Research Methods In Criminal Justice Exploring Alternate Pathways:

Crime, Justice, and Society Ronald J. Berger, Marvin D. Free, Patricia Searles, 2001 This is a criminology text that is explicitly sociological in orientation and is designed to help students cultivate a sociological imagination to guide their thinking about crime and criminal justice The book takes a critical approach and places questions of social inequality and power at the center of criminological inquiry It views class race ethnicity and gender as pivotal organizing principles of social life prisms through which we come to know ourselves and our social world and as central mechanisms by which social relationships are patterned

Research Methods in Criminal Justice and Criminology Callie Marie Rennison, Timothy C. Hart, 2022-01-19 Research Methods in Criminal Justice and Criminology connects key concepts to real field research and practices using contemporary examples and recurring case studies throughout the book that demonstrate how concepts relate to students lives Authors Callie M Rennison and Timothy C Hart introduce practical research strategies used in criminal justice to show students how a research question can become a policy that changes or influences criminal justice practices The book s student driven approach addresses both the why and the how as it covers the research process and focuses on the practical application of data collection and analysis By demonstrating the variety of ways research can be used and reinforcing the need to discern quality research the book prepares students to become critical consumers and ethical producers of research The Second Edition includes two new case studies woven throughout and new expert profiles to highlight contemporary topics Editable PowerPoint slides and a test bank are available to instructors
