Bennett Lark, 1885 **Scribner's Monthly, an Illustrated Magazine for the People**, 1879 *The People Are Dancing Again* Charles Wilkinson, 2012-02-01 The history of the Siletz is in many ways the history of all Indian tribes in America a story of heartache perseverance survival and revival It began in a resource rich homeland thousands of years ago and today finds a vibrant modern community with a deeply held commitment to tradition The Confederated Tribes of Siletz Indians twenty seven tribes speaking at least ten languages were brought together on the Oregon Coast through treaties with the federal government in 1853 55 For decades after the Siletz people lost many traditional customs saw their languages almost wiped out and experienced poverty killing diseases and humiliation Again and again the federal government took great chunks of the magnificent timber rich tribal homeland a reservation of 1 1 million acres reaching a full 100 miles north to south on the Oregon Coast By 1956 the tribe had been terminated under the Western Oregon Indian Termination Act selling off the remaining land cutting off federal health and education benefits and denying tribal status Poverty worsened and the sense of cultural loss deepened The Siletz people refused to give in In 1977 after years of work and appeals to Congress they became the second tribe in the nation to have its federal status its treaty rights and its sovereignty restored Hand in glove with this federal recognition of the tribe has come a recovery of some land several hundred acres near Siletz and 9 000 acres of forest and a profound cultural revival This remarkable account written by one of the nation's most respected experts in tribal law and history is rich in Indian voices and grounded in extensive research that includes oral tradition and personal interviews It is a book that not only provides a deep and beautifully written account of the history of the Siletz but reaches beyond region and tribe to tell a story that will inform the way all of us think about the past Watch the book trailer <https://www.youtube.com/watch?v=NEtAIGxp6pc> **The International People's Tribunal for 1965 and the Indonesian Genocide** Saskia Wieringa, Jess Melvin, Annie Pohlman, 2019-01-21 The International People's Tribunal addressed the many forms of violence during the period of the massacres of 1965 1966 in Indonesia It was held in The Hague The Netherlands in November 2015 to commemorate fifty years since the killings began The Tribunal as a people's court holds no jurisdiction and was an attempt to achieve symbolic justice for the crimes of 1965 This book offers new and previously unpublished insights into the types of crimes committed in the 1965 genocide and how these crimes were prosecuted at the International People's Tribunal for 1965 Divided thematically each chapter analyses a different crime enslavement sexual violence torture perpetrated during the Indonesian killings The contributions consider either general patterns across Indonesia or a particular region of the

Concise History of the American People Jacob Harris Patton, 1888 **Our Young People**, 1920 **Plants, People, and Places** Nancy J. Turner, 2020-08-20

For millennia, plants and their habitats have been fundamental to the lives of Indigenous Peoples as sources of food and nutrition, medicines, and technological materials, and central to ceremonial traditions, spiritual beliefs, narratives, and language. While the First Peoples of Canada and other parts of the world have developed deep cultural understandings of plants and their environments, this knowledge is often underrecognized in debates about land rights and title reconciliation, treaty negotiations, and traditional territories. *Plants, People, and Places* argues that the time is long past due to recognize and accommodate Indigenous Peoples' relationships with plants and their ecosystems. Essays in this volume by leading voices in philosophy, Indigenous law, and environmental sustainability consider the critical importance of botanical and ecological knowledge to land rights and related legal and government policy planning and decision making in Canada, the United States, Sweden, and New Zealand. Analyzing specific cases in which Indigenous Peoples' inherent rights to the environment have been denied or restricted, this collection promotes future prosperity through more effective and just recognition of the historical use of and care for plants in Indigenous cultures. A timely book featuring Indigenous perspectives on reconciliation, environmental sustainability, and pathways toward ethnoecological restoration, *Plants, People, and Places* reveals how much there is to learn from the history of human relationships with nature.
