In Plenty and in Time of Need Lia T. Bascomb, 2020 In Plenty and in Time of Need uses music and performance as sites of analysis for the competing ideals and realities of Barbadian national culture The book demonstrates complex relations between national gendered and sexual identities in Barbados and how these identities are represented and interpreted on a global stage

Pop & Postfeminism Nathalie Weidhase, 2024-11-14 Nathalie Weidhase conceptualises the female dandy as a figure that simultaneously embodies and disrupts postfeminist notions of femininity including maintaining a physique conforming to contemporary beauty standards constant self surveillance and self improvement and the naturalisation of gender difference and heterosexuality She examines how music videos function as spaces in popular culture where the politics of the feminine can be articulated These spaces allow female pop stars to be valued as artists with distinct contributions to popular music Focusing on Amy Winehouse Rihanna Lady Gaga and Lana Del Rey Weidhase illuminates different characteristics of the postfeminist dandy in popular music Amy Winehouse's work makes visible the

commodification of the female spectacle in popular culture highlighting how her image and persona were marketed and consumed Rihanna performs black femininity as postfeminism's abject Other Lady Gaga queers monstrous motherhood and celebrates female musical lineage Lana Del Rey's work demonstrates how whiteness operates as a canvas for postfeminist and post racial fantasies offering a platform for their deconstruction and critique In doing so Weidhase provides a comprehensive understanding of how these pop stars navigate and challenge the intricate landscape of postfeminism offering a nuanced perspective on contemporary femininity and its representations in popular culture

Cycles, Sequels, Spin-offs, Remakes, and Reboots Amanda Ann Klein, R. Barton Palmer, 2016-03-15 With sequels prequels remakes spin offs or copies of successful films or franchises dominating film and television production it sometimes seems as if Hollywood is incapable of making an original film or TV show These textual pluralities or multiplicities while loved by fans who flock to them in droves tend to be dismissed by critics and scholars as markers of the death of high culture *Cycles Sequels Spin offs Remakes and Reboots* takes the opposite view surveying a wide range of international media multiplicities for the first time to elucidate their importance for audiences industrial practices and popular culture The essays in this volume offer a broad picture of the ways in which cinema and television have used multiplicities to streamline the production process and to capitalize on and exploit viewer interest in previously successful and or sensational story properties An impressive lineup of established and emerging scholars talk seriously about forms of multiplicity that are rarely discussed as such including direct to DVD films made in Nigeria cross cultural Japanese horror remakes YouTube fan generated trailer mash ups and 1970s animal revenge films They show how considering the particular bonds that tie texts to one another allows us to understand more about the audiences for these texts and why they crave a version of the same story or character or subject over and over again These findings demonstrate that far from being lowbrow art multiplicities are actually doing important cultural work that is very worthy of serious study

Enervation Drew Wagar, 2025-03-03 A hard science fiction series with a post apocalyptic fantasy feel the *Shadeward Saga* is set on the imaginary planet Esurio in orbit about the red dwarf Lacaille 9352 a real star just over 10 lightyears from Earth The planet is tidally locked one side always faces the star and the other is plunged into eternal darkness Only between the two extremes is life possible Long ago it was colonized but knowledge of those events has since fallen into myth and legend More discoveries for the Mobilis crew More of our burning questions finally answered More politics and plotting from the priestesses More action and more drama with our cast of amazingly well written characters Drew has one again written characters that draw you in I care what happens to these folk Our regular cast learn more about themselves and each other Lots of great character development in here again lots of Yes and Wow moments However what this book really showcases and the saga's biggest and best feature is Drew's remarkable ability to create characters that you really deeply care about and who bring you along for the ride as they experience the full gamut of human emotions Characters you love then hate then sympathize with cheer jeer love and hate all over again This book is a worthy

continuation of the previous two installments of the saga Character development is great they are absolutely loveable the reader finds himself rooting for everyone to get along and solve the mysteries The story is captivating I found it very hard to put the book down The world is one of my absolute favourite sci fi fantasy creations the way magic and technology is addressed is truly believable and realistic Can't wait for the conclusion of the saga Enervation Book Three of the Shadeward Saga The priestesses now aware there is a power that can stand against them make plans to ensure their domination of Esurio isn't threatened by drawing up plans to deal with their enemies once and for all Desperate to defend their way of life Meru's people are forced into taking huge risks to defend their home Zoella still plagued by dreams and visions sees a future calamitous event that will engulf all the people on the planet unless it is set right Kiri's power continues to grow and she sees the opportunity for herself to claim ultimate control of the planet The animosity between Kiri and Zoella grows to a fever pitch Meru finds himself torn between the pair of them trying to balance his own feelings against the dire needs of the planet

Killer Dolls - Part 1 Nisa Santiago, 2015-10-13 Beautiful Menace or Viral Violence Half Japanese and half Jamaican Aoki is young beautiful and known throughout her Brooklyn neighborhood as a menace to local authorities On the eve of a brutal murder that hits close to home Aoki needs her friends more than ever Her ride or die besties Tisa and Ri Ri are down to help by any means necessary even if it puts their own freedom at risk While coming up in the drug game AZ gets into a situation he can't handle on his own When he reaches out to Aoki an unlikely ally the girls agree to handle his problem for a small fee When surveillance video of the conquest goes viral the Brooklyn hood chicks are transformed into Killer Dolls This overnight fame brings heat to the Killer Dolls with jealousy envy and a dark secret threatening to destroy everything **2009**

Chacahoula, A New Era R.E. Davies, 2025-08-06 The Onis Chronicles starts a new tale 18 years after the Reign of the Ancients has ended Discover what happens in the land of Onis as a New Era begins No one can escape the events of the past as they shape the future After losing her baby brother Eivelyn dreamed of becoming a great physician and the sensible human maiden had a plan She and her family would travel from their quaint little home on Iyos Island to the human capital Roco where she would work until she could attend the academy and achieve her dreams There was nothing extravagant or particularly thrilling in her life choice of becoming a physician That is there shouldn't have been When following her dreams throws Eivelyn into a tangled web of secrets the maiden must fight to survive and discover the truth about her past present and future But while Eivelyn is unraveling her own veil even more will be uncovered with it Nearly nineteen years have passed since the Reign of the Ancients ended and a New Era had begun and with it a new race As the Humans Elves Drow and Dwarves rebuilt and expanded their nations they remained unaware of another nation growing in secret The Draikuva With the Draikuvas growing desire to explore and discover their place in the world one amongst them is determined to make that happen When Allizea gets the idea that their mother is still alive she will stop at nothing to discover the truth for herself Join Eivelyn and Allizea as they find their places in Onis and make their marks toward its fate Introduction to Forensic

Psychology Stephanie Scott-Snyder, 2017-01-06 Research indicates that there are psychological principles at play in the situations encountered by law enforcement personnel. The book fulfills an important need in the ever evolving field of criminal justice providing a working knowledge of forensic psychology and its application to interview strategies homicide emotional disturbance sexual and domestic violence hostage negotiations and other situations. It will help law enforcement to understand interpret and anticipate behavior while responding safely and effectively. **Abusive Relationships and Domestic Violence** Jennifer Lombardo, 2018-12-15 Domestic violence often seems clear cut but some forms of abuse are not as easy to identify as physical abuse. Emotional abuse leaves no visible marks although its effect on a person's psyche can be just as devastating. Understanding abuse is the first step toward ending an abusive relationship. Enlightening charts annotated quotes from experts and real world examples help young adults identify abuse in relationships with romantic partners close friends or family members. This knowledge gives them the tools they need to break free of an unhealthy relationship or help a loved one do the same.
