

# Republican Germany

**Larry Eugene Jones**

## **Republican Germany:**

**Republican and Fascist Germany** John Hiden, 2020-10-28 This important addition to modern German studies treats the Weimar Republic and the Third Reich as a continuum exploring its themes through the 1920s and 1930s without artificial breaks John Hiden looks at key issues in political social and economic history and in international relations He highlights Germany's potentially constructive role in Europe before Hitler analyses the country's structural problems considers the importance of personalities and personal responsibility in the period and examines the legacy of the Third Reich to postwar Germany Filled with energy and ideas the book has an intellectual substance far beyond its relatively modest length *The New German Republic* Elmer Luehr, 1929 *German Military and the Weimar Republic* Karen Schaefer, 2020-03-30 This military biography examines the man who sought to rebuild the Germany Army after WWI and the rival who stoked the rise of Nazism After Germany's devastating defeat in the First World War General Hans von Seeckt became Chief of the Army Command at the Reichswehr Ministry of the Weimar Republic His job was to rebuild the shattered German army and repair the nation's standing on the world stage The punitive terms of the post war settlement made these ambitious goals nearly impossible but the most significant challenges von Seeckt faced came from within Germany Von Seeckt aimed to build a modern and efficient military with a main strategy of peaceful defense purposes This original and far sighted policy was opposed by his rival General Erich Ludendorff who led a nationalistic movement seeking revenge for Germany's defeat Ludendorff proposed to rebuild the once mighty German imperial army as a major international force The failure of von Seeckt's experiment was tragically mirrored by the fall of the Weimar Republic and the rise of Hitler and Nazi Germany

**The Federal Republic of Germany at Forty-Five** Peter H. Merkl, 1995-11 This five year review of the political scene in Germany details the changing elements of German identity and the post unification problems Emerging perspectives are examined within in their domestic and international contexts and within the difficulties of finding a German role in Europe

*The German Left and the Weimar Republic* Ben Fowkes, 2014-07-10 The German Left and the Weimar Republic illuminates the history of the political left by presenting a wide range of documents on various aspects of socialist and communist activity in Germany Separate chapters deal with the policy of Social Democracy in and out of government the attempts of the Communist Party to overthrow the Weimar Republic and then later to oppose it Later chapters move away from the political scene to treat the attitudes of the parties to key social issues in particular questions of gender and sexuality The book concludes with a presentation of documents on various groups of socialist and communist dissidents Many of the documents are made accessible for the first time and each chapter begins with an original introduction indicating the current state of research *The Constitution of the German Republic* Heinrich Oppenheimer, 1923 **Party Politics in the New**

**Germany** Geoffrey Roberts, 1997-01-01 A comprehensive accessible and authoritative account of the party systems of modern Germany this book covers the period from 1945 to the present **Weimar Germany's Left-Wing Intellectuals**

Istvan Deak, 2024-03-29 The Germany between the two world wars which produced some of the greatest literary lights of the century also produced a forum worthy of them the brilliantly edited crusading left oriented but not party affiliated Weltbühne The present book tells the history of this weekly Berlin journal discusses the men that ran it and wrote it and outlines the causes for which it fought The Weltbühne had three editors the uncompromising style conscious Siegfried Jacobsohn the sharp tongued satirical Kurt Tucholsky and the enigmatic aristocratic Carl von Ossietzky martyred by the Nazis The radical intellectual elite of Germany and to some extent outside Germany contributed to the journal Heinrich Mann Alfred Polgar Erich Kästner Alfred Döblin Bertolt Brecht Leonhard Frank Theodor Plievier René Schickele Lion Feuchtwanger Ernst Toller Arnold Zweig also Arthur Koestler Romain Rolland Henry Barbusse and Leon Trotsky These men stood for the demilitarization of Germany the purge of the reactionary administration and judiciary the end of all restraints on human rights including the restraints on abortion and homosexuality complete equality of women pacifist educational policies the intellectualization of politics and politicization of the intellectuals unity of the working class parties and socialism When on May 11 1933 on Opera Square in Berlin the stormtroopers burned books of fifteen authors sinning against the German Volk thirteen of them had made contribution to the Weltbühne and since many of them were Jews the auto da f gave special pleasure to the mob Mr Deak recreates with unusual empathy the atmosphere of the era characterized by terrific social and political issues which eventually lead to the disaster of the Thirties The campaigns of the Weltbühne failed and the contributors were killed or went into exile with the journal itself moving from Berlin to Vienna to Prague to Paris before it died Mr Deak makes a lasting contribution to history by opening to a broader public the records preserved in the pages of this important but largely ignored journal by selecting and interpreting the issues and by bringing to life the personalities that gave the era its intellectual profile And understanding of the Weltbühne campaigns is indispensable for an appraisal of Central European politics in the first half of our century Mr Deak in this readable book written with the passionate interest of a person who seems to have been a participant rather than a chronicler makes this understanding possible by a lucid exposition and a searching analysis of the events This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1968

**Hitler's Stormtroopers and the Attack on the German Republic, 1919-1933** Otis C. Mitchell, 2013-10-29 Hitler was Nazi Germany and Nazi Germany was Hitler Though true to the extent that Hitler's personality leadership and ideological convictions played a massive role in shaping the nature of government and life during the Third Reich this popular view has led many writers since the end of World War II to overlook important aspects of Nazism while centering attention solely on Hitler's contributions to the Nazi Party This book seeks to fill a significant gap in the literature by concentrating particularly

on the Nazi Party and its growth during the years of the Weimar Republic examining the paramilitary presence in Germany and Bavaria after World War I Most of the book describes the development of the Nazi Storm Detachment Sturmabteilung or SA before and after the failed Beer Hall Putsch in 1923 By the time Hitler came to power in January 1933 there were perhaps as many as 400 000 of these brown shirted men often self styled revolutionaries creating violence on a daily basis and destroying the underpinnings of the Weimar Republic The book features several photographs captured from the Nazi Party s Central Publishing Facility in Munich and passed to the author in the late 1950s **U.S. Army Area Handbook for Germany** Norman C. Walpole,1964 The Federal Republic of Germany at Fifty Peter H. Merkl,2016-07-27 Fifty years after the formation of the Federal Republic and a decade after German unification we stand on the cusp of a new century and a new millennium of German history At the same time EMU marks a giant stride towards European integration and the end of the Deutschmark In this book leading international scholars reflect on the dramatic transformations of Germany s past and on Germany s future prospects Post war democratic and economic renewal is set in the context of continuing debates about German identity There are assessments of all major leaders parties and ideologies of the still unfinished agenda of integrating East and West of how the next generation of German leaders will interact with ageing governmental structures of the Bundesbank and the successes and failures of economic policy the trade unions and the media and of Germany s emerging new role in Europe and the world *German Liberalism and the Dissolution of the Weimar Party System, 1918-1933* Larry Eugene Jones,2017-10-10 Jones offers a detailed and comprehensive overview of the development and decline of the German Democratic party and the German People s party from 1918 to 1933 In tracing the impact of World War I the runaway inflation to the 1920s and the Great Depression of the 1930s upon Germany s middle class electorate the study demonstrates why the forces of liberalism were ineffective in preventing the rise of nazism and the establishment of the Third Reich Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Germany from Empire to Ruin, 1913-1945** Henry Cord Meyer,1973-06-18 **The Oxford Handbook of the Weimar Republic** Nadine Rossol,Benjamin Ziemann,2022 The Weimar Republic was a turbulent and pivotal period of German and European history and a laboratory of modernity The Oxford Handbook of the Weimar Republic provides an unsurpassed panorama of German history from 1918 to 1933 offering an indispensable guide for anyone interested in the fascinating history of the Weimar Republic **Social Conservatism and the Middle Class in Germany, 1914-1933** Herman Lebovics,2015-12-08 Uprooted by the war exposed to the full brunt of economic dislocation and fearful of losing status in face of the growing might of big business and organized labor the middle classes in Weimar Germany longed for a solution to their plight that neither the capitalism nor the socialism of their day could offer This work

examines the attempts of a number of scholars and publicists Sombart Salin Spann Niekisch Spengler and Fried to provide such a solution in the form of an ideology of social conservatism Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**A History of Modern Germany** Martin Kitchen, 2011-05-02 Featuring revised and extended coverage the second edition of *A History of Modern Germany* offers an accessible and engagingly written account of German history from 1800 to the present Provides readers with a long view of modern German history revealing its continuities and changes Features updated and extended coverage of German social change and modernization class religion and gender Includes more in depth coverage of the German Democratic Republic Examines Germany's social political and economic history Covers the unification of Germany the German Empire the Weimar Republic the Third Reich post war division the collapse of Communism and developments since reunification Addresses regional history rather than focusing on the dominant role of Prussia

*Republican Germany* Hugh Quigley, Robert Thomson Clark, Robert Thomson Clarke, 1968 **Party Strategies in Western Europe** Gemma Loomes, 2013-06-17 This book examines political party system change from a party centric perspective and assesses how and to what extent established political parties in western Europe can maintain their dominant positions Parties are increasingly competing in a changeable environment and this book assesses the ways in which political parties have tried to adapt to these changes by undertaking a study of the strategies employed by established parties since 1950 It features analysis of seventeen western European countries with eight case studies explored in greater depth including France Germany Portugal Greece Denmark Ireland Switzerland and Luxembourg The book assesses two groups of strategies institutional strategies by which parties aim for success through control of rules regulations and laws and strategies oriented towards the electorate through which parties seek success by proving themselves responsive to voters Offering a detailed empirical assessment of the frequency with which these strategies have been employed this book assesses the impact on established political parties and argues that parties can shape their own fate by strategic choices *Party Strategies in Western Europe* will be of interest to students and scholars of European politics Government and party politics

**The Burden of German History 1919-45** Michael Laffan, 2020-01-08 Originally published in 1988 *The Burden of German History 1919-45* examines the vast literature surrounding Weimar years and the National Socialist tragedy daunting even for the specialist historian or political scientist The essays included in this volume provide an invaluable guide to research of the time and provides a stimulating review of a wide range of topics in modern German cultural political economic and military history The essays are based on a series of lectures given by German and Irish scholars to a

conference on the theme Weimar Germany and National Socialism which was held in March 1986 in University College Dublin under the auspices of the Goethe Institute Dublin This book offers a significant commentary on a period of German history which included the exciting and ambivalent freedom of the Weimar society and the repressive murderous uniformity of National Socialism     *The Weimar Republic* Stephen J. Lee, 2013-09-13 The Weimar Republic provides a comprehensive introduction to Germany in the aftermath of the First World War Exploring themes including the formation of the Republic the impact of the Treaty of Versailles and the Republic s problems and achievements it is an invaluable study guide This second edition includes two new chapters the first looks at the Chancellors and Presidents of the Republic the second assesses the career of Gustav Stresemann It also contains a timeline and updated analysis to enhance readers understanding of events and controversies Integrating historical interpretation exam style questions and evaluation of sources this book provides students with a clear understanding and a foundation for examination success

### **Republican Germany Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Republican Germany PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Republican Germany PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that

the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Republican Germany free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Republican Germany Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Republican Germany is one of the best book in our library for free trial. We provide copy of Republican Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Republican Germany. Where to download Republican Germany online for free? Are you looking for Republican Germany PDF? This is definitely going to save you time and cash in something you should think about.
