Of Flying Saucers and Social Scientists: A Re-Reading of When Prophecy Fails and of Cognitive Dissonance Timothy Jenkins, 2013-06-20 What happens when prophecies fail Timothy Jenkins re reading of Leon Festinger's classic work on cognitive dissonance seeks to answer this question by studying a 50s doomsday group This volume explores the relations between anthropology and psychology and between social scientific and natural scientific accounts of human behavior

**Rereading Prophecy** Homer Kizer, 2002-12-01 **Re-Reading Tragic Africa** Amy Rushton, 2024-05-31 Grounded in world systemic analysis this book revisits the literary and social implications of tragedy in relation to global narratives about Africa and within fiction by writers from the continent It argues that working through the full complexity of tragedy helps to identify and challenge plots that depict Africa as reaching a tragic impasse Instead reconsidering tragedy allows for further related interventions including the implications of narratives of development the argument for formally engaging with literary texts that present challenging material reformulations of African political and cultural agency and the possibilities to be found in utopian thinking It claims that contemporary fiction helps to scrutinise the familiar big picture of Africa and create space for discussions about wider political and historical commonalities between the continent and the rest of the world As such the novels discussed in this study are not simply about Africa these fictional narratives position Africa as a central actor within the global history of late capitalism The Book of Amos and its Audiences: Prophecy, Poetry, and **Rhetoric** Andrew R. Davis, 2023-06-22 Analyses the poetic audiences of the book of Amos by distinguishing the textual addressee from its actual audiences Chronicles of the End Times Mark Davidson, 2018-10-05 Mark Davidson author of Daniel Revisited has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiastics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In Daniel Revisited Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in Chronicles of the End Times chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What's the purpose of Daniel's Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for

VanGemeren, 2010-06-01 The diversity of prophetic voices in the period Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one s interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God's purposes in redemptive history Dr Willem VanGemeren explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemeren's extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to lives the prophetic word Printing and Prophecy Jonathan Green, 2011-11-17 Examining possible connections between prophecy and changes in media in the century after Gutenberg A Philadelphia Apologetic Homer Kizer, 2012-07-04

M. Coomber, 2022-07-29 Judah faced radical and rapid societal change as it was absorbed by the Assyrian Empire in the eighth century BCE But while Judean prophets displayed outrage for the injustices these changes caused their texts are often devoid of socio economic context Identities of perpetrators victims and even the nature of their actions are often absent This book sheds light on those contexts by employing a recurring pattern found around the world and across time as subsistence communities are absorbed into complex economic systems In addition to outlining this pattern s presence in Judah s archaeological record Coomber turns the lens in the other direction to gain new insights from a recent example of this pattern's unfolding Tunisia's absorption into international capitalism. The result is an interpretive tool that asks new questions of ancient prophetic texts while also revealing threads through which the prophets find voice in addressing a radically different circumstance with similar consequences pertaining to land use the weaponization of debt and

exploitation of labor Prophetic Books and their Theological Witness Odil Hannes Steck, 2020-10-20 For many years Odil Hannes Steck has been regarded as among the world's foremost authorities on the Hebrew Bible's prophetic tradition yet very little of his work has appeared in English In this book Steck surveys the results of his extensive and careful research presenting his theory of the prophetic books development from oral to current canonical form He summarizes his redactional work on the prophetic corpus and develops an understanding of the theological import of the text in its history of **Reason, Faith, and Tradition** Martin C.
