The Research Process in the Human Services Leslie B. Alexander, Phyllis L. Solomon, 2006 Understand the process of research on a daily basis with THE RESEARCH PROCESS IN HUMAN SERVICES BEHIND THE SCENES This human services text includes twenty original research articles that provide you with models for your own work Each article is accompanied by commentaries from the articles authors in which they describe how and why they came to do the research concerns in the design and conduct of the study their own views about the strengths and limitations of the research advice about future research in the area and human subjects issues including working with IRBs Through this presentation the text documents the lived experience of doing research including its challenges as well as its joys *Social Work Research Methods: Oxford Bibliographies Online Research Guide* Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com **Clinical Data-Mining** Irwin Epstein, 2010 Clinical Data Mining CDM involves the conceptualization extraction analysis and interpretation of available clinical data for practice knowledge building clinical decision making and practitioner reflection Depending upon the type of data mined CDM can be qualitative or quantitative it is generally retrospective but may be meaningfully combined with original data collection Any research method that relies on the contents of case records or information systems data inevitably has limitations but with proper safeguards these can be minimized Among CDM s strengths however are that it is unobtrusive inexpensive presents little risk to research subjects and is ethically compatible with practitioner value commitments When conducted by practitioners CDM yields conceptual as well as data driven insight into their own practice and program generated questions This pocket guide from a seasoned practice based researcher covers all the basics of conducting practitioner initiated CDM studies or CDM doctoral dissertations drawing extensively on published CDM studies and completed CDM dissertations from multiple social work

settings in the United States Australia Israel Hong Kong and the United Kingdom In addition it describes consulting principles for researchers interested in forging collaborative university agency CDM partnerships making it a practical tool for novice practitioner researchers and veteran academic researchers alike As such this book is an exceptional guide both for professionals conducting practice based research as well as for social work faculty seeking an evidence informed approach to practice research integration Participant Recruitment and Retention in Intervention and Evaluation Research Audrey L. Begun PhD,Lisa K. Berger PhD,Laura L. Otto-Salaj PhD,2018-01-02 This practical how to guide integrates a comprehensive interdisciplinary review of literature alongside a wealth of the authors combined research experience into a framework for behavioral health and other investigators to successfully plan budget assess engage in analyze and report participant recruitment and retention in intervention and evaluation research studies *Social Work Practice to the Benefit of Our Clients: Scholarly Legacy of Edward J. Mullen* Haluk Soydan,Walter Lorenz,Inge M. Bryderup,Mike Fisher,Peter Marsh,Mikko Mäntysaari,Karin Tengvald,Bruce A. Thyer,Dorian E. Traube,Jennifer L. Bellamy,Sarah E. Bledsoe,Edward J. Mullen,2015-08-24 This book follows the intellectual track and legacy of one of the most illustrious social work educators of our time Edward J Mullen the Willma and Albert Musher Professor Emeritus of Columbia University and a fellow of the American Academy of Social Work and Social Welfare The collection of chapters is written by European and American scholars social work leaders in their respective countries and beyond Most of the contributions originate from a seminar organized by the Inter Centre Network for Evaluation of Social Work Practice Intsoceval a network of social work scholars and hosted in 2014 by the Free University of Bozen Bolzano in Italy This volume provides a remarkable and unique perspective on not only the professional trajectory of an eminent social worker but also the history of contemporary social work **Practice-Based Research in Social Work** Sarah-Jane Dodd,Irwin Epstein,2012-03-12 This unique textbook explores practice based research PBR using numerous practice examples to actively encourage and engage students and practitioners to embrace research as a meaningful support for their practice Whilst evidence based practice gives practitioners access to information about universal best practices it does not prioritize practitioner generated knowledge or promote new research based interventions relevant to their own practice circumstances as PBR does This book discusses the evolution of PBR as a distinct social work research approach describes its principles and methods and presents a range of exemplars illustrating the application of PBR within different practice methods in different practice settings The chapters cover Identifying the research question in a PBR model Designing a study and identifying a methodology Sampling Literature reviews Gathering data Ethics Analyzing data and interpreting results Putting research into practice Viewing the practitioner as central to the research process and research as a necessary component of practice this invaluable book emphasizes the seamless integration of practice and research It is about research in social work practice rather than research on social work practice Each chapter includes an overview an introduction and a key concepts summary Practice Based Research in Social

Work is a very accessible text suitable for social work students particularly MSW students and practitioners *Encyclopedia of Social Work*, 1965 *Pragmatic Program Evaluation for Social Work* Allen Rubin, 2020-07-23 This textbook balances methodological rigor with the practicalities of becoming a successful evaluator in service oriented settings **Social Workers' Desk Reference**, 2015-04-20 People all over the world are confronted by issues such as poverty a lack of access to quality education unaffordable and or inadequate housing and a lack of needed health and mental services on a daily basis Due to these issues there is a need for social workers who have access to relevant and timely scholarly materials in order to meet the needs of those facing these issues The social psychological and biological factors resulting from these issues determine the level of a person's mental health at any given point in time and it is necessary for social workers to continue to evolve and develop to the new faces and challenges of the times in order to adequately understand the effects of these issues In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole With 159 chapters collaboratively written by luminaries in the profession this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work Each chapter is short and contains practical information in addition to websites and updated references Social work practitioners educators students and other allied professionals can utilize the Social Workers Desk Reference to gain interdisciplinary and interprofessional education practice and research

Faith-Based Social Services Stephanie C. Boddie, Ram A. Cnaan, 2012-11-12 Read the latest studies on the effectiveness of religious based services and the problems revealed in the assessment The Charitable Choice provision and the Bush Administration's National Faith Based Initiative have broadened the scope of social services delivered through faith based organizations There are expectations that these faith based social service providers will be more effective but how should that effectiveness be measured Faith Based Social Services Measures Assessments and Effectiveness explains the nature and quality of religion based social service delivery while serving as a point of reference for future research and work This unique source tackles the important complex issue of measuring the effectiveness of faith based social services in comparison to secular services while providing analysis of the latest available studies Faith Based Social Services Measures Assessments and Effectiveness provides a conceptual analysis of FBOs faith based organizations that reflects the need to gather detailed studies to assess social service effectiveness while reviewing the crucial issues challenging public policy The latest empirical research is detailed including the problems found when comparing secular and faith based social service providers their organizational structures and the types of services offered Analysis is included of the data from a three state evaluation of welfare to work programs a study of four types of faith based services found in four cities and an assessment of

a church based program for teenage drop outs Topics in Faith Based Social Services Measures Assessments and Effectiveness include discussion on how social science research shunned faith based services and how this neglect affected effectiveness problems inherent in efficacy assessment making funding priorities decisions the causes of outcome differences a model of evaluation based on randomized controlled clinical trials using measurement practices currently used by the nonprofit sector comparative case studies in transitional housing parent education and residential substance abuse treatment programs latest analysis of research involving faith based organizations and the provided services efficacy much more Faith Based Social Services Measures Assessments and Effectiveness is illuminating reading perfect for social work professionals students educators sociologists religious leaders and seminary educators

Contemporary Field Social Work Mark Doel, Steven M Shardlow, Steven Shardlow, Paul G. Johnson, 2010-06-29 This text bridges the gap by offering learning activities that can be worked in both settings The book is divided into four main parts that accounts for the major areas of social work practice Part I covers the foundations of practice including self awareness and knowing and learning about the community within one will practice The second part deals with direct practice and covers individual assessment and group work The third part focuses on agency practice and finally the last part covers special issues for consideration including multicultural practice law informed practice ethics specialist and comparative practice

Fostering Accountability Mark F. Testa, John Poertner, 2010-02-08 By refocusing the emphasis on developing policies based on agency data instead of purely reactive approaches that grasp at solutions and often fall short *Fostering Accountability* guides administrators in monitoring outcomes using evidence to select interventions to enhance results and applying management strategies to evaluate and improve these efforts

Randomized Controlled Trials Phyllis Solomon, Mary M. Cavanaugh, Jeffrey Draine, 2009-02-02 Randomized controlled trials RCTs have been the gold standard for health and social service research for generations of professionals However even with the development of methods to accommodate a large number of professional perspectives and fields of intervention there is still no comprehensive resource for learning how to deal with the complex nature of RCTs conducted in community settings In this book the authors draw on their extensive experience conducting randomized controlled trials to compile a practical and accessible guide to RCTs in community based practice settings

Social Workers' Desk Reference Albert R. Roberts, 2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice

Spotlight on China Shibao Guo, Yan Guo, 2016-08-19 Economic globalization and advanced communication and transportation technologies have greatly increased interconnectivity and integration of China with the rest of the world This book explores the impact of globalization on China and the interactions of Chinese education with the globalized world It consists of twenty chapters which collectively examine how globalization

unfolds on the ground in Chinese education through global flows of talents information and knowledge The authors established and emerging scholars from China and internationally analyze patterns and trends of China's engagement with the globalized world as well as tensions between the global and local concerning national education sovereignty and the widening gap between brain gain and brain drain The book covers a wide range of topics including Internationalization of Chinese education Student mobility and intercultural adaptation Cross cultural teaching and learning Transnational talent mobility The diverse concepts and perspectives represented in this volume provide rich accounts of the effects of globalization on Chinese education and how globalization has transformed Chinese education and society China's successes and challenges will inform international researchers and educators about globalization and education in their own contexts with possible implications for change This timely volume opens up fascinating insights into the extensive and growing interconnections between Chinese education and the global community Concepts such as identity interculturality transnationalism and double diaspora are given vivid expression in the experience of Chinese students and scholars in diverse global settings as well as that of international students and teachers in Chinese higher institutions While there are candid critiques of barriers and prejudices that need to be overcome there is also a sense of hope and dynamism in the rich outflowing of educational ideas rooted in China's unique civilization Editors Shibao Guo and Yan Guo are to be congratulated for bringing together such a remarkable collection of essays dealing with internationalization student mobility cross cultural teaching and learning and transnational talent mobility Ruth Hayhoe Ontario Institute for Studies in Education University of Toronto
