young girl who grew up during the Holocaust and World War II. Ruth's journey begins with her mother, who died tragically young, but whose intellect inspired her daughter's feminism. It stretches from Ruth's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia Law Schools, to becoming one of the first female law professors in the country and having to fight for equal pay and hide her second pregnancy to avoid losing her job, to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti-sex discrimination cases before the U.S. Supreme Court. All this, even before being nominated in 1993 to become the second woman on the Court, where her crucial decisions and dissents are still making history. Intimately and personally told, this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence, American society, and our American character and spirit will reverberate deep into the twenty-first century and beyond. REVISED AND UPDATED WITH A NEW AFTERWORD

The Texas Right David O'Donald Cullen, Kyle G. Wilkison, 2014-02-15 In *The Texas Right*, The Radical Roots of Lone Star Conservatism, some of our most accomplished and readable historians push the origins of present-day Texas conservatism back to the decade preceding the twentieth century. They illuminate the initial factors that began moving Texas to the far right, even before the arrival of the New Deal. By demonstrating that Texas politics foreshadowed the partisan realignment of the erstwhile Solid South, the studies in this book challenge the traditional narrative that emphasizes the right-wing critique of modern America voiced by, among others, radical conservatives of the state's Democratic Party beginning in

the 1930s As the contributors show it is impossible to understand the Jeffersonian Democrats of 1936 the Texas Regular movement of 1944 the Dixiecrat Party of 1948 the Shivercrats of the 1950s state members of the John Birch Society Texas members of Young Americans for Freedom Reagan Democrats and most recently even the Tea Party movement without first understanding the underlying impulses that produced their formation **Gloria Steinem** Sydney Ladensohn Stern,2023-10-03 Includes a new afterword A richly detailed biography of the iconic feminist based on interviews with friends family colleagues and Steinem herself The Washington Post Going beyond Gloria Steinem s public persona this biography provides an in depth portrait of the famed activist covering her family of origin Smith College education travels in India founding of Ms magazine and much more drawn from fifty hours of interviews with Steinem as well as conversations with more than two hundred people in her life Stern s biography is sympathetic but critical about the woman who was once perhaps the foremost figure of American feminism Follows its subject from her childhood with a mentally ill mother and ne er do well father through her rise in the women s movement The New York Times Book Review Feminist icon goddess social climber bunny who is Gloria Steinem All of the above according to this serious new biography A real look at Steinem off the public platform Kirkus Reviews Avoiding esoteric psychological or feminist theorizing Stern still provides a clear context for Steinem s development both as a public figure and as an exemplar of the movement that seeks to have women define themselves as autonomous individuals Library Journal Includes photographs **US Foreign Policy** Michael Cox,Doug Stokes,2018 Critical and connected brings together diverse political perspectives from the world s leading experts giving students the tools to critically evaluate America s ever changing role in international politics and to connect theory to real events

Republican War Against Women An Insiders Report From Behind The Lines Introduction

In today's digital age, the availability of Republican War Against Women An Insiders Report From Behind The Lines books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Republican War Against Women An Insiders Report From Behind The Lines books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Republican War Against Women An Insiders Report From Behind The Lines books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Republican War Against Women An Insiders Report From Behind The Lines versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Republican War Against Women An Insiders Report From Behind The Lines books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Republican War Against Women An Insiders Report From Behind The Lines books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Republican War Against Women An Insiders Report From Behind The Lines books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their

own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Republican War Against Women An Insiders Report From Behind The Lines books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Republican War Against Women An Insiders Report From Behind The Lines books and manuals for download and embark on your journey of knowledge?

FAQs About Republican War Against Women An Insiders Report From Behind The Lines Books

1. Where can I buy Republican War Against Women An Insiders Report From Behind The Lines books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
