Hellships Down Michael Sturma, 2021-03-18

On 12 September 1944 a wolfpack of U S submarines attacked the Japanese convoy HI 72 in the South China Sea Among the ships sunk were two carrying Allied prisoners of war Men who had already endured the trials of Japanese captivity faced a renewed struggle for survival at sea This book tells the broader story of the HI 72 convoy through the stories of two survivors Arthur Bancroft who was rescued by an American submarine and Charles Rowley Richards who was rescued by the Japanese The story of these men represents the thousands of Allied POWs who suffered not only the atrocious conditions of these Japanese hellships but also the terror of friendly fire from their own side s submarines For the first time the personal political and legal aftermath of these men s experiences is fully detailed At its heart this is a story of survival Charting the survivors fates from rescue to their attempts at retribution this book reveals the trauma that continued long after the war was over

Japanese were stereotyped in the European and American imagination as fanatical cruel and almost inhuman This view is unhistorical and simplistic It fails to recognise that the Japanese were acting at a time of supreme national crisis and it fails to take account of their own historical tradition The essays in Japanese Prisoners of War by both Western and Japanese scholars explore the question from a balanced viewpoint looking at it in the light of longer term influences notably the Japanese attempt to establish themselves as an honorary white race The book also addresses the other side of the question looking at the treatment of Japanese prisoners in Allied captivity *The Thailand-Burma Railway, 1942-1946: Documents, post-war accounts, maps, and photographs* Paul H. Kratoska, 2006 *Ships from Hell* Raymond Lamont-Brown, 2002-01-28 This is a new and frightening insight into Japanese atrocities in the Second World War The horrific conditions aboard hellships at sea are revealed including the torture disease and massacre which characterised them
