Duck Hunter by Fielding Lewis is a delightful collection of anecdotes and stories set in Cajun South Louisiana. The author, a hunter for over forty years, has garnered an extensive knowledge of the geography and fauna and flora of his home state. Interspersed throughout the book are hunting tips and observations that will be of use to any current or burgeoning duck hunter. Advice on how to build a blind, use a pirogue, or even modify a push pole is included in this compendium of the sport of duck hunting. Over the years, Mr. Lewis has become associated with many characters of beguiling charm and eccentricity who will entertain the reader through the author's candid storytelling. We meet those who have a super-refined sensibility to the ways of nature. There are also separate sections on retrievers, exotic reptiles, and birds, including the ivory-billed woodpecker and even duck calling. *Tales of a Louisiana Duck Hunter* is both a book filled with pertinent information for the enjoyment of outdoor sport and a heartwarming memoir of the author's good friends. **Training Retrievers** Bobby N.

George, 2021-04-01 In the opinion of many, nobody was more influential or had a greater impact on retrievers, their training, handling, and breeding than Cotton Pershall. This book was a command performance because thousands of dog owners and trainers requested that Pershall's methods be set down for generations to follow. Through the eyes and words of professional trainer Bobby N. George Jr., that's exactly what happened. The book includes complete techniques and training guidelines for lining, marking, obedience training, play training, handling doubles and triples, easily land and water retrieving, the forced retrieve techniques to make your dog a more effective waterfowl retriever, and starting puppies through finishing a dog, as well as fifty years of reminiscences about dogs, trainers, waterfowl hunts, and field trials. *Game Dog* Richard A.
