wipfandstock.com *Chanting the Psalms* Cynthia Bourgeault, 2006-11-14 Chanting the psalms or psalmody is an ancient practice of vital importance in the Christian spiritual tradition Today many think of it as a discipline that belongs only in monasteries but psalmody is a spiritual treasure that is available to anyone who prays You don't need to be musical or a monk to do it and it can be enjoyed in church liturgical worship in groups or even individually as part of a personal rule of prayer Cynthia Bourgeault brings the practice into the twenty first century providing a history of Christian psalmody as well as an appreciation of its place in contemplative practice today And she teaches you how to do it as you chant along with her on the accompanying audio program in which she demonstrates the basic techniques and easy melodies that anyone can learn Even if you can't read music Cynthia says or if somewhere along the way you've absorbed the message that your voice is no good or you can't sing on pitch I'll still hope to show you that chanting the psalms is accessible to nearly everyone

Psalms for All Seasons John F. Craghan, 2013-09-16 Dare to expect a new world through the power of prayer That is the challenge offered by *Psalms for All Seasons* John Craghan says that by praying the Psalms you will discover radical newness in your life as you align your heart with God's will The psalms are prayers of both praise and lament They fill us with confidence and consolation They teach us to be thankful and wise *Psalms for All Seasons* explores fifty five of the most beautiful psalms in the Bible The author's deft analysis places these ancient prayers squarely in contemporary times By examining the structure vocabulary and themes of the psalms he engages each example as a stunning prayer for the twenty first century This careful revision of the 1993 edition relies on the New American Bible Revised Edition and provides solid biblical scholarship to support the use of the Psalms in study and prayer

O Taste and See Bonnie Thurston, 2014-02-01 If you have always been troubled by the image of God as a punitive judge this book will show you why this view is so mistaken Psalm 34 8's O taste and see how good the Lord is contains in miniature the whole process of coming to and growing in faith It gives us insight into God and into how we experience God We come to know this good and gracious God by means of the body seeing a metaphor for understanding and tasting shorthand for what the body knows In fact it is precisely engrafted hunger that turns us Godward only to find God waiting on the road for our return and ready to host a feast for us If you think you might be hungry for God but haven't experienced God directly or if you are a believer who still feels malnourished I hope this little book might be for you a kind of manna Taste See from the Introduction
